INTERNAL STEAM NOTICE.

IT is notified for general information, that Baboo Hiraloll Mookerjee has been appointed Government Steam Agent at Rampore Bauleah, from the 1st instant.

By order of the Superintendent of Marine,

(Sd.) J. H. JOHNSTON,
Controller of Govt. S. Vessels.

Steam Department, the 15th August, 1849.

CHARGE OF FREIGHT ON ALL PACKAGES BY THE GOVERNMENT STEAMERS TO ARRACAN AND MOULMEIN.

HIS Honor the Deputy Governor of Bengal seeing no good reason why the privilege of filling the spare space on the Government Steamers employed in monthly voyages between Calcutta and the Ports of Arracan and Moulmein, should be not only limited to the servants of Government, but that they should be allowed to send their packages free of all charges, whilst private parties are deprived of the benefit of the Steamers, although willing to pay freight for their goods, has been pleased to command, that in future the tonnage that may remain unoccupied in the Government Steamers after the demand of the public service has been satisfied, shall be available for the conveyance of packages and goods to Arracan and Moulmein, without reference to whom they belong, upon payment of fixed rates of freight, which, in consideration of the speed and certainty of Steam communication and to avoid all undue interference with the private carrying trade of sailing vessels, His Honor is of opinion should be considerably higher than those of such vessels.

Notice is hereby given therefore, that in the Steamer to be despatched on the 10th of September next, and thence forward, the space, or tonnage unoccupied by Government Stores will be assigned to parties lodging their applications within the hours appointed by advertisement at the rates below stated, but the object of Government being to afford the greatest possible measure of convenience to the public, and particularly to the residents in the provinces visited by the Steamers, the amount of tonnage that may be granted upon each application will be fixed in the Boat Office with reference to the extent of tonnage available and the aggregate of the demand for it.

The charges for Freight will be calculated upon the weight of 20 cwt. for heavy and 50 cubic feet for light goods, and all goods will be considered light, which do not weigh 45 lbs. per cubic foot and will be charged by measurement.

The measurement of packages will be made with reference to the space they must occupy without any reference to voids. Thus, a Table standing on legs will be measured according to the space required for it to stand in, without any allowance for the voids between the legs, which, however the shipper may fill up at his discretion with any other articles, so making one package of the whole. A Petarra will be measured without reference to the tapering form of its lid, but as if it were a square box, &c. &c.

The rates will be between—

Calcutta and Arracan,..... Rs. 30 per ton.
Calcutta and Moulmein,... „ 40 ditto.
Arracan and Moulmein,... „ 30 ditto.

and no package will be received at a less charge than Rupees 8.

The Freight on goods shipped in Calcutta, must be paid on shipment.

It will be optional with parties shipping Goods for Calcutta to pre-pay or to send them bearing.

The Freight on Goods conveyed between Arracan and Moulmein must be pre-paid.

Cattle and Conveyances will be shipped only under special permission.

Cattle will be charged 3 tons per head, including Fodder and their attendants as Deck Passengers, but only one attendant will be allowed to each head of Cattle.

Dogs, Goats, Sheep, &c., will be charged Five rupees per head.

Conveyances will be charged by measurement of the space they occupy.

The charges for Cabins and Table remain as heretofore, but only the furniture and baggage required by a passenger for the voyage will be allowed in the Cabin, all else, Stores, &c., will be placed in the hold and charged as freight.

All servants must be paid for as Deck Passengers.

The charge for a Deck Passage will be

To Arracan, ... Rs. 15
To Moulmein, ... „ 30

A Deck Passenger will be allowed as baggage a roll of bedding, 2 feet wide, and a box of 5 cubic feet measurement, all excess will be charged as freight.

A Quarter Deck Passage will be charged.

To Arracan, ... Rs. 20
To Moulmein, ... „ 40

A quarter deck Passenger will be allowed a bed rolled up, a portmanteau or trunk of 5 cubic feet and a chillumchee.

Printed copies of the Regulations and rates of charge for passage and freight may be had on application at the Government Steam Boat Office.

By order of the Superintendent of Marine.

The most Noble the Governor General is pleased to grant 2nd Lieutenant W. W. H. Greathed, of Engineers, leave of absence from the 1st July to the 31st of October next, to visit Simla and the Hills North of Deyrah, on Medical Certificate.

Simla, 15th September, 1849.

Intimation having been made to the Governor General that Statements were in wide circulation, imputing to the 1st Regiment of Seik Local Infantry disloyal conduct, and manifestations of a spirit of disaffection; His Lordship deemed it right that these Statements should be subjected to examination.

For that purpose His Excellency the Commander-in-Chief was requested to assemble a Court of Enquiry at Hooshearpore, to investigate the conduct of that Regiment, which was alleged to have conspired against its Officers and against the State during the late War.

The Court of which Brigadier Wheeler, C. B., was President, have now submitted their Proceedings.

From the evidence given before the Court and from the documents there produced, it appears that there did not at any time exist in the 1st Regiment, Seik Local Infantry, a spirit of disaffection either towards the State or towards their own Officers; and that therefore the Statements which have been made to the effect, that such

spirit of disaffection did prevail, are without foundation.

The Governor General desires to give publicity to this result of the proceedings of the Special Court of Enquiry, in justice to the Officers and men of a Corps, which during the late War, in the face of strong temptation, and under circumstances of great peculiarity, behaved with gallantry, when serving against their own countrymen in the field, and faithfully and cheerfully performed every duty it owed to the Government which it serves.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{2}{3}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

IV. No action or suit, by or against the said Company, shall be affected by reason of the Plaintiff or Defendant therein being or having been a shareholder of the Company: but any such shareholder, either alone, or jointly with any other person or persons as against the Company, or the Company as against such shareholder, either alone, or jointly with any other person or persons, shall have the same right of action and remedy in respect of any cause whatever as if the same had arisen with a stranger.

XI. The said Madras Pier Company may lay and maintain, from any part of the said pier to the Custom House for the time being, at Madras, such railways or tram roads as the said Company, with the approval of the Governor in Council, shall think fit under such restrictions and regulations where the same shall cross any public road or way as the Governor in Council shall think fit.

XII. XIII. The said Madras Pier Company shall be bound to light the said Pier and the approaches thereto, by means of a sufficient number of lamps, to the satisfaction of the Governor in Council.

XX. The tolls collected under this Act, and all sums of money received by way of composition for tolls, shall be applied, in the first place, to defray the wages of the Toll Collectors and other expenses absolutely necessary for the collection of the tolls, and in the next place to repairing, maintaining, cleaning and lighting the Pier and the works and buildings connected therewith, and in the next place to pay such salaries and expenses as are sanctioned by the Company, and to the improvement of the Pier and other works as the Company, from time to time, shall resolve; and then in payment of such dividends as the Company, from time to time, shall declare to be payable.

XXI. The Owners and Masters, or persons having charge of any vessel lying in the roadstead of Madras, shall be jointly and severally answerable for any damage or mischief done to the Pier or works of the said Company by their vessels respectively, or any boat belonging thereto, or by any Seaman, Boatman or other person employed by them respectively, and shall be liable to pay any compensation and costs of the proceedings on account of such damage or mischief, which may be recovered in one of the Supreme Courts of Judicature established at Madras, Calcutta and Bombay, or when the amount does not exceed two hundred Rupees may be awarded to be paid by a Justice of the Peace of the Town of Madras: and all sums so awarded to be paid by a Justice of the Peace may be recovered, in like manner, as penalties under this Act.

5. The Standards for the age and height at which Recruits are eligible to be enlisted, will be laid down by the Commander-in-Chief.

7. NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that in, pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

The following Draft of a proposed Act was read in Council for the first time on the 15th of September 1849.

ACT No. — of 1849.

An Act to incorporate a Company for building a Pier at Madras.

Whereas a Company has been formed for building a Pier at Madras, which undertaking will be of great public utility, and ought to be encouraged, It is enacted as follows :

I. A deed of partnership for the said Company shall be prepared, subject to the approval of the Advocate General of the East India Company at Madras, and as soon as the deed so approved shall have been executed by the holders of four-fifths of the whole number of the shares in the said undertaking, either personally or by their lawfully constituted Attornies, and one-tenth part of the value of each share shall have been paid into the Bank of Madras or invested in Government Securities on account of the said Company, any seven or more persons, parties to the said deed, may apply to the Supreme Court of Judicature established by Royal Charter at Madras by Petition for leave to register the said deed in the Supreme Court, and the said Court, on being satisfied that the Provisions of this Act have been duly complied with, shall order the deed to be so registered.

II. The original Capital Stock of the said Company shall be five lakhs of Rupees, and shall be divided into one thousand shares, each of five hundred Rupees, and the amount of the Capital Stock may be at any time increased, by the creation of new shares of five hundred Rupees, to such amount as shall be approved by the Governor of Fort St. George in Council: but no such increase of Capital Stock shall be allowed to be made until a Memorial of such increase shall have been registered with the approval of the Governor in Council in the said Supreme Court.

III. Upon the registry of the deed of partnership, the persons by whom the said deed is executed, and all persons, who shall thereafter become possessed of any share in the said undertaking and their successors, shall be incorporated by the style of "The Madras Pier Company," and by that name shall have perpetual succession and a common Seal, and shall plead and be impleaded in all Courts and before all Justices and others, and may purchase and hold lands for the purposes of this Act.

IV. No action or suit, by or against the said Company, shall be affected by reason of the Plaintiff or Defendant therein being or having been a shareholder of the Company: but any such shareholder, either alone, or jointly with any other person or persons as against the Company, or the Company as against such shareholder, either alone, or jointly with any other person or persons, shall have the same right of action and remedy in respect of any cause whatever as if the same had arisen with a stranger.

V. Subject to the regulations of the deed of partnership, every shareholder may sell and transfer his shares

in the said Company by deed in the form given in the Schedule (marked A) annexed to this Act or to the like effect, and the same, when duly executed, shall be delivered to the Secretary to the Company, who shall make an entry thereof in a book to be called the Register of transfers, and shall endorse such entry on the deed of transfer, for which entry and endorsement the Company shall be entitled to have the sum of one Rupee, and the Secretary shall give to the purchaser an acknowledgment of the transfer having been completed: and until such entry and endorsement are made the purchaser of the share shall not be entitled to receive any share of the profits of the undertaking, or to vote in respect of such share.

VI. The Company shall not be bound to see to the execution of any trust, whether express implied or constructive, to which any share is subject, and whether or not they have had notice of such trust, and the receipt of the person in whose name any share stands in the books of the Company, or in the case of a minor idiot or lunatic of his or her guardian or Committee, or when more than one person is interested in any share, the receipt of the person whose name stands first in the register, opposite to such share, shall be a sufficient discharge to the Company for any dividend on account of such share, and the Company shall not be bound to see to the application of the money paid on such receipt.

VII. The Capital Stock of the said Company and the lands, works and buildings belonging to them, and all the property of the said Company, shall be held by them, and their successors as personal estate, and not as of the nature of real estate.

VIII. All suits brought against the said Company shall be brought in the Supreme Court of Judicature at Fort St. George, and not elsewhere, except as herein, after provided, in the case of neglect or abandonment of the Pier.

IX. Service of any notice, writ or other proceeding, personally upon any Manager or Secretary of the Madras Pier Company, or by leaving the same with any clerk in the service of the said Company at their office or place of business, shall be deemed good service upon the said Company.

X. The said Madras Pier Company shall be empowered to build a Pier or landing place on such part of the beach of the Town of Madras as they shall think fit, but if built more than

yards southward of the present Custom House, not without the approval of the Governor of Fort St. George in Council, and for that purpose shall be empowered to dig out the beach and soil, at and near the place of such Pier, and to make all fit and convenient approaches thereunto, and, if they think fit, to enclose such approaches, and also to establish and maintain cranes and weighing houses, toll gates and houses, and all other buildings and appurtenances for landing and shipping men, animals and goods of all kinds at the said Pier, and for securing payment of the tolls hereinafter mentioned.

XI. The said Madras Pier Company may lay and maintain, from any part of the said pier to the Custom House for the time being, at Madras, such railways or tram roads as the said Company, with the approval of the Governor in Council, shall think fit under such restrictions and regulations where the same shall cross any public road or way as the Governor in Council shall think fit.

XII. The said Madras Pier Company may lay down pipes for the supply of water to the shipping along the said Pier, and from the Pier to the Government water-works, or such other tanks, wells and reservoirs of water as they think fit; and may dig into any of the public thoroughfares for the purpose of laying or repairing any such pipes, under such restrictions as the Governor in Council shall think fit for causing as little obstruction as possible to the public thoroughfares: and the Company shall be bound, with as little delay as possible, to restore any thoroughfare to its former state at their own expense.

XIII. The said Madras Pier Company shall be bound to light the said Pier and the approaches thereto, by means of a sufficient number of lamps, to the satisfaction of the Governor in Council.

XIV. The Madras Pier Company shall be empowered to make, from time to time, such bye-laws as they shall find necessary for keeping order and preventing nuisances on the Pier and the approaches thereunto, and for regulating the approach and stations of boats and vessels near the said Pier, and for the behaviour of the boatmen and others making use of the said Pier, and may impose penalties for the breach of such bye-laws not exceeding the sum of fifty Rupees for any one offence, or, in the case of continuing nuisance, not exceeding the sum of five Rupees for every day during which the nuisance is continued.

XV. The following Draft of a proposed Act was read in Council for the first time on the 29th of September 1849.

Act No. 1849.

For the amendment of the Procedure in Cases of Appeal to the Sudder Court.

Whereas inconvenience has resulted from the rule allowing petitions of Appeal to the Sudder Dewanny Adawlut from Judgments of Principal Sudder Ameens, or of the Judges of the Zillah or City Courts, to be presented either in the Sudder Court, or in the Court in which the decision was passed, and from the rule allowing the specific objections to the Judgment and detailed grounds and reasons for preferring the Appeal to be, at the option of the party, either stated in the original petition of Appeal, or afterwards filed in the Court trying the Appeal, as a separate pleading,

It is enacted as follows in modification of Section X., Regulation VI., 1793, Section III., Regulation XII., 1797, and Section VIII., Regulation XXVI., 1814, of the Bengal Code.

I. Every petition of Regular Appeal in a case appealable to the Sudder Court, shall be presented to the Court in which the decision was passed, within three months from the day of the decision: such petition of Appeal shall not contain the specific reasons of the Appeal; but shall state shortly that the party, being dissatisfied with the Judgment, is desirous of appealing from it.

II. The proceedings held in the cause of Appeal shall be certified to the Sudder Dewanny Adawlut as soon as conveniently may be done; and notice thereof in writing shall be given to the Appellant.

III. Within three months thereafter the Appellant shall present to the Sudder Dewanny Adawlut the specific objections to the Judgment and detailed reasons for preferring the Appeal; otherwise it shall be dismissed, unless he shall show reasonable cause to the satisfaction of the Sudder Court for his default.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 29th day of November next.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of 2/3ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the Calcutta Gazette under date the 1st April 1842.

The following Draft of a proposed Act was read in Council for the first time on the 29th of September 1849.

ACT No. — 1849.

For the amendment of Procedure in Cases of Appeal to the Sudder Court.

Whereas inconvenience has resulted from the rule allowing petitions of Appeal to the Sudder Dewanny Adawlut from Judgments of Principal Sudder Ameens, or of the Judges of the Zillah or City Courts, to be presented either in the Sudder Court, or in the Court in which the decision was passed, and from the rule allowing the specific objections to the Judgment and detailed grounds and reasons for preferring the Appeal to be, at the option of the party, either stated in the original petition of Appeal, or afterwards filed in the Court trying the Appeal, as a separate pleading,

It is enacted as follows, in modification of Section X., Regulation VI., 1793, Section III., Regulation XII., 1797, and Section VIII., Regulation XXVI., 1814, of the Bengal Code.

I. Every petition of Regular Appeal in a case appealable to the Sudder Court, shall be presented to the Court in which the decision was passed, within three months from the day of the decision: such petition of Appeal shall not contain the specific reasons of the Appeal; but shall state shortly that the party, being dissatisfied with the Judgment, is desirous of appealing from it.

II. The proceedings held in the cause of Appeal shall be certified to the Sudder Dewanny Adawlut as soon as conveniently may be done; and notice thereof in writing shall be given to the Appellant.

III. Within three months thereafter the Appellant shall present to the Sudder Dewanny Adawlut the specific objections to the Judgment and detailed reasons for preferring the Appeal; otherwise it shall be dismissed, unless he shall show reasonable cause to the satisfaction of the Sudder Court for his default.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 29th day of November next.

I. The Governor of Bombay in Council may declare by Proclamation what Ferries within any part of the Territories subject to the Presidency of Bombay, shall be deemed Public Ferries, and at any time hereafter, by a like Proclamation, may establish new Ferries where they are needed, and from time to time change the course of any Public Ferry, or discontinue any Public Ferry that is deemed unnecessary.

II. Tolls according to such rates as shall from time to time be settled or approved by the Governor of Bombay in Council shall be levied upon all Passengers, Carts, Carriages, Cattle and other Animals, and on all Goods and Merchandise carried over any Public Ferry.

III. No Tolls shall be leviable from any body of Soldiery on their march.

IV. Boats shall be provided under the authority of the Governor of Bombay in Council for each Public Ferry, and Tindals, Boatmen and other persons shall be appointed for their due Navigation.

V. At every Public Ferry-station a Toll-keeper shall be appointed with a sufficient Establishment, whose duty it shall be to take the lawful Tolls.

VI. A Table of Tolls written or printed in the English and Native Languages shall be hung up in some conspicuous place at every Ferry-station so as to be easily read by all persons crossing the Ferry.

VII. Every Toll-keeper, who shall neglect to hang up and keep in good order and repair such Table of Tolls, or who shall wilfully remove, alter, or deface the same, or allow it to become illegible, shall be liable to a penalty of Ten Rupees.

VIII. Every Toll-keeper, who shall ask or take any Toll other than is allowed by the Table of Tolls, or who shall wilfully delay any Passenger, Cart, Carriage, Animal or Goods, shall be liable to a penalty of Fifty Rupees.

IX. Every person crossing at any such Public Ferry, who shall refuse to pay the Toll, or who, with intent of avoiding payment thereof, shall fraudulently or forcibly pass by or through any Toll-station without paying the Toll, or who shall obstruct any Toll-keeper or any of his Assistants in any way in the execution of their duty under this Act, and also every person, who shall maliciously damage any Toll Bar, Boat, or any other thing employed in or about any Public Ferry, or who shall maliciously remove, alter, destroy, or damage any Table of Tolls hung up as hereinbefore directed, shall be liable to a penalty not exceeding Fifty Rupees, over and above the value of the damage which he has done.

X. All Public Ferry-boats shall be numbered and registered as the Governor of Bombay in Council shall direct, and the names of all Tindals, or persons placed in charge thereof, and of all Toll-keepers shall likewise be so registered.

XI. The Magistrate of every Zillah in which there shall be a Public Ferry, and any Magistrate of Police of Bombay, whom the Governor in Council may appoint for such purpose within their respective jurisdictions shall make Rules subject to confirmation by the Governor in Council, fixing the number of Passengers, Carts, Carriages and Animals, and the quantity of Goods that may be carried in any Public Ferry-boat at one trip, and for the safe and convenient carriage of Passengers and property, and for keeping the Ferry-boats in good order, and otherwise for the due discharge of their duty by all Tindals, Toll-keepers and other persons employed at any Public Ferry, and any Tindal, Toll-keeper or other person infringing or disobeying any such Rule, shall be liable to make good any loss or damage which shall have been caused thereby, which may be summarily ascertained by any Magistrate within whose jurisdiction the offence was committed, and the amount thereof may be recovered as any penalty under this Act may be recovered.

XII. The Governor of Bombay in Council may lease any Public Ferry by public auction, or private contract, from year to year or any longer period, not exceeding seven years, on such conditions as he deems advisable, in which case a contract setting forth the conditions on which the Ferry is to be held shall be executed by the Contractor or Farmer, and Security shall by him be given for its due fulfilment.

XIII. If a Public Ferry is established between the Island of Bombay and the Mainland, the Ferry-boat shall cross each way at least () daily unless hindered by stress of weather or other unavoidable accident.

XIV. Every person, who shall convey for hire or other consideration any Passenger or any Cart, Carriage, Animal or Goods, the property of any other person, across any River, Stream, Creek or Arm of the Sea, within the said Presidency, otherwise than across the harbour of Bombay to any point or place on the opposite bank or coast by any boat or other means within a distance of three miles above or below any Public Ferry, without the special license of a Magistrate of the zillah or town in which the Ferry is situated, shall be liable to a penalty not exceeding Five Hundred Rupees; but this prohibition and penalty shall not apply to any person specially hiring any bunder or other boat for the carriage of himself and family, or friends with their goods and servants, across the Sea between Bombay and the Mainland, nor to the person letting a boat or bunder to hire for such purpose.

XV. All offences against this Act shall be summarily heard and determined by the Magistrate of the zillah within the limits of which the same shall have been committed, and if within the limits of the jurisdiction of the Supreme Court of Bombay by any Magistrate of Police of Bombay. All Penalties shall be recovered in the manner directed for the recovery of the fines specified in Regulation XIX. of 1827, Section XIV., Clauses 1, 2 and 3, of the Bombay Code.

XVI. All Tolls payable on account of any Public Ferry, and all rent payable on account of such of them as are farmed, and all penalties for offences against this Act, shall form a general Fund, which shall be applied in the first instance toward the expences necessary for keeping up all the Ferries throughout the Presidency of Bombay, and the residue, if any, shall be applied under the directions of the Governor of Bombay in Council in the improvement of the public roads, ways, thoroughfares, leading to and from any of the said Ferries.

XVII. The Governor of Bombay in Council may appoint such officers and other persons as shall be necessary for carrying this Act into execution with such salaries as the Governor General of India in Council shall approve to be paid out of the Fund produced by the Tolls and Fines as provided by this Act, and the Governor of Bombay in Council may from time to time delegate any of the powers conferred on him by this Act to any Magistrate or other person as he thinks fit.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 6th day of January next.

Fort William, Financial Department,
the 31st March, 1849.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

NOTICE is hereby given, that on Monday, the 26th November 1849, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the Provision of 1848-49, subject to the following conditions viz :

Produce of Behar Agency, Chests,	2,085
Ditto of Benares, ditto, ...	865

Total Chests,..... 2,950

CONDITIONS OF SALE.

1st. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12, of the Conditions of Sale.

3rd. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday, or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining lots are disposed of, or if the quantity of 2,950 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future sale.

4th. Each lot to contain five Chests.

5th. A deposit, in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1000, at the discretion of the Officer, superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government on or before 4 o'Clock of the afternoon of Wednesday, the 28th November 1849, or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered

in, shall be resold at such time or times, and under such conditions of Re-sale as the Board of Customs, Salt and Opium shall see fit, and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned condition, if remaining unredeemed on the said 28th November 1849, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 p. m. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such resale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious bid-dings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, super-

intending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertized for sale.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with establish-

ed usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity above mentioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below :

The following Draft of a proposed Act was read in Council for the first time on the 29th of September 1849.

ACT No. — 1849.

For the amendment of Procedure in Cases of Appeal to the Sudder Court.

Whereas inconvenience has resulted from the rule allowing petitions of Appeal to the Sudder Dewanny Adawlut from Judgments of Principal Sudder Ameen, or of the Judges of the Zillah or City Courts, to be presented either in the Sudder Court, or in the Court in which the decision was passed, and from the rule allowing the specific objections to the Judgment and detailed grounds and reasons for preferring the Appeal to be, at the option of the party, either stated in the original petition of Appeal, or afterwards filed in the Court trying the Appeal, as a separate pleading,

It is enacted as follows, in modification of Section X., Regulation VI., 1793, Section III., Regulation XII., 1797, and Section VIII., Regulation XXVI., 1814, of the Bengal Code.

I. Every petition of Regular Appeal in a case appealable to the Sudder Court, shall be presented to the Court in which the decision was passed, within three months from the day of the decision: such petition of Appeal shall not contain the specific reasons of the Appeal; but shall state shortly that the party, being dissatisfied with the Judgment, is desirous of appealing from it.

II. The proceedings held in the cause of Appeal shall be certified to the Sudder Dewanny Adawlut as soon as conveniently may be done; and notice thereof in writing shall be given to the Appellant.

III. Within three months thereafter the Appellant shall present to the Sudder Dewanny Adawlut the specific objections to the Judgment and detailed reasons for preferring the Appeal; other-

wise it shall be dismissed, unless he shall show reasonable cause to the satisfaction of the Sudder Court for his default.

The following Draft of a proposed Act was read in Council for the first time on the 6th of October, 1849.

ACT No. — OF 1849.

An Act for regulating the Bombay Ferries.

Whereas it is expedient to regulate the Public Ferries within the Territories subject to the Presidency of Bombay, It is enacted as follows:

I. The Governor of Bombay in Council may declare by Proclamation what Ferries within any part of the Territories subject to the Presidency of Bombay, shall be deemed Public Ferries, and at any time hereafter, by a like Proclamation, may establish new Ferries where they are needed, and, from time to time, change the course of any Public Ferry, or discontinue any Public Ferry that is deemed unnecessary.

II. Tolls according to such rates as shall, from time to time, be settled or approved by the Governor of Bombay in Council, shall be levied upon all Passengers, Carts, Carriages, Cattle and other Animals, and on all Goods and Merchandise carried over any Public Ferry.

III. No Tolls shall be leviable from any body of Soldiery on their march.

IV. Boats shall be provided under the authority of the Governor of Bombay in Council for each Public Ferry, and Tindals, Boatmen and other persons shall be appointed for their due Navigation.

V. At every Public Ferry-station a Toll-keeper shall be appointed with a sufficient Establishment, whose duty it shall be to take the lawful Tolls.

VI. A Table of Tolls, written or printed in the English and Native Languages, shall be hung up in some conspicuous place at every Ferry-station, so as to be easily read by all persons crossing the Ferry.

VII. Every Toll-keeper, who shall neglect to hang up and keep in good order and repair such Table of Tolls, or who shall wilfully remove, alter, or deface the same, or allow it to become illegible, shall be liable to a penalty of Ten Rupees.

VIII. Every Toll-keeper, who shall ask or take any Toll other than is allowed by the Table of Tolls, or who shall wilfully delay any Passenger, Cart, Carriage, Animal or Goods, shall be liable to a penalty of Fifty Rupees.

IX. Every person crossing at any such Public Ferry, who shall refuse to pay the Toll, or who, with intent of avoiding payment thereof, shall fraudulently or forcibly pass by or through any Toll-station without paying the Toll, or who shall obstruct any Toll-keeper or any of his Assistants, in any way in the execution of their duty under this Act, and also every person, who shall maliciously damage any Toll Bar, Boat, or any other

thing employed in or about any Public Ferry, or who shall maliciously remove, alter, destroy or damage any Table of Tolls hung up as hereinbefore directed, shall be liable to a penalty not exceeding Fifty Rupees, over and above the value of the damage which he has done.

X. All Public Ferry-boats shall be numbered and registered as the Governor of Bombay in Council shall direct, and the names of all Tindals, or persons placed in charge thereof, and of all Toll-keepers, shall likewise be so registered.

XI. The Magistrate of every Zillah in which there shall be a Public Ferry, and any Magistrate of Police of Bombay, whom the Governor in Council may appoint for such purpose within their respective jurisdictions, shall make Rules subject to confirmation by the Governor in Council, fixing the number of Passengers, Carts, Carriages and Animals, and the quantity of Goods that may be carried in any Public Ferry-boat at one trip, and for the safe and convenient carriage of Passengers and property, and for keeping the Ferry-boats in good order, and otherwise for the due discharge of their duty by all Tindals, Toll-keepers and other persons employed at any Public Ferry, and any Tindal, Toll-keeper or other person infringing or disobeying any such Rule, shall be liable to make good any loss or damage which shall have been caused thereby, which may be summarily ascertained by any Magistrate within whose jurisdiction the offence was committed, and the amount thereof may be recovered as any penalty under this Act may be recovered.

XII. The Governor of Bombay in Council may lease any Public Ferry by public auction, or private contract, from year to year, or any longer period, not exceeding seven years, on such conditions as he deems advisable, in which case a contract setting forth the conditions in which the Ferry is to be held, shall be executed by the Contractor or Farmer, and Security shall by him be given for its due fulfilment.

XIII. If a Public Ferry is established between the Island of Bombay and the Mainland, the Ferry-boat shall cross each way at least () daily unless hindered by stress of weather or other unavoidable accident.

XIV. Every person, who shall convey for hire or other consideration any Passenger or any Cart, Carriage, Animal or Goods, the property of any other person, across any River, Stream, Creek or Arm of the Sea, within the said Presidency, otherwise than across the harbour of Bombay to any point or place on the opposite bank or coast by any boat or other means within a distance of three miles above or below any Public Ferry, without the special license of a Magistrate of the zillah or town in which the Ferry is situated, shall be liable to a penalty not exceeding Five Hundred Rupees; but this prohibition and penalty shall not apply to any person specially hiring any bunder or other boat for the carriage of himself and family, or friends, with their goods and servants, across the Sea between Bombay and the Mainland, nor to the person letting a boat or bunder to hire for such purpose.

XV. All offences against this Act shall be summarily heard and determined by the Magistrate of the zillah within the limits of which the same shall have been committed, and if within the limits of the jurisdiction of the Supreme Court of Bombay by any Magistrate of Police of Bombay. All Penalties shall be recovered in the manner

directed for the recovery of the fines specified in Regulation XIX. of 1827, Section XIV., Clauses 1, 2 and 3, of the Bombay Code.

XVI. All Tolls payable on account of any Public Ferry, and all rent payable on account of such of them as are farmed, and all penalties for offences against this Act, shall form a general Fund, which shall be applied, in the first instance, toward the expenses necessary for keeping up all the Ferries throughout the Presidency of Bombay, and the residue, if any, shall be applied under the directions of the Governor of Bombay in Council, in the improvement of the public roads, ways, thoroughfares, leading to and from any of the said Ferries.

XVII. The Governor of Bombay in Council may appoint such officers and other persons as shall be necessary for carrying this Act into execution with such salaries as the Governor General of India in Council shall approve to be paid out of the Fund produced by the Tolls and Fines as provided by this Act, and the Governor of Bombay in Council may, from time to time, delegate any of the powers conferred on him by this Act to any Magistrate or other person as he thinks fit.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 6th day of January next.

NOTICE is hereby given, that on Monday, the 26th November 1849, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the Provision of 1848-49, subject to the following conditions, viz :

Produce of Behar Agency, Chests,	2,085
Ditto of Benares, ditto, ...	865
Total Chests,.....	2,950

CONDITIONS OF SALE.

1st. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12, of the Conditions of Sale.

3rd. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the sale

may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining lots are disposed of, or if the quantity of 2,950 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future sale.

4th. Each lot to contain five Chests.

5th. A deposit, in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000, at the discretion of the Officer, superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government on or before 4 o'Clock of the afternoon of Wednesday, the 28th November 1849, or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be resold at such time or times, and under such conditions of Re-sale as the Board of Customs, Salt and Opium shall see fit, and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit

accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned condition, if remaining unredeemed on the said 28th November 1849, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for Sale

in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertized for sale.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below :

19th. It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale at the Twelve Sales in the Months of November and December 1849, and January, February, March, April, May, June, July, August, September and October 1850, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the Season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 35,374 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article 6th. "With regard to the Trade in
Article of the "Opium it is agreed between
Convention above "the high contracting parties
referred to. "that at each of the periodical

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

The following Draft of a proposed Act was read in Council for the first time on the 6th of October, 1849.

ACT No. — OF 1849.

An Act for regulating the Bombay Ferries.

Whereas it is expedient to regulate the Public Ferries within the Territories subject to the Presidency of Bombay, It is enacted as follows :

I. The Governor of Bombay in Council may declare by Proclamation what Ferries within any part of the Territories subject to the Presidency of Bombay, shall be deemed Public Ferries, and at any time hereafter, by a like Proclamation, may establish new Ferries where they are needed, and, from time to time, change the course of any Public Ferry, or discontinue any Public Ferry that is deemed unnecessary.

II. Tolls according to such rates as shall, from time to time, be settled or approved by the Governor of Bombay in Council, shall be levied upon all Passengers, Carts, Carriages, Cattle and other Animals, and on all Goods and Merchandise carried over any Public Ferry.

III. No Tolls shall be leviable from any body of Soldiery on their march.

IV. Boats shall be provided under the authority of the Governor of Bombay in Council for each Public Ferry, and Tindals, Boatmen and other persons shall be appointed for their due Navigation.

V. At every Public Ferry-station a Toll-keeper shall be appointed with a sufficient Establishment, whose duty it shall be to take the lawful Tolls.

VI. A Table of Tolls, written or printed in the English and Native Languages, shall be hung up in some conspicuous place at every Ferry-station, so as to be easily read by all persons crossing the Ferry.

VII. Every Toll-keeper, who shall neglect to hang up and keep in good order and repair such Table of Tolls, or who shall wilfully remove, alter, or deface the same, or allow it to become illegible, shall be liable to a penalty of Ten Rupees.

VIII. Every Toll-keeper, who shall ask or take any Toll other than is allowed by the Table of Tolls, or who shall wilfully delay any Passenger, Cart, Carriage, Animal or Goods, shall be liable to a penalty of Fifty Rupees.

IX. Every person crossing at any such Public Ferry, who shall refuse to pay the Toll, or who, with intent of avoiding payment thereof, shall fraudulently or forcibly pass by or through any Toll-station without paying the Toll, or who shall obstruct any Toll keeper or any of his Assistants, in any way in the execution of their duty under this Act, and also every person, who shall maliciously damage any Toll Bar, Boat, or any other thing employed in or about any Public Ferry, or who shall maliciously remove, alter, destroy or damage any Table of Tolls hung up as hereinbefore directed, shall be liable to a penalty not exceeding Fifty Rupees, over and above the value of the damage which he has done.

X All Public Ferry-boats shall be numbered and registered as the Governor of Bombay in Council shall direct, and the names of all Tindals, or persons placed in charge thereof, and of all Toll-keepers, shall likewise be so registered.

XI. The Magistrate of every Zillah in which there shall be a Public Ferry, and any Magistrate

of Police of Bombay, whom the Governor in Council may appoint for such purpose within their respective jurisdictions, shall make Rules subject to confirmation by the Governor in Council, fixing the number of Passengers, Carts, Carriages and Animals, and the quantity of Goods that may be carried in any Public Ferry-boat at one trip, and for the safe and convenient carriage of Passengers and property, and for keeping the Ferry-boats in good order, and otherwise for the due discharge of their duty by all Tindals, Toll-keepers and other persons employed at any Public Ferry, and any Tindal, Toll-keeper or other person infringing or disobeying any such Rule, shall be liable to make good any loss or damage which shall have been caused thereby, which may be summarily ascertained by any Magistrate within whose jurisdiction the offence was committed, and the amount thereof may be recovered as any penalty under this Act may be recovered.

XII. The Governor of Bombay in Council may lease any Public Ferry by public auction, or private contract, from year to year, or any longer period not exceeding seven years, on such conditions as he deems advisable, in which case a contract setting forth the conditions on which the Ferry is to be held, shall be executed by the Contractor or Farmer, and Security shall by him be given for its due fulfilment.

XIII. If a Public Ferry is established between the Island of Bombay and the Mainland, the Ferry-boat shall cross each way at least () daily unless hindered by stress of weather or other unavoidable accident.

XIV. Every person, who shall convey for hire or other consideration any Passenger or any Cart, Carriage, Animal or Goods, the property of any other person, across any River, Stream, Creek or Arm of the Sea, within the said Presidency, otherwise than across the harbour of Bombay to any point or place on the opposite bank or coast by any boat or other means within a distance of three miles above or below any Public Ferry, without the special license of a Magistrate of the zillah or town in which the Ferry is situated, shall be liable to a penalty not exceeding Five Hundred Rupees; but this prohibition and penalty shall not apply to any person specially hiring any bunder or other boat for the carriage of himself and family, or friends, with their goods and servants, across the Sea between Bombay and the Mainland, nor to the person letting a boat or bunder to hire for such purpose.

XV. All offences against this Act shall be summarily heard and determined by the Magistrate of the zillah within the limits of which the same shall have been committed, and if within the limits of the jurisdiction of the Supreme Court of Bombay by any Magistrate of Police of Bombay. All Penalties shall be recovered in the manner directed for the recovery of the fines specified in Regulation XIX. of 1827, Section XIV., Clauses 1, 2 and 3, of the Bombay Code.

XVI. NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned condition, if remaining unredeemed on the said 28th November 1849, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertized for sale.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have

only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below :

ment must make requisition for the whole of the Opium required by them during the Season within 30 days after the publication of this advertizement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 35,374 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article 6th. " With regard to the Trade in

BENGAL CIVIL FUND.

At a Special General Meeting of Subscribers to the Bengal Civil Fund, held at the Town Hall, on Friday, the 12th October, 1849.

PRESENT :

Messrs. J. A. Dorin, W. B. Jackson, J. J. Harvey, E. Currie, J. Dunbar, F. J. Halliday, J. R. Colvin, J. P. Grant, W. Bracken, H. T. Raikes, G. W. Battye, G. Adams, B. J. Colvin, H. W. Torrens, W. M. Dirom, W. H. Elliott, J. G. Campbell, J. H. Young, A. Grote, C. Beadon, W. Grey, Harington Balfour, E. Jenkins, W. Setonkarr, J. W. Dalrymple, James Combe, W. Maples, C. T. Buckland, C. S. Belli, H. Pratt, J. R. Ward and C. E. Boileau.

J. A. DORIN, Esq., in the Chair.

The Chairman informed the Meeting, that on an examination of the written votes that had been received, including the names of Subscribers present at the Meeting, it appeared that there were in favor of the "adoption of the general principle of the proposed Rules, viz. that the Pensions receivable from the Fund by the Families of deceased Subscribers, shall be irrespective of private property," 243 votes; and "against" the principle 25 votes.

Mr. J. R. Colvin then submitted to the Meeting nine letters addressed to him by seventeen Subscribers, all to the following effect:

"To J. R. COLVIN, Esq.

"SIR,—We the undermentioned Subscribers to the Bengal Civil Fund request that at the Special General Meeting to be held on the 12th October, on the proposal being made—"That the *general principle* of the proposed Rules be adopted, viz., that the Pensions receivable by the Families of deceased Subscribers be irrespective of private property"—you will move the following amendment, and record our votes for it—"That it is inexpedient to adopt the general principle of the proposed Rules, until measures have been taken to secure the solvency of the Fund as at present constituted."

"We also request that you will kindly take the requisite steps to convene a Meeting for the consideration of the following propositions:

"1st. That the Fund be placed in a solvent condition, either by calling upon present Members to pay up within some definite period the existing deficit or by reduction of the scale of allowances now established.

"2nd. That, unless this measure is enforced, the future extra Subscriptions be formed into a Provident Fund, whose accounts shall be kept separate from those of the present Civil Fund; and whose benefits shall be restricted to such families as would be excluded by the old, and admitted by the new Rules.

"3rd. That no new system of assessment or expenditure be adopted, which has not been examined and approved by a competent actuary or professional accountant.

"4th. That no Rule be allowed under any pretence whatsoever, to have retrospective effect."

Mr. Colvin explained, that he did not concur in the amendment and propositions embodied in these letters, but proposed, with reference to the special character of the Meeting, and the great importance of the question under discussion, that they should be placed among the records of the Fund and referred to any Committee, which might

be appointed to reconsider the detailed provisions of the new Rules, previous to their final adoption.

Mr. Beadon seconded the proposition, and it was carried unanimously.

It was then proposed by Mr. W. Grey and seconded by Mr. W. B. Jackson, That nominal lists of those who have voted absolutely, or with qualifications, for and against the general principle of the proposed new Rules, be published with the proceedings of this Meeting; and that a list be appended of the 17 Subscribers, who have signed the letters addressed to Mr. Colvin.

This was carried unanimously.

After which it was proposed by Mr. Dirom and seconded by Mr. Jackson, That the general principle of the Report and Rules prepared by the Committee appointed by the General Meeting, of the 31st January 1849, viz. "that the Pensions receivable from the Fund by the Families of deceased Subscribers shall be irrespective of private property" be adopted.

The votes were in	}	present 31, written votes 212,	Total 243.
favor of the proposition, ...			
Against it, ...			

The resolution was therefore carried.

Proposed by Mr. Beadon and seconded by Mr. B. J. Colvin, that the votes on the foregoing proposition of those present at the Meeting, be also published with the proceedings.

Carried unanimously.

Mr. Beadon then laid before the Meeting the following propositions intended to give effect to the general principle adopted as above:

First.—That the Pensions and Allowances granted from the Fund to the Families of Subscribers, who shall be in the service of the East India Company, on the 1st January 1850, or shall hereafter be admitted to it, and who may die on or after that date, shall be irrespective of private property.

Second.—That on and after the 1st January 1850, the contributions of all Subscribers now in the service of the East India Company, or hereafter admitted to it, shall be according to the rates recommended by the Committee; that is to say, four and a half per centum on the authorized public emoluments of married, and two and a half per centum on those of unmarried Subscribers, together with additional optional rates of one-eighth per centum for male, and one quarter per centum for female Children.

Third.—That the proceeds arising from the Subscription of two and a half per centum on the emoluments of all Subscribers, being for the purposes of the Fund as it now exists, be placed as heretofore in the hands of the Sub-Treasurer, bearing interest at eight per centum per annum, and that the additional two per centum on the emoluments of married Subscribers, together with the optional contributions for Children, be invested by the Managers in Government Securities, until the pleasure of the Hon'ble Court of Directors, in regard to the rate of interest to be allowed on these extra Subscriptions, shall be known.

Fourth.—That the Committee enlarged by the appointment of three new Members be requested to revise the Draft Rules appended to their second report in connexion with the several suggestions for amendment which have been offered and such as may occur on reconsideration, and to report again on the subject for the final determination of the Service.

Fifth.—That the Managers be requested to take immediate steps to collect all necessary information respecting the ages of Subscribers and their families, as well as the ages of all existing incumbents, with a view to obtain the opinion of a professional Actuary on the state of the Fund, and on the sufficiency or otherwise of the rates of Subscription adopted at the recommendation of the Committee.

Sixth.—That the Rules proposed by the Committee be in force from the first January next subject to such alterations as may be determined upon after the Committee have submitted their further report.

These propositions were seconded by Mr. J. G. Campbell.

Upon which Mr. W. B. Jackson proposed, and Mr. H. W. Torrens seconded the following general amendment:

That the Rules which have been proposed by the Committee after due consideration and circulated to the Subscribers at large, for carrying out the principle which has been adopted by this Meeting and by the Subscribers at large, be passed as provisional Rules and have effect from the first of January 1850; and that a letter be written to each Subscriber to the Fund, in conformity with Article 13 of the existing Rules, requesting him to transmit his vote to the Managers for the adoption or rejection of the foregoing proposition within two months after the date of such letter.

That the Committee which may be appointed for the purpose, be requested to revise the Draft Rules appended to the second Report in connexion with the several suggestions for amendment which have been or may be offered and such as may occur on reconsideration, and to report again on the subject for the final determination of the service.

The amendment was put and carried without opposition.

It was then proposed by Mr. J. R. Colvin and seconded by Mr. Elliott:

That it be an instruction to the Committee to consider and report whether it may be proper to fix an amount as the minimum payment to be made good by a Member retiring from the service, in order to entitle his Family to the benefit of the Fund, and also to consider and report more fully on the suggestion in the concluding paragraph of the present Report as to the payment of a Bonus from Subscribers upon marriage.

On which the following amendment was proposed by Mr. Halliday and seconded by Mr. H. Torrens:

That it is unnecessary for this Meeting to refer any specific point for the consideration of the Committee as any Subscriber to the Fund has the opportunity of offering his own suggestions to that Committee if he thinks proper so to do.

The amendment was carried by 22 against 3.

Proposed by Mr. J. R. Colvin and seconded by Mr. Maples—That the best thanks of this Meeting be given to the Committee who have prepared the revised scheme of the Fund, for the eminent diligence, clearness, and ability, with which they have conducted their enquiries and framed their report. And that the same Gentlemen be requested to continue their services as a Committee for the purpose of revising the Rules as already determined by this Meeting.

Carried unanimously.

Mr. Beadon explained, that the fifth Resolution proposed by him, was not affected by Mr. Jackson's general amendment. He therefore proposed again—

That the Managers be requested to take immediate steps to collect all necessary information respecting the ages of Subscribers and their Families, as well as the ages of all existing incumbents, with a view to obtain the opinion of a professional Actuary on the state of the Fund; and on the sufficiency or otherwise of the rates of Subscription adopted at the recommendation of the Committee.

This resolution was seconded by Mr. Harvey, and carried unanimously.

A vote of thanks was unanimously passed to the Chairman.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{3}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

WEDNESDAY, OCTOBER 24, 1849.

*Fort William, Home Department, Legislative,
the 20th October, 1849.*

The following Extract from the Proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 20th October, 1849, is published for general information.

Read a second time the Draft of a proposed Act, dated the 12th May, 1849, and published in the *Calcutta Gazette*, of the 23d May, 1849, for the more easy recovery of Small Debts and Demands in Calcutta, Madras and Bombay.

Resolution.—The President in Council resolves that the following amended Draft on the subject, be published for general information :

Act No. — of 1849.

An Act for the more easy recovery of Small Debts and Demands in Calcutta, Madras and Bombay.

Whereas it is expedient to amend the constitution and practice, and to extend the jurisdiction, of the several Courts established at Calcutta, Madras and Bombay, for the recovery of Small Debts. It is enacted as follows :

I. The several Courts of Commissioners and of Requests, for the recovery of Small Debts, now holden in the towns of Calcutta, Madras and Bombay, under the authority of the Charter of Justice of King George the Second, and of two Acts of Parliament, severally passed in the thirty-seventh year and fortieth year of the reign of King George the Third, and of the Regulations and Proclamations made, from time to time, for constituting, and for new modelling, altering and reforming the constitution and practice of the said Courts respectively, and of Act XII., 1848, shall be holden according to the provisions of this Act, from and after such several days as shall be declared within the said towns by proclamation, to be made and published in due form of law in each of the said towns by the Governor in Council.

II. Where in this Act the words "Governor in Council," or "Supreme Court," are used, they shall be taken to apply severally to the person or persons administering the executive Government, and to the Supreme Court, of each of the Presidencies of Fort William in Bengal, Fort St. George and Bombay, with reference only to the Court holden under this Act, in the same Presidency.

III. From and after the day declared in any such proclamation, all provisions of the said Charter of Justice, and Acts of Parliament, and of any Regulation, Act or Proclamation heretofore made concerning the constitution or practice of the Court, referred to in such proclamation, shall be rescinded and repealed.

IV. The style of the several Courts holden under this Act shall be the () Court of Small Causes, inserting in the blank space, Calcutta, Madras or Bombay, as the case requires.

V. The jurisdiction of the several Courts, holden under this Act, shall extend over the whole district now within the jurisdiction thereof respectively, and over such further district as may, from time to time, be declared by proclamation of the Governor in Council: provided, that no proclamation for extending the district of any of the said Courts be made without the previous sanction of the Governor General of India in Council.

VI. Every Court holden under this Act shall be a Court of Record.

VII. All proceedings commenced in any of the said Courts, before the time when the constitution and practice of such Court shall be altered under this Act, may be continued, executed and enforced against all persons liable thereunto, in the same manner as if they had been commenced according to this Act: and each of the said Courts shall be empowered in any case of doubt as to the proper manner of continuing, executing or enforcing any such proceedings, to make such orders thereon as shall appear to the Court to be necessary for giving full effect to this enactment.

VIII. The Governor in Council shall appoint one, two or three persons to be Judges of the Court, one of whom shall be a Barrister at Law, or Advocate of one of the Supreme Courts of India, or of the Court of Session in Scotland.

IX. No Judge appointed under this Act shall, during his continuance as such Judge, practise as an advocate, attorney, or vakeel in any of the Queen's Courts, or in any Court of the East India Company, or trade or traffic for his own benefit, or for the benefit of any other person, or be the partner of any person so practising, trading, or trafficking.

X. The Governor General of India in Council may remove any such Judge on the application of the Governor in Council.

XI. Any Judge or Judges of the Supreme Court of Judicature, who shall consent to aid in the execution of this Act, may exercise all the powers of a Judge appointed under this Act, and suits may be tried by him under this Act in like manner as if he were a Judge of the Court of Small Causes.

XII. There shall be a Clerk for every Court holden under this Act, whom the Judges of the Court shall appoint, subject to the approval of the Governor in Council; and may remove, subject to the like approval: if necessary, additional Clerks may be appointed with the sanction of the Governor in Council.

XIII. The Clerk of each Court shall issue all summonses, warrants, precepts and writs of execution, and keep an account of all proceedings of the Court, and shall take charge of, and keep an account of all Court fees, and fines payable or paid into Court, and of all monies paid into, and out of Court, and shall enter an account of all such fees, fines, and monies in a book belonging to the Court, to be kept by him for that purpose, and shall monthly, or at such other times as shall be directed by the Governor in Council, submit his accounts to be audited or settled in such manner as the Governor in Council, from time to time, shall direct.

XIV. The Judges of every such Court shall, from time to time, appoint a sufficient number of persons to be Bailiffs of the Court, not exceeding the number, from time to time, allowed by the Governor in Council, and may at their pleasure suspend or dismiss any Bailiff so appointed.

XV. The Bailiffs shall attend every sitting of the Court, for such time as shall be required by the Judges, and shall serve all the summonses and orders, and execute all the warrants, precepts, and writs, issued out of the Court; and shall, in the execution of their duties, conform to all such general rules as shall be, from time to time, made for regulating the proceedings of the Court.

XVI. Every Clerk, or other Officer of any such Court, who shall, by himself or by any partner, or in any way, directly or indirectly be concerned or act as attorney, or vakeel, or be concerned in any trade or profession on his own account, or for any other person, shall forfeit and pay the sum of Five Hundred Rupees to any person who shall sue for the same in the Supreme Court by action of debt or on the case.

XVII. The Clerk and Bailiffs shall give security for such sum, and in such manner and form, as the Governor in Council, from time to time, shall order, for the due performance of their several offices, and for the due accounting for and payment of all monies received by them under this Act, or which they may become liable to pay for any misbehaviour in their office.

XVIII. There shall be payable in the Courts holden under this Act the fees set forth in the annexed Schedule beside the sum of two annas in the rupee on the amount of the sum claimed, which fees shall be paid over to an account to be termed the General Fund of the Court.

XIX. The rateable fee or commission shall be paid by the plaintiff before the summons issues; the other fees on every proceeding shall be paid in the first instance by the plaintiff or party on whose behalf such proceeding is to be had, on or before such proceeding: if the plaintiff recovers a less sum than he has demanded, the defendant shall not, in any case, be required to repay to him more than the fees and commission calculated upon the sum recovered. If the case

is settled by agreement of the parties, before hearing, half the amount of the fees paid up to that time shall be returned to the parties by whom they have been severally paid. The Judges of the said Court may at their discretion grant summonses to poor plaintiffs without deposit, or with a partial deposit of fees, and commission, and also may remit costs wholly or partially to poor suitors.

XX. The Governor in Council may, at any time, lessen the amount of the fees to be taken in the Courts holden under this Act in such manner as to him shall seem fit, and may again increase such fees, so that the scale of fees given in this Act be not in any case surpassed.

XXI. The Governor in Council, shall, from time to time, make such rules as to him shall seem meet for securing the balances, and other sums of money in the hands of any Officers of every Court holden under this Act, and for the due accounting for and application of all such balances and other sums of money.

XXII. The Courts shall sit daily, except on Sundays, Christmas-day, and Good Friday, and on Native or other Holidays, which the Governor in Council shall direct the Court to observe; and each of the Judges may sit apart from the others or with either of them, at the same time or at different times; and any one or two of the said Judges so sitting apart shall have all the judicial authority, which is herein given to all the Judges.

XXIII. A Seal shall be made for every Court holden under this Act, under the direction of the Governor in Council, and all summonses and other process issuing out of the Court shall be sealed or stamped with the seal of the Court; and every person, who shall forge the seal or any process of the Court, or who shall serve or enforce any such forged process, knowing the same to be forged, or deliver or cause to be delivered to any person any paper falsely purporting to be a copy of any summons, or other process of the said Court, knowing the same to be false, or who shall act or profess to act under any false colour or pretence of the process of the said Court, shall be guilty of felony.

XXIV. All suits, where the debt or damage claimed or value of the property in dispute is not more than Five Hundred Rupees, whether on balance of account or otherwise, may be brought in the Court of Small Causes; and all such suits brought in the said Court shall be heard and determined in a summary way. Provided always, that the Court shall not have jurisdiction in any matter concerning the revenue, or concerning any Act ordered or done by the Governor, or Governor General, or any Member of the Council of India, or of any Presidency in his public capacity, or done by any person by order of the Governor General or Governor in Council, or concerning any Act ordered or done by any Judge or Judicial Officer in the execution of his office, or by any person in pursuance of any judgment or order of any Court, or any such Judge or Judicial Officer, or in any suit for libel or slander.

XXV. On the application of any person desirous to bring a suit under this Act, the Clerk of the Court shall issue under the seal of the Court a summons, which shall be numbered, and shall set forth the names of the plaintiff and defendant, the cause of action with such particulars as shall be, from time to time, directed by the Rules of the Court, and the amount sued for, and shall be served on the defendant, so many days before

the day on which the Court shall be holden at which the cause is to be tried as shall be directed by the rules for regulating the practice of the Court; and delivery of such summons to the defendant, or in such other manner as shall be specified in the rules of practice, shall be deemed good service; and no misnomer or inaccurate description of any person or place in any such summons shall vitiate the same, if the person or place be therein described so as to be commonly known.

XXVI. No misstatement of the cause of action in the summons issued under this Act, shall vitiate the same, and the Judges of the Court may, in their discretion, rectify such misstatement as soon as discovered, and alter the record accordingly, and if the defendant, or one of the defendants be present in Court at the time of such discovery, the hearing of the cause after the record shall have been so altered, shall be proceeded with as if no such misstatement had happened, but in the absence of the defendant or of all the defendants a new summons of the same number and date as the original summons shall be issued with the altered statement of the cause of action.

XXVII. All persons shall be deemed within the jurisdiction of the Court, who dwell or carry on their business or work for gain within the district of the Court at the time of bringing the action, or who did so dwell or carry on their business or work therein at the time when the cause of action arose, or within six months before the time of bringing the action for causes of action which arose within the same time.

XXVIII. Any summons or other process of any of the said Courts, service of which is needed out of the district of the Court may be exhibited in any Court of Law, or before any Magistrate, and shall be thereupon endorsed by the Magistrate or Judge of such Court; and, when so endorsed, may be served in like manner as any order or process from such Court or Magistrate; and such service shall be as valid as if the same had been made by the Bailiff of the Court out of which such summons or other process shall have issued within the jurisdiction of the Court for which he acts.

XXIX. Service of any summons or other process of the Court, which shall require to be served out of the district of the Court, may be proved by affidavit, or solemn affirmation, purporting to be sworn or made before any Judge or Magistrate; and, in every case of the unavoidable absence of the Bailiff by whom any summons or other process of the Court has been served, the service of such summons or other process may be proved, if the Judges think fit, in the same manner as a summons served out of the district of the Court.

XXX. Any minor may prosecute a suit in any Court holden under this Act for any sum of money not greater than Five Hundred Rupees, which may be due to him for wages or piecework, or for work as a servant, in the same manner as if he were of full age.

XXXI. The jurisdiction of the Court shall extend to the recovery of any demand, not exceeding the sum of Five Hundred Rupees, which is the whole or part of the unliquidated balance of a partnership account, or the amount or part of the amount of a distributive share under an intestacy, or of any legacy under a will.

XXXII. Any executor or administrator may sue and be sued in any Court holden under this Act, in like manner as if he were a party in his own

right; and judgment and execution shall be such as in the like case would be given or issued in the Supreme Court in the like case: but no executor or administrator shall be summoned in that capacity within six months after the death of the person, whose executor or administrator he is.

XXXIII. A plaintiff shall not be allowed to divide any cause of action, for the sake of bringing two or more suits in any of the said Courts; but any plaintiff, having cause of action for more than Five Hundred Rupees, may abandon the excess, which shall be entered in the Plaint book and stated in the summons, and thereupon the plaintiff shall, on proving his case, recover to an amount not exceeding Five Hundred Rupees; and the judgment of the Court shall be in full discharge of all demands in respect of such cause of action; and entry of the judgment shall be made accordingly.

XXXIV. The Governor General, and Members of the Supreme Council of India, the Governors and Members of Council of the Presidencies of Fort William in Bengal, Fort St. George and Bombay respectively, and the Chief Justices and Judges of the several Supreme Courts established therein by Royal Charter, shall not be liable to arrest, or imprisonment by process issuing out of any Court holden under this Act, and no writ or process shall be sued out of the said Court against any of the persons privileged by Act No. I., 1844, or Act No. XVIII. 1848, without the consent of the Governor in Council.

XXXV. Where any plaintiff shall have any demand recoverable under this Act, whether founded on contract or wrong, against two or more persons jointly answerable, it shall be sufficient if any of such persons be served with process, and judgment may be obtained and execution issued against the person or persons so served, notwithstanding that others, jointly liable, may not have been served or sued, or may not be within the jurisdiction of the Court; and every such person against whom judgment shall have been obtained under this Act, and who shall have satisfied such judgment, shall be entitled to demand and recover in the Court, holden under this Act, contribution from any other person jointly liable with him; and in all cases of misjoinder of defendants, the Judges may order the suit to proceed against such of the defendants only against whom cause of action appears, and may give judgment against them only; giving also judgment for costs for the defendants improperly joined.

XXXVI. The Judges of the Court shall be empowered to determine all questions as well of fact as of law, in all cases which they have authority to try.

XXXVII. On the day in that behalf named in the summons, the plaintiff shall appear, and thereupon the defendant shall be required to appear to answer; and on answer being made in Court, the Judges shall proceed in a summary way to try the cause, and give judgment, without further pleading or formal joinder of issue.

XXXVIII. A defendant, having any cause of action against the plaintiff, whether or not the same exceeds five hundred rupees, shall be entitled to set the same against the plaintiff's demand, and if judgment is given in such case for the plaintiff, shall be entitled to sue the plaintiff for the balance only of his original demand; after deducting the amount of debt or damages and costs recovered against him under this Act.

XXXIX. The Judges may, in any case, with the consent of both parties to the suit, order the same, with or without other matters within the jurisdiction of the Court in dispute between such parties, to be referred to arbitration, to such person or persons, and in such manner, and on such terms as they shall think reasonable and just; and such reference shall not be revocable by either party, except by consent of the Judges; and the award of the arbitrator or arbitrators or umpire shall be entered as the judgment in the cause, and shall be as binding and effectual to all intents, as if given by the Judges; provided, that the Judges may, if they think fit, on application to them at the first Court held after the expiration of one week, after the entry of such award, set aside any such award, or may, with the consent of both parties, revoke the reference, or order another reference to be made in the manner aforesaid.

XL. The Judges of each Court, holden under this Act, subject to the approval of the Judges of the Supreme Court, shall have power to make and issue all the general rules for regulating the practice and proceedings of the Court, and also to frame forms for every proceeding in the Court for which they shall think it necessary that a form be provided, and also for keeping all books, entries, and accounts to be kept by the Clerk of the Court, and, from time to time, to alter any such rule or form; and the rules so made and the forms so framed, shall be observed and used in the Court of that Presidency, and shall be sent to the Supreme Court for approval, but shall be of force until disapproved; and in any case, not expressly provided for herein, or by the said rules, the general principles of practice in the Supreme Court may be adopted and applied at the discretion of the Judges, to actions and proceedings in their Court.

XLI. If upon the day of the return of any summons, or at any continuation or adjournment of the said Court, or of the cause for which the said summons shall have been issued, the plaintiff shall not appear, the cause shall be struck out; and if he shall appear, but shall not make proof of his demand to the satisfaction of the Court, the Judges may nonsuit the plaintiff or give judgment for the defendant; and, in either case, where the defendant shall appear and shall not admit the demand, may award to the defendant, by way of costs and satisfaction for his trouble and attendance, such sum as they, in their discretion, shall think fit; and such sum shall be recoverable from the plaintiff by such ways and means as any debt or damage ordered to be paid by the same Court can be recovered: provided always, that if the plaintiff shall not appear when called upon, and the defendant, or some one duly authorized on his behalf, shall appear, and admit the cause of action to the full amount claimed, and pay the fees payable in the first instance by the plaintiff, the Court, if it shall think fit, may proceed to give judgment, as if the plaintiff had appeared.

XLII. If on the day so named in the summons, or at any continuation or adjournment of the Court, or cause in which the summons was issued, the defendant shall not appear or sufficiently excuse his absence, or shall neglect to answer when called in Court, the Judges, upon due proof of service of the summons, may issue a writ of attachment to compel the appearance of the defendant; or, in their discretion, may proceed to the hearing or trial of the cause on the

Part of the plaintiff only; and the judgment thereupon shall be as valid as if both parties had attended; Provided always, that the Judges in any such case, at the same or any subsequent Court, may set aside any judgment so given in the absence of the defendant, and the execution thereupon; and may grant new trial of the cause, upon such terms, as to payment of costs, giving security for debt or costs, or otherwise, as they think fit, on sufficient cause shown to them for that purpose.

XLIII. The Judges may in any case make orders for granting time to the plaintiff or defendant to proceed in the prosecution or defence of the suit, and also may, from time to time, adjourn any Court, or the hearing or further hearing of any cause, in such manner as to them may seem fit.

XLIV. The defendant in any action brought under this Act, for the recovery of money, whether for debt or damages, within such time as shall be directed by the rules for regulating the practice of the Court, may pay into Court such sum of money as he shall think a full satisfaction for the demand of the plaintiff, with the costs incurred by the plaintiff up to the time of such payment; and the said sum of money shall be paid to the plaintiff; but, if he shall elect to proceed, and, if the plaintiff shall recover no further sum in the action than shall have been so paid into Court, the plaintiff shall pay to the defendant the costs incurred by him in the said action after such payment; and such costs shall be settled by the Court, and an order shall thereupon be made by the Court for the payment of such costs by the plaintiff.

XLV. On the hearing or trial of any action or any other proceeding under this Act the parties thereto, their wives, and all other persons, may be examined, on behalf of either the plaintiff or defendant, subject nevertheless to the Acts and Regulations in force, with respect to the examination of women of a rank and situation in life, which, according to the customs of the country, would render it improper to compel them to appear in a Court of Justice.

XLVI. Every person shall be examined on oath, or when exempt by law from taking an oath in any Court of Justice, on solemn affirmation and every person, who, in any examination upon oath or solemn affirmation under this Act, shall wilfully and corruptly give false evidence, shall be deemed guilty of perjury.

XLVII. Either of the parties to the suit or any other proceeding under this Act may obtain, at the office of the Clerk of the Court, summonses to witnesses, with or without a clause requiring the production of books, deeds, papers and writings in their possession or control, and in any such summons any number of names may be inserted.

XLVIII. Every person, on whom any such summons shall have been served, either personally or in such other manner as shall be directed by the general rules or practice of the Court, and who shall refuse or neglect, without sufficient cause, to appear, or to produce any books, papers, or writings required by such summons to be produced, and also every person present in Court, who shall be required to give evidence, and who shall refuse to be sworn and give evidence, shall forfeit and pay such fine, not exceeding One Hundred Rupees, as the Judges shall set on him; and the whole or any part of such fine, in the discretion of the Judges, after deducting the costs, may

he applied towards indemnifying the party injured by such refusal or neglect.

XLIX. The Judges of any Court established under this Act, in all suits where the debt or demand exceeds the sum of Thirty Rupees, upon proof before them, that any defendant against whom a summons has been taken out, conceals himself from, or otherwise evades process of the Court, or is disposing of his property and effects with intent to defraud the plaintiff, or his creditors generally, or is about to withdraw his person or effects from the jurisdiction of the Court, may issue a warrant for the apprehension of such person, and may commit him to gaol until he shall find security for his appearance in the said Court from time to time, until judgment shall be pronounced in the suit commenced by such summons, and for payment of the amount and the costs which may be decreed against him therein.

L. Payment of any fine imposed by any Court under the authority of this Act may be enforced upon the order of the Judges, in like manner as payment of any debt adjudged in the said Court, and shall be accounted for as herein provided.

LI. All the costs of any action or proceeding in the Court, not herein otherwise provided for, shall be paid by or apportioned between the parties, in such manner as the Judges shall think fit; and, in default of any special direction, shall abide the event of the action; and execution may issue for the recovery of any such costs, in like manner as for any debt adjudged in the said Court.

LII. Every order and judgment of any Court holden under this Act, except as herein provided, shall be final and conclusive between the parties; but the Judges shall have power to nonsuit the plaintiff, in every case in which satisfactory proof shall not be given to them, entitling either the plaintiff or defendant to the judgment of the Court; and shall also in every case whatever have the power, if they shall think fit, to order a new trial to be had, upon such terms as they shall think reasonable, and in the meantime to stay the proceedings.

LIII. No cause commenced in any Court, holden under this Act, shall be removed from the said Court into the Supreme Court by any writ or process, unless the debt or damage claimed exceeds One Hundred Rupees, and then only by leave of a Judge of the said Supreme Court on proof to his satisfaction that some question of law is likely to arise therein, which, by reason either of its difficulty, novelty or general importance, or of some erroneous course of decision on the same point in the Court of Small Causes may appear to him fit to be tried in the Supreme Court, and upon such terms as to payment of costs, giving security for debt or costs, or otherwise, as he shall think fit.

LIV. The Judges of the Court of Small Causes may, in their discretion, reserve any question of law on which they entertain doubts, or which they shall be requested by either party to the suit to reserve, for the opinion of the Judges of the Supreme Court, and shall give judgment contingent upon the opinion of the said Supreme Court on a case which they shall thereupon be entitled to state to the said Court. If only two Judges sit together, and shall differ in opinion, the question, on which they differ shall be so referred.

LV. The Judges may make orders concerning the time or times, and by what instalments, any debt or damages or costs, for which judg-

ment shall be obtained in the said Court, shall be paid; and all such monies shall be paid into Court, unless the Judges shall otherwise order.

LVI. If there be cross judgments between the parties, execution shall be taken out by that party only, who shall have obtained judgment for the larger sum, and for so much only as shall remain after deducting the smaller sum; and satisfaction for the remainder shall be entered, as well as satisfaction on the judgment for the smaller sum; and, if both sums shall be equal, satisfaction shall be entered upon both judgments.

LVII. Whenever the Court shall have made an order for the payment of money, the amount shall be recoverable, in case of default or failure of payment thereof forthwith, or at the time or times and in the manner directed, by execution against the body or the goods and chattels of the person against whom such order is made without further notice or order; and the Clerk of the said Court, at the request of the person prosecuting such order, shall issue under the seal of the Court a writ of execution to one of the Bailiffs of the Court, which shall be his warrant to take the body of such person in execution, or to levy, or cause to be levied, by distress and sale of the goods and chattels of such person such sum of money as shall be so ordered, wheresoever they may be found within the district of the Court, and also the costs of the execution; and all Constables and other Peace Officers within their several jurisdictions shall aid in the execution of every such writ.

LVIII. If the Court shall have made any order for payment of any sum of money by instalments, execution upon such order shall not issue until after default in payment of some instalment according to such order; and execution or successive executions may then issue without further notice or order for the whole of the said sum of money and costs then remaining unpaid, or for such portion thereof as the Court shall order, either at the time of making the original order, or at any subsequent time, under the seal of the Court.

LIX. Whenever any warrant shall issue for taking in execution the body of any person under this Act, the Bailiffs of the Court shall be empowered, by virtue thereof, to take and convey him to any prison, appointed by the Governor in Council to be the prison of the Court, there to remain for such term as shall be directed by the warrant, not longer than six calendar months, or until he shall sooner perform the order of the Court.

LX. No person shall be imprisoned twice under the same judgment, nor shall execution against the body and goods issue at the same time under the same judgment.

LXI. Every person suing out a warrant of execution against the body of any other person under this Act shall deposit with the Clerk of the Court, at the time of the issue of the warrant, diet money for one week, after the rate of one anna and a half for each day, which shall be paid by the Clerk to the keeper of the prison at the time of the execution of the warrant.

LXII. Notice of the execution of every such warrant shall be forthwith given to the person at whose suit it issued, who shall thereupon deposit with the keeper of the prison, diet money for the remainder of the month in which the warrant is executed, after the same daily rate, and shall con-

tinue thereafter to deposit monthly with the said keeper, in advance, diet money at the same daily rate, for each month which the debtor is liable to be kept in prison at his suit.

LXIII. The diet money shall be employed for the subsistence of the prisoner; and if, by default of the detaining creditor, such diet money is not paid, the prisoner shall be entitled to his discharge by order of the Court.

LXIV. All diet money, which shall be spent in providing subsistence for any prisoner, shall be costs in the cause, and all diet money, which shall not be so spent, shall be repaid to the creditor advancing the same.

LXV. Whenever any prisoner shall offer good and reasonable security for payment of any debt or damage and costs, either in full or by instalments as the Court shall think reasonable, the Court may order him to be discharged on giving such security.

LXVI. Upon payment of the debt or damage and costs in full, the prisoner shall be entitled to be forthwith discharged.

LXVII. If the debt or damage and costs are not paid, the imprisonment shall not extinguish the liability to pay the same; but all property then belonging to or afterwards acquired by the prisoner shall be liable to be taken in execution after his discharge from prison for satisfaction thereof, or of so much thereof as is not paid, including the diet money actually expended for subsistence of the prisoner.

LXVIII. Every Bailiff executing any process of execution issuing out of the said Court against the goods of any person, may, by virtue thereof, seize and take any of the goods of such person, (excepting the necessary wearing apparel and bedding of such person or his family, and the tools and implements of his trade,) and may also seize and take any money or bank Notes, and any cheques, bills of exchange, promissory notes, bonds, specialties or securities for money belonging to any such person against whom any execution shall have issued as aforesaid.

LXIX. The Bailiff shall forthwith deliver any cheques, bills of exchange, promissory notes, bonds, specialties, or other securities for money, which shall have been so seized or taken as aforesaid, to the Clerk or other person appointed by the Judges to receive the same, who shall hold them as a security or securities for the amount directed to be levied by such execution, or so much thereof as shall not have been otherwise levied or raised for the benefit of the plaintiff; and the plaintiff may sue in the name of the defendant, or in the name of any person in whose name the defendant might have sued, for the recovery of the sum or sums secured, or made payable thereby, when the time of payment thereof shall have arrived.

LXX. If it shall, at any time, appear to the satisfaction of the Court that any defendant is unable, from sickness or other sufficient cause, to pay and discharge the debt or damages recovered against him, or any instalment thereof ordered to be paid as aforesaid, the Judges, in their discretion, may suspend or stay any Judgment, order or execution given, made or issued in such action, for such time and on such terms as they shall think fit, and so, from time to time, until it shall appear by the like proof as aforesaid that such temporary cause of disability has ceased.

LXXI. No sale of any goods, which shall be taken in execution as aforesaid shall be made, until after the end of five days at least next following the day on which such goods have been so taken, unless such goods be of a perishable nature, or upon the request, in writing, of the party whose goods have been taken.

LXXII. Until such sale the goods shall be deposited by the Bailiff by whom they were taken in some fit place, or they may remain in the custody of a fit person approved by the Judges to be put in possession by the Bailiff.

LXXIII. The Judges, from time to time, as they shall think proper, may appoint such and so many persons for keeping possession, and so many of their Bailiffs or other fit persons to be sworn brokers and appraisers for the purpose of selling or valuing any goods, chattels or effects taken in execution under this Act, as shall appear to them to be necessary, and may direct security to be taken from each of them, for such sum and in such manner as they shall think fit, for the faithful performance of their duties, without injury or oppression; and the Judges may dismiss any person, broker or appraiser so appointed.

LXXIV. No goods taken in execution under this Act shall be sold for the purpose of satisfying the warrant of execution; except by one of the brokers or appraisers so appointed.

LXXV. The costs to be demanded or taken for such appraisement, and sale shall be one anna in the rupee on the produce of the goods sold; and the Judges may apply the sum so raised as costs towards payment of the contingent charges and remuneration of the said brokers and appraisers in such manner as shall be approved by the Governor in Council.

LXXVI. The Clerk of the Court shall keep an account of all sums received upon such sales, distinguishing the amount paid to the party entitled to the benefit of the execution, and the amount levied and retained as costs, and also of all sums allowed to the brokers and appraisers upon such sales.

LXXVII. Whenever any defendant against whom judgment shall have been given in the Court of Small Causes, shall go before execution thereof out of the jurisdiction of the Court, the Judge of any zillah or town where he shall be found, upon receiving from the plaintiff either in person or by vakeel, an application in writing setting forth these facts, with a duly authenticated copy of the judgment of the Court, shall execute the said judgment in the manner prescribed by law for execution of his own decrees; unless the defendant shall allege any reasonable cause, why the judgment should not be executed, and shall give security to such amount as the Judge of such zillah or town shall deem reasonable, that he will, within such time as shall be allowed him for that purpose, either satisfy the judgment, or produce a duly authenticated copy of an order of the Judges of the Court of Small Causes, discharging their former judgment.

LXXVIII. No judgment or execution shall be stayed, delayed or reversed upon or by any writ of error or *supersedeas* thereon, to be sued for the reversing of any judgment given in any Court holden under the provisions of this Act, unless the amount recovered exceeds One Hundred Rupees, and then only after the person suing out such writ shall become bound with two sufficient sureties to be approved by the Clerk of the Court,

in treble the sum adjudged to be recovered in the former judgment, to prosecute the said writ with effect, and also to satisfy and pay, (if the writ be not prosecuted, or if the judgment be affirmed), the debt or damages and costs adjudged, and all costs and damages to be awarded for the delay of execution.

LXXIX. Upon every warrant of execution issued against the goods and chattels of any person, the Clerk of the Court shall cause to be stated the sum of money and costs adjudged with the sum paid for such warrant; and if the party against whom such execution shall be issued shall, before an actual sale of the goods and chattels, pay or cause to be paid or tendered unto the Clerk of the Court, or to the Bailiff holding the warrant of execution such sum of money and costs, as aforesaid, or such part thereof as the person entitled thereto shall agree to accept in full of his debt or damages and costs, together with the fees herein directed to be paid, the execution shall be superseded, and the goods and chattels of the said party shall be discharged and set at liberty.

LXXX. The Clerk of every Court holden under this Act shall cause a record of all summonses, and of all orders, and of all judgments and executions, and returns thereto, and of all fines, and of all other proceedings of the Court, to be fairly entered, from time to time, in a book or books belonging to the Court, which shall be kept at the Office of the Court; and shall be duly authenticated by one or more of the Judges; and such entries in the said book or books or a copy thereof bearing the seal of the Court, and purporting to be signed and certified as a true copy by the Clerk of the Court, shall be admitted in all Courts and places as evidence of such entries, and of the proceeding referred to by such entry or entries, and of the regularity of such proceeding, without any further proof.

LXXXI. The Clerk of every such Court shall, in the month of *March*, in each year, make out a correct list of all sums of money belonging to suitors in the Court, which shall have been paid into Court, and which shall have remained unclaimed for five years before the first day of the month of *January* then last past, specifying the names of the parties for whom or on whose account the same were so paid into Court; and a copy of such list shall be put up and remain during Court hours in some conspicuous part of the Court house, and at all times in the Clerk's Office; and all sums of money which shall have been paid into any such Court, to the use of any suitor or suitors thereof, and which shall have remained unclaimed for the period of six years before the passing of this Act, and which are now in the hands of any Commissioner or Officer of such Court, or otherwise held in trust for such suitors, and all further sums of money, which shall hereafter be paid into such Court to the use of any suitor or suitors thereof, shall, if unclaimed for the period of six years after the same shall have been so paid into Court, be applicable as part of the fees receivable on account of the Court, and shall be carried to the same account; and no person shall be entitled to claim any sum which shall have remained unclaimed for six years; but no time during which the person entitled to claim such sum shall have been an infant or married woman or of unsound mind, or out of the Territories under the Government of the East India Company, shall be taken into account in estimating the said period of six years.

LXXXII. If any person shall wilfully insult any Judge, Clerk or Officer of the said Court, for the time being, during his sitting or attendance in Court, or shall wilfully interrupt the proceedings of the Court, or otherwise misbehave in Court, it shall be lawful for any Bailiff or Officer of the Court, with or without the assistance of any other person, by the order of the Judges to take such offender into custody, and detain him until the rising of the Court; and the Judges shall be empowered, if they shall think fit, by a warrant under their hands, and sealed with the seal of the Court, to commit any such offender to any prison to which they have power to commit offenders under this Act, for any time, not exceeding seven days, or to impose upon any such offender a fine, not exceeding Fifty Rupees for every such offence, and in default of payment thereof to commit the offender to any such prison as aforesaid, for any time, not exceeding seven days, unless the said fine be sooner paid, or instead of inflicting summary punishment under this Act may cause the offender to be indicted in the Supreme Court, if the offence be an indictable misdemeanour.

LXXXIII. If any Officer or Bailiff of any Court holden under this Act shall be assaulted while in the execution of his duty, or if any rescue shall be made or attempted to be made of any person arrested, or goods levied under process of the Court, the person so offending shall be liable to a fine, not exceeding One Hundred Rupees, to be recovered by order of the Court, or before a Magistrate as hereinafter provided; and the Bailiff of the Court, or any Peace Officer in any such case, may take the offender into custody, (with or without warrant,) and bring him before such Court, or Magistrate accordingly.

LXXXIV. If any Bailiff of the said Court, who shall be employed to execute any warrant of the Court, shall, by neglect, or connivance or omission, lose an opportunity of executing such warrant, then upon complaint of the party aggrieved by reason of such neglect, connivance or omission, (and the fact alleged being proved to the satisfaction of the Court,) the Judges shall order the Bailiff to pay such damages as it shall appear that the plaintiff has sustained thereby, not exceeding in any case the sum of money for which the said execution is issued, and the Bailiff shall be liable thereto; and upon demand made thereof, and on his refusal so to pay and satisfy the same, payment thereof shall be enforced by such ways and means as are herein provided for enforcing a judgment recovered in the said Court, without prejudice nevertheless to the execution of the original warrant.

LXXXV. If any Clerk, Bailiff or Officer of the Court, acting under colour or pretence of the process of the said Court, shall be charged with extortion or misconduct, or with not duly paying or accounting for any money levied by him under the authority of this Act, the Judges may inquire into such matter in a summary way, and for that purpose may summon and enforce the attendance of all necessary parties in like manner as the attendance of witnesses in any case may be enforced, and may make such order thereupon for the repayment of any money extorted, or for the due payment of any money so levied as aforesaid, and for the payment of such damages and costs, as they shall think just; and also, if they shall think fit, may impose such fine upon the Clerk, Bailiff or Officer, not exceeding One Hundred Rupees for each offence, as they shall deem adequate; and in default of payment of

any money so ordered to be paid, payment of the same may be enforced by such ways and means as are herein provided for enforcing a judgment recovered in the said Court.

LXXXVI. Every Clerk, Bailiff or other Officer employed in putting this Act or any of the powers thereof in execution, who shall wilfully and corruptly exact, take or accept any fee or reward whatsoever, other than his lawful salary, for any thing done or to be done by virtue of this Act, or on any account whatsoever, relative to putting this Act into execution, shall, upon proof thereof before the said Court, and in the case of a Clerk, on confirmation of the finding of the Court by the Governor in Council, be for ever incapable of serving, or being employed under this Act in any office of profit or emolument, and shall also be liable for damages as herein provided.

LXXXVII. If any claim shall be made to, or in respect of, any goods or chattels taken in execution under the process of any Court holden under this Act, or in respect of the proceeds or value thereof, by any person not being the party against whom such process has issued, the Clerk of the Court, upon application of the Officer charged with the execution of such process, as well before as after any action brought against such Officer, may issue a summons calling before the said Court, as well the party issuing such process as the party making such claim, and thereupon any action, which shall have been brought in the Supreme Court in respect of such claim, shall be stayed, and any Judge of the Supreme Court on proof of the issue of such summons, and that the goods and chattels were so taken in execution, may order the party bringing such action to pay the costs of all proceedings, had upon such action after the issue of such summons out of the Court of Small Causes, and the Judges of the Court of Small Causes shall adjudicate upon such claim and make such order between the parties in respect thereof, and of the costs of the proceedings as to them shall seem fit, and such order shall be enforced in like manner as any order made in any suit brought in such Court.

LXXXVIII. The powers of Act No. VII. 1847, to regulate distresses for small rents in Calcutta, shall be extended to the recovery of all arrears of rent not exceeding Five Hundred Rupees, and the Judges of every Court of Small Causes under this Act shall be empowered to exercise within their several jurisdictions the extended powers of the said Act; and the said Act shall be construed as if instead of Calcutta and the Settlement of Fort William in Bengal, the limits of the jurisdiction of the Court had been therein mentioned, and the Judges of the Court of Small Causes under this Act instead of the Commissioners of the Court therein mentioned, and the amount of Five Hundred Rupees instead of One Hundred Rupees, and the forms contained in the Schedule annexed to the said Act shall be altered accordingly, and shall refer to this Act instead of Act No. VII. 1847.

LXXXIX. The affidavit of arrear required by the said Act No. VII., 1847, may in every case be made either by the person entitled to such arrear or by his or her lawfully constituted attorney, and a warrant of distress may issue on such affidavit.

XC. Where any person shall hold or occupy any house, land, or tenement, of which the value or the rent payable in respect thereof, does not exceed the rate of Five Hundred Rupees by the year, without leave of the owner, or under a lease or agreement which is ended, or duly determined by a legal notice to quit, and such

tenant, or, if such tenant do not actually occupy the premises or occupy only a part thereof, any person by whom the same or any part thereof shall be then actually occupied, shall neglect or refuse to quit and deliver up possession of the premises, or of such part thereof respectively, the owner or his agent may take out a summons from the Court directed to such tenant or occupier, to show by what title he claims to hold or occupy the premises or part thereof.

XCI. If the tenant or occupier shall not thereupon appear at the time and place appointed, and show cause to the contrary, and shall still neglect or refuse to deliver up possession of the premises, or of such part thereof, of which he is then in possession, to the said owner or his agent, such owner or agent may give to the Court proof of the holding, and of the end or other determination of the tenancy, if any had existed, with the time or manner thereof, and of the right by which he claims the possession.

XCII. Upon proof of due service of the summons, and of the neglect or refusal of the tenant or occupier, as the case may be, the Judges may issue a warrant under the seal of the Court, to any Bailiff of the Court requiring and authorizing him within a period to be therein named not less than seven, or more than ten clear days from the date of such warrant, to give possession of the premises to such owner or agent, and such warrant shall be a sufficient warrant to the said Bailiff to enter upon the premises with such assistants as he shall deem necessary, and to give possession accordingly: Provided always, that entry upon any such warrant shall not be made on a *Sunday, Good-Friday, or Christmas-day*, or any other day observed by the Court as a Holiday, or at any time except between the hours of six in the morning and six in the afternoon: Provided also, that nothing herein contained shall be deemed to protect any person by whom any such warrant shall be sued out of the Court of Small Causes from any action which may be brought against him by any such tenant or occupier for such entry and taking possession, where such person had not, at the time of suing out the same as aforesaid, lawful right to the possession of the same premises.

XCIII. Such summons as last aforesaid may be served either personally, or by leave of the Court upon proof that the tenant or occupier is not to be found within the jurisdiction of the Court, by leaving the same with some person, being in and apparently residing at the place of abode of the person or persons so holding over as aforesaid; or if the place of abode of such person or persons shall either not be known or admission thereto cannot be obtained for serving such summons, by posting the said summons on some conspicuous part of the premises so held over.

XCIV. No action or prosecution shall be maintainable against the Judges or against the Clerk of the Court, by whom such warrant as aforesaid shall have been issued, or against any Bailiff or other person by whom such warrant may be executed or summons affixed, for issuing such warrant, or executing the same respectively, or affixing such summons, by reason that the person by whom the same shall be sued out had not lawful right to the possession of the premises.

XCV. Where the owner at the time of applying for such warrant as aforesaid had lawful right to the possession of the premises, or of the

part thereof so held over as aforesaid, neither the said owner nor his agent, nor any other person acting in his behalf, shall be deemed to be a trespasser, by reason merely of any irregularity or informality in the mode of proceeding for obtaining possession under the authority of this Act; but the party aggrieved may, if he think fit, bring an action on the case for such irregularity or informality, in which the damage, alleged to be sustained thereby, shall be specially laid, and may recover full satisfaction for such special damage with costs of suit: Provided that, if the special damage so laid be not proved, the defendant shall be entitled to a verdict, and that, if proved, but assessed at any sum, not exceeding Ten Rupees, the plaintiff shall recover no more costs than damages, unless the Judge, before whom the trial shall have been holden, shall certify that in his opinion full costs ought to be allowed.

XCVI. In every case in which the person by whom any such warrant shall be sued out of the Court of Small Causes, had not at the time of suing out the same lawful right to the possession of the premises, the suing out of any such warrant as last aforesaid, shall be deemed a trespass by him against the tenant or occupier of the premises, although no entry shall be made by virtue of the warrant; and in case any such tenant or occupier will become bound with two sufficient Sureties, to be approved by the Clerk of the Court, in such sum as to the Judges shall seem reasonable, regard being had to the value of the premises and to the probable cost of such action, to sue the person by whom such warrant was sued out with effect and without delay, and to pay all the costs of the proceeding in such action, in case a verdict shall pass for the defendant, or the plaintiff shall discontinue or not prosecute his action, or become nonsuit therein, execution upon the warrant shall be stayed until judgment shall have been given in such action of trespass; and, if upon the trial of such action of trespass, judgment be given for the plaintiff, such judgment shall supersede the said warrant.

XCVII. Recovery of the possession of any such house, land or tenement shall be no bar to the institution of a regular suit for trying the title thereunto, which may be brought in the Supreme Court as if this Act had not been passed.

XCVIII. Every bond given on the removal of any action out of the Court of Small Causes or upon staying, delaying, or reversing any judgment or execution awarded therein, or the execution of any such warrant of possession as aforesaid, or on moving for a new trial, or to set aside a verdict, judgment or nonsuit, shall be made to the other party to the action, and shall be approved by the Judges and attested under the seal of the Court; and if the bond so taken be forfeited, or if upon the proceeding for securing which such bond was given, the Judge before whom such proceeding shall be had shall not certify upon the record in Court, that the condition of the bond hath been fulfilled, the party to whom the bond shall have been so made may bring an action of debt and recover thereon: Provided always, that the Court in which such action as last aforesaid shall be brought may, by a rule of Court, give such relief to the parties liable upon such bond as may appear to him reasonable, and such rule shall have the nature and effect of a deforcance to such bond.

XCIX. All actions and proceedings, which before the passing of this Act might have been brought in the Supreme Court, where any Officer

of the Court of Small Causes shall be a party, except in respect of any claim to any goods and chattels taken in execution of the process of the Court, or the proceeds or value thereof, may be brought and determined in the Supreme Court, at the election of the party suing or proceeding, as if this Act had not been passed.

C. If any action shall be commenced after the passing of this Act in the Supreme Court, for any cause other than those lastly herein before specified, for which a summons might have been taken out from a Court holden under this Act, and a verdict shall be found for the plaintiff for a sum less than Five Hundred Rupees, if the said action is founded on contract, or less than One Hundred Rupees, if it is founded on wrong, the plaintiff shall have judgment to recover such sum only, and no costs; and if a verdict shall not be found for the plaintiff the defendant shall be entitled to his costs as between attorney and client, unless in either case the Judge, who shall try the cause, shall certify on the back of the record that by reason of the difficulty novelty or general importance of the case, or of some erroneous course of decision on like cases in the Court of Small Causes the action was fit to be brought in the Supreme Court.

CI. If any person shall bring any suit in the Supreme Court in respect of any grievance committed by the Clerk, Bailiff, or Officer of any Court holden under this Act, under colour or pretence of the process of the said Court, and upon the trial of the action, no greater damages shall be found for the plaintiff than the sum of Five Hundred Rupees, no costs shall be awarded to the plaintiff in such action unless the Judge shall certify in Court upon the back of the Record, that the action was fit to be brought in the Supreme Court.

CII. All penalties, fines and forfeitures by this Act, inflicted or authorized to be imposed, (the manner of recovering and applying whereof is not hereby otherwise particularly directed), upon proof before any Justice of the Peace or Magistrate having jurisdiction where the offender shall reside or be, or the offence shall be committed, either by the confession of the party offending, or by the oath or affirmation of any credible witness, shall be levied, with the costs attending the summons and conviction, by distress and sale of the goods and chattels of the party offending, by warrant under the hand of any such Justice or Magistrate, and the overplus (if any) after such penalties, fines and forfeitures, and the charges of such distress and sale are deducted, shall be returned, upon demand, unto the owner of such goods and chattels.

CIII. If any such penalties, fines and forfeitures respectively, shall not be paid forthwith upon conviction, it shall be lawful for such Justice or Magistrate to order the offender so convicted to be detained in safe custody until return can conveniently be made to such warrant of distress; unless such offender shall give sufficient security to the satisfaction of such Justice or Magistrate for his appearance before him on such day as shall be appointed for the return of such warrant of distress, such day not being more than eight days from the time of taking any such security, which security the Justice or Magistrate shall be empowered to take by way of recognizance or otherwise, as to him shall seem fit.

CIV. If upon return of such warrant it shall appear that no sufficient distress can be had

thereupon, or in case it shall appear to the satisfaction of the Justice or Magistrate either by confession of the offender or otherwise that he hath not within the jurisdiction of such Justice or Magistrate sufficient goods and chattels, whereon to levy all such penalties, forfeitures, costs and charges, the Justice or Magistrate may, at his discretion, without issuing any warrant of distress, commit the offender to the Common Gaol or House of Correction, for any time not exceeding three calendar months, unless such penalties, forfeitures and fines, and all reasonable charges attending the recovery thereof, shall be sooner paid and satisfied.

CV. The monies arising from any such penalties, forfeitures and fines as aforesaid when paid and levied, shall, (if not by this Act directed to be otherwise applied,) be from time to time paid to the Clerk of the Court, and shall be applied in like manner as the fees thereof.

CVI. In all cases in which by this Act any penalty or forfeiture is made recoverable before a Justice or Magistrate, he may summon before him the party complained against, and on such summons may hear and determine the matter of such complaint; and, on proof of the offence, may convict the offender, and adjudge him to pay the penalty or forfeiture incurred, and proceed to recover the same, although no information in writing shall have been exhibited before him; and all such proceedings by summons without information in writing shall be as valid and effectual to all intents and purposes, as if an information in writing had been exhibited.

CVII. In all cases where any conviction shall be had for any offence committed against this Act, the form of conviction may be in the words or to the effect following: (that is to say,) "Be it remembered that on this day of in the year A. B. is convicted before a Magistrate (or before a Judge appointed under Act of 1849) of having (*state the offence*;) and I (*or we*) the said do adjudge the said to forfeit and pay for the same the sum of [or to be committed to for the space of] given under hand () and seal () the day and year aforesaid."

CVIII. No order, verdict, or judgment or other proceeding, made concerning any of the matters aforesaid, shall be quashed or vacated for want of form.

CIX. Where any distress shall be made for any sum of money to be levied by virtue of this Act, the distress itself shall not be deemed unlawful, nor the party making the same be deemed a trespasser, on account of any defect or want of form in the information, summons, conviction, warrant of distress, or other proceeding relating thereto, nor shall the party distraining be deemed a trespasser from the beginning, on account of any irregularity which shall afterwards be committed by the party so distraining, but the person aggrieved by such irregularity may recover full satisfaction for the special damage in an action upon the case.

CX. All actions and prosecutions to be commenced against any person for any thing done in pursuance of this Act, shall be commenced within three calendar months after the fact committed, and not afterwards, and notice in writing of such action, and of the cause thereof shall be given to the defendant one calendar month at least before the commencement of the action; and no plaintiff shall recover in any such action, if tender of sufficient amends shall have been made before such action is brought, or if after action brought, a sufficient sum of money shall have been paid into Court, with costs by or on behalf of the defendant.

General Orders by the Most Noble the Governor General of India.

Simla, 18th October, 1849.

The Most Noble the Governor General of India is pleased to direct, that the following Extract from a despatch from the Hon'ble the Court of Directors, No. 11, dated 1st August 1849, shall be published for the information of the Army:

"Entirely participating in these sentiments, we agree with you, that in commemoration of

"their Services, a Medal should be granted to every Officer and Soldier, who has been employed within the Punjaub in the late Campaign."

The Hon'ble the Court of Directors in a subsequent dispatch, No. 15, dated the 22nd August 1849, have been pleased to direct, that "a Bar should be added to the Medal for those who served at Mooltan, and another for those who were present at Goojerat."

The Most Noble the Governor General of India is pleased to direct, that the following Extract from a Military Letter, from the Hon'ble the Court of Directors to the Governor General of India in Council, No. 10, of 1849, shall be published for the information of the Army:

Extract of Military Letter, No. 10, of 1849.

"You will therefore forthwith pay to the Commander-in-Chief, the Generals and the other Officers, Non-Commissioned Officers and Privates, who served in the Punjaub during the Campaign, a Donation equal to six months' full Batta; on the understanding that, if hereafter any Booty, which may have been captured in this Campaign, shall be made over to them, there shall be deducted, from any share of such Prize Money which may become payable to any individual, a sum equivalent to the Batta paid to him under these instructions, unless such share shall be of less value than that sum. In the latter case, all that will be repaid to our Treasury will be the amount of the Prize Money, however small it may be."

The Governor General directs, that the Donation of six months' full Batta, granted by the

Hon'ble the Court of Directors, shall be payable on or after the 1st of January 1850, in order that all claims may be audited before payment.

The Punjaub having now become a British Province, the Troops will, from the dates herein-after mentioned, receive the same rates of Pay and Allowances as in the other Provinces of the Presidency of Fort William in Bengal.

2. The Troops, which shall cross to the West of the Sutledge and Beas, after the date of this order, shall receive the usual Marching and Cantonment rates receivable in other Divisions of the Army; with the exception of Troops, who may be stationed across the River Indus.

3. These Troops, being on the extreme Frontier of a newly-conquered country, and required to be in constant readiness to move at a moment's notice, will for the present, and until further orders, be allowed extra or Field Batta, in addition to the Pay and Batta receivable in Cantonments in the other Divisions of the Army.

4. The Native Mustered Establishments, including Dooly Bearers and others attached to Troops, stationed across the Indus, will, in like manner, receive Field Batta when so serving.

5. The Troops now serving in the Punjaub will continue to receive Scinde Allowances, until, in the course of relief, they shall cross to the Eastward of the Sutledge or Beas.

6. Natives attached to Troops and Companies of European Artillery now serving in the Punjaub, and who may not be relieved, will continue to receive Scinde Allowance till the 1st of January 1850.

By order of the Hon'ble the President in Council,

No. 7.

Fort William, Financial Department,
the 31st March, 1849.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

Published by order of the Hon'ble the President in Council,

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dāk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply estables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will

punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually

until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests

after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below :

*Fort William, Home Department, Legislative,
the 20th October, 1849.*

The following Extract from the Proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 20th October, 1849, is published for general information.

Read a second time the Draft of a proposed Act, dated the 12th May, 1849, and published in the *Calcutta Gazette*, of the 23d May, 1849, for the more easy recovery of Small Debts and Demands in Calcutta, Madras and Bombay.

Resolution.—The President in Council resolves that the following amended Draft on the subject, be published for general information :

ACT No. — OF 1849.

An Act for the more easy recovery of Small Debts and Demands in Calcutta, Madras and Bombay.

Whereas it is expedient to amend the constitution and practice, and to extend the jurisdiction, of the several Courts established at Calcutta, Madras and Bombay, for the recovery of Small Debts, It is enacted as follows :

I. The several Courts of Commissioners and of Requests, for the recovery of Small Debts, now holden in the towns of Calcutta, Madras and Bombay, under the authority of the Charter of Justice of King George the Second, and of two Acts of Parliament, severally passed in the thirty-seventh year and fortieth year of the reign of King George the Third, and of the Regulations and Proclamations made, from time to time, for constituting, and for new modelling, altering and reforming the constitution and practice of the said Courts respectively, and of Act XII., 1848, shall be holden according to the provisions of this Act, from and after such several days as shall be declared within the said towns by proclamation, to be made and published in due form of law in each of the said towns by the Governor in Council.

II. Where in this Act the words "Governor in Council," or "Supreme Court," are used, they shall be taken to apply severally to the person or persons administering the executive Government, and to the Supreme Court, of each of the Presidencies of Fort William in Bengal, Fort St. George and Bombay, with reference only to the Court holden under this Act, in the same Presidency.

III. From and after the day declared in any such proclamation, all provisions of the said Charter of Justice, and Acts of Parliament, and of any Regulation, Act or Proclamation heretofore made concerning the constitution or practice of the Court, referred to in such proclamation, shall be rescinded and repealed.

IV. The style of the several Courts holden under this Act shall be the () Court of Small Causes, inserting in the blank space, Calcutta, Madras or Bombay, as the case requires.

V. The jurisdiction of the several Courts, holden under this Act, shall extend over the whole district now within the jurisdiction thereof respectively, and over such further district as may, from time to time, be declared by proclamation of the Governor in Council : provided, that no proclamation for extending the district of any of the said Courts be made without the previous sanction of the Governor General of India in Council.

VI. Every Court holden under this Act shall be a Court of Record.

VII. All proceedings commenced in any of the said Courts, before the time when the constitution and practice of such Court shall be altered under this Act, may be continued, executed and enforced against all persons liable thereunto, in the same manner as if they had been commenced according to this Act: and each of the said Courts shall be empowered in any case of doubt as to the proper manner of continuing, executing or enforcing any such proceedings, to make such orders thereon as shall appear to the Court to be necessary for giving full effect to this enactment.

VIII. The Governor in Council shall appoint one, two or three persons to be Judges of the Court, one of whom shall be a Barrister at Law, or Advocate of one of the Supreme Courts of India, or of the Court of Session in Scotland.

IX. No Judge appointed under this Act shall, during his continuance as such Judge, practise as an advocate, attorney, or vakeel in any of the Queen's Courts, or in any Court of the East India Company, or trade or traffic for his own benefit, or for the benefit of any other person, or be the partner of any person so practising, trading, or trafficking.

X. The Governor General of India in Council may remove any such Judge on the application of the Governor in Council.

XI. Any Judge or Judges of the Supreme Court of Judicature, who shall consent to aid in the execution of this Act, may exercise all the powers of a Judge appointed under this Act, and suits may be tried by him under this Act in like manner as if he were a Judge of the Court of Small Causes.

XII. There shall be a Clerk for every Court holden under this Act, whom the Judges of the Court shall appoint, subject to the approval of the Governor in Council, and may remove, subject to the like approval: if necessary, additional Clerks may be appointed with the sanction of the Governor in Council.

XIII. The Clerk of each Court shall issue all summonses, warrants, precepts and writs of execution, and keep an account of all proceedings of the Court, and shall take charge of, and keep an account of all Court fees, and fines payable or paid into Court, and of all monies paid into, and out of Court, and shall enter an account of all such fees, fines, and monies in a book belonging to the Court, to be kept by him for that purpose, and shall monthly, or at such other times as shall be directed by the Governor in Council, submit his accounts to be audited or settled in such manner as the Governor in Council, from time to time, shall direct.

XIV. The Judges of every such Court shall, from time to time, appoint a sufficient number of persons to be Bailiffs of the Court, not exceeding the number, from time to time, allowed by the Governor in Council, and may at their pleasure suspend or dismiss any Bailiff so appointed.

XV. The Bailiffs shall attend every sitting of the Court, for such time as shall be required by the Judges, and shall serve all the summonses and orders, and execute all the warrants, precepts, and writs, issued out of the Court; and shall, in the execution of their duties, conform to all such general rules as shall be, from time to time, made for regulating the proceedings of the Court.

XVI. Every Clerk, or other Officer of any such Court, who shall, by himself or by any partner, or in any way, directly or indirectly be concerned or act as attorney, or vakeel, or be concerned in any trade or profession on his own account, or for any other person, shall forfeit and pay the sum of Five Hundred Rupees to any person who shall sue for the same in the Supreme Court by action of debt or on the case.

XVII. The Clerk and Bailiffs shall give security for such sum, and in such manner and form, as the Governor in Council, from time to time, shall order, for the due performance of their several offices, and for the due accounting for and payment of all monies received by them under this Act, or which they may become liable to pay for any misbehaviour in their office.

XVIII. There shall be payable in the Courts holden under this Act the fees set forth in the annexed Schedule beside the sum of two annas in the rupee on the amount of the sum claimed, which fees shall be paid over to an account to be termed the General Fund of the Court.

XIX. The rateable fee or commission shall be paid by the plaintiff before the summons issues; the other fees on every proceeding shall be paid in the first instance by the plaintiff or party on whose behalf such proceeding is to be had, on or before such proceeding: if the plaintiff recovers a less sum than he has demanded, the defendant shall not, in any case, be required to repay to him more than the fees and commission calculated upon the sum recovered. If the case

is settled by agreement of the parties, before hearing, half the amount of the fees paid up to that time shall be returned to the parties by whom they have been severally paid. The Judges of the said Court may at their discretion grant summonses to poor plaintiffs without deposit, or with a partial deposit of fees, and commission, and also may remit costs wholly or partially to poor suitors.

XX. The Governor in Council may, at any time, lessen the amount of the fees to be taken in the Courts holden under this Act in such manner as to him shall seem fit, and may again increase such fees, so that the scale of fees given in this Act be not in any case surpassed.

XXI. The Governor in Council, shall, from time to time, make such rules as to him shall seem meet for securing the balances, and other sums of money in the hands of any Officers of every Court holden under this Act, and for the due accounting for and application of all such balances and other sums of money.

XXII. The Courts shall sit daily, except on Sundays, Christmas-day, and Good Friday, and on Native or other Holidays, which the Governor in Council shall direct the Court to observe; and each of the Judges may sit apart from the others or with either of them, at the same time or at different times; and any one or two of the said Judges so sitting apart shall have all the judicial authority, which is herein given to all the Judges.

XXIII. A Seal shall be made for every Court holden under this Act, under the direction of the Governor in Council, and all summonses and other process issuing out of the Court shall be sealed or stamped with the seal of the Court; and every person, who shall forge the seal or any process of the Court, or who shall serve or enforce any such forged process, knowing the same to be forged, or deliver or cause to be delivered to any person any paper falsely purporting to be a copy of any summons, or other process of the said Court, knowing the same to be false, or who shall act or profess to act under any false colour or pretence of the process of the said Court; shall be guilty of felony.

XXIV. All suits, where the debt or damage claimed or value of the property in dispute is not more than Five Hundred Rupees, whether on balance of account or otherwise, may be brought in the Court of Small Causes; and all such suits brought in the said Court shall be heard and determined in a summary way. Provided always, that the Court shall not have jurisdiction in any matter concerning the revenue, or concerning any Act ordered or done by the Governor, or Governor General, or any Member of the Council of India, or of any Presidency in his public capacity, or done by any person by order of the Governor General or Governor in Council, or concerning any Act ordered or done by any Judge or Judicial Officer in the execution of his office, or by any person in pursuance of any judgment or order of any Court, or any such Judge or Judicial Officer, or in any suit for libel or slander.

XXV. On the application of any person desirous to bring a suit under this Act, the Clerk of the Court shall issue under the seal of the Court a summons, which shall be numbered, and shall set forth the names of the plaintiff and defendant, the cause of action with such particulars as shall be, from time to time, directed by the Rules of the Court, and the amount sued for, and shall be served on the defendant, so many days before

the day on which the Court shall be holden at which the cause is to be tried as shall be directed by the rules for regulating the practice of the Court; and delivery of such summons to the defendant, or in such other manner as shall be specified in the rules of practice, shall be deemed good service; and no misnomer or inaccurate description of any person or place in any such summons shall vitiate the same, if the person or place be therein described so as to be commonly known.

XXVI. No misstatement of the cause of action in the summons issued under this Act, shall vitiate the same, and the Judges of the Court may, in their discretion, rectify such misstatement as soon as discovered, and alter the record accordingly, and if the defendant, or one of the defendants be present in Court at the time of such discovery, the hearing of the cause after the record shall have been so altered, shall be proceeded with as if no such misstatement had happened, but in the absence of the defendant or of all the defendants a new summons of the same number and date as the original summons shall be issued with the altered statement of the cause of action.

XXVII. All persons shall be deemed within the jurisdiction of the Court, who dwell or carry on their business or work for gain within the district of the Court at the time of bringing the action, or who did so dwell or carry on their business or work therein at the time when the cause of action arose, or within six months before the time of bringing the action for causes of action which arose within the same time.

XXVIII. Any summons or other process of any of the said Courts, service of which is needed out of the district of the Court may be exhibited in any Court of Law, or before any Magistrate, and shall be thereupon endorsed by the Magistrate or Judge of such Court; and, when so endorsed, may be served in like manner as any order or process from such Court or Magistrate; and such service shall be as valid as if the same had been made by the Bailiff of the Court out of which such summons or other process shall have issued within the jurisdiction of the Court for which he acts.

XXIX. Service of any summons or other process of the Court, which shall require to be served out of the district of the Court, may be proved by affidavit, or solemn affirmation, purporting to be sworn or made before any Judge or Magistrate; and, in every case of the unavoidable absence of the Bailiff by whom any summons or other process of the Court has been served, the service of such summons or other process may be proved, if the Judges think fit, in the same manner as a summons served out of the district of the Court.

XXX. Any minor may prosecute a suit in any Court holden under this Act for any sum of money not greater than Five Hundred Rupees, which may be due to him for wages or piecework, or for work as a servant, in the same manner as if he were of full age.

XXXI. The jurisdiction of the Court shall extend to the recovery of any demand, not exceeding the sum of Five Hundred Rupees, which is the whole or part of the unliquidated balance of a partnership account, or the amount or part of the amount of a distributive share under an intestacy, or of any legacy under a will.

XXXII. Any executor or administrator may sue and be sued in any Court holden under this Act, in like manner as if he were a party in his own

right; and judgment and execution shall be such as in the like case would be given or issued in the Supreme Court in the like case: but no executor or administrator shall be summoned in that capacity within six months after the death of the person, whose executor or administrator he is.

XXXIII. A plaintiff shall not be allowed to divide any cause of action, for the sake of bringing two or more suits in any of the said Courts; but any plaintiff, having cause of action for more than Five Hundred Rupees, may abandon the excess, which shall be entered in the Plaint book and stated in the summons, and thereupon the plaintiff shall, on proving his case, recover to an amount not exceeding Five Hundred Rupees; and the judgment of the Court shall be in full discharge of all demands in respect of such cause of action; and entry of the judgment shall be made accordingly.

XXXIV. The Governor General, and Members of the Supreme Council of India, the Governors and Members of Council of the Presidencies of Fort William in Bengal, Fort St. George and Bombay respectively, and the Chief Justices and Judges of the several Supreme Courts established therein by Royal Charter, shall not be liable to arrest, or imprisonment by process issuing out of any Court holden under this Act, and no writ or process shall be sued out of the said Court against any of the persons privileged by Act No. I., 1844, or Act No. XVIII. 1848, without the consent of the Governor in Council.

XXXV. Where any plaintiff shall have any demand recoverable under this Act, whether founded on contract or wrong, against two or more persons jointly answerable, it shall be sufficient if any of such persons be served with process, and judgment may be obtained and execution issued against the person or persons so served, notwithstanding that others, jointly liable, may not have been served or sued, or may not be within the jurisdiction of the Court; and every such person against whom judgment shall have been obtained under this Act, and who shall have satisfied such judgment, shall be entitled to demand and recover in the Court, holden under this Act, contribution from any other person jointly liable with him; and in all cases of misjoinder of defendants, the Judges may order the suit to proceed against such of the defendants only against whom cause of action appears, and may give judgment against them only; giving also judgment for costs for the defendants improperly joined.

XXXVI. The Judges of the Court shall be empowered to determine all questions as well of fact as of law, in all cases which they have authority to try.

XXXVII. On the day in that behalf named in the summons, the plaintiff shall appear, and thereupon the defendant shall be required to appear to answer; and on answer being made in Court, the Judges shall proceed in a summary way to try the cause, and give judgment, without further pleading or formal joinder of issue.

XXXVIII. A defendant, having any cause of action against the plaintiff, whether or not the same exceeds five hundred rupees, shall be entitled to set the same against the plaintiff's demand, and if judgment is given in such case for the plaintiff, shall be entitled to sue the plaintiff for the balance only of his original demand; after deducting the amount of debt or damages and costs recovered against him under this Act.

XXXIX. The Judges may, in any case, with the consent of both parties to the suit, order the same, with or without other matters within the jurisdiction of the Court in dispute between such parties, to be referred to arbitration, to such person or persons, and in such manner, and on such terms as they shall think reasonable and just; and such reference shall not be revocable by either party, except by consent of the Judges; and the award of the arbitrator or arbitrators or umpire shall be entered as the judgment in the cause, and shall be as binding and effectual to all intents, as if given by the Judges; provided, that the Judges may, if they think fit, on application to them at the first Court held after the expiration of one week, after the entry of such award, set aside any such award, or may, with the consent of both parties, revoke the reference, or order another reference to be made in the manner aforesaid.

XL. The Judges of each Court, holden under this Act, subject to the approval of the Judges of the Supreme Court, shall have power to make and issue all the general rules for regulating the practice and proceedings of the Court, and also to frame forms for every proceeding in the Court for which they shall think it necessary that a form be provided, and also for keeping all books, entries, and accounts to be kept by the Clerk of the Court, and, from time to time, to alter any such rule or form; and the rules so made and the forms so framed, shall be observed and used in the Court of that Presidency, and shall be sent to the Supreme Court for approval, but shall be of force until disapproved; and in any case, not expressly provided for herein, or by the said rules, the general principles of practice in the Supreme Court may be adopted and applied at the discretion of the Judges, to actions and proceedings in their Court.

XLI. If upon the day of the return of any summons, or at any continuation or adjournment of the said Court, or of the cause for which the said summons shall have been issued, the plaintiff shall not appear, the cause shall be struck out; and if he shall appear, but shall not make proof of his demand to the satisfaction of the Court, the Judges may nonsuit the plaintiff or give judgment for the defendant; and, in either case, where the defendant shall appear and shall not admit the demand, may award to the defendant, by way of costs and satisfaction for his trouble and attendance, such sum as they, in their discretion, shall think fit; and such sum shall be recoverable from the plaintiff by such ways and means as any debt or damage ordered to be paid by the same Court can be recovered: provided always, that if the plaintiff shall not appear when called upon, and the defendant, or some one duly authorized on his behalf, shall appear, and admit the cause of action to the full amount claimed, and pay the fees payable in the first instance by the plaintiff, the Court, if it shall think fit, may proceed to give judgment, as if the plaintiff had appeared.

XLII. If on the day so named in the summons, or at any continuation or adjournment of the Court, or cause in which the summons was issued, the defendant shall not appear or sufficiently excuse his absence, or shall neglect to answer when called in Court, the Judges, upon due proof of service of the summons, may issue a writ of attachment to compel the appearance of the defendant; or, in their discretion, may proceed to the hearing or trial of the cause on the

part of the plaintiff only; and the judgment thereupon shall be as valid as if both parties had attended; provided always, that the Judges in any such case, at the same or any subsequent Court, may set aside any judgment so given in the absence of the defendant, and the execution thereupon; and may grant new trial of the cause, upon such terms, as to payment of costs, giving security for debt or costs, or otherwise, as they think fit, on sufficient cause shown to them for that purpose.

XLIII. The Judges may in any case make orders for granting time to the plaintiff or defendant to proceed in the prosecution or defence of the suit, and also may, from time to time, adjourn any Court, or the hearing or further hearing of any cause, in such manner as to them may seem fit.

XLIV. The defendant in any action brought under this Act, for the recovery of money, whether for debt or damages, within such time as shall be directed by the rules for regulating the practice of the Court, may pay into Court such sum of money as he shall think a full satisfaction for the demand of the plaintiff, with the costs incurred by the plaintiff up to the time of such payment; and the said sum of money shall be paid to the plaintiff; but, if he shall elect to proceed, and; if the plaintiff shall recover no further sum in the action than shall have been so paid into Court, the plaintiff shall pay to the defendant the costs incurred by him in the said action after such payment; and such costs shall be settled by the Court, and an order shall thereupon be made by the Court for the payment of such costs by the plaintiff.

XLV. On the hearing or trial of any action or any other proceeding under this Act the parties thereto, their wives, and all other persons, may be examined, on behalf of either the plaintiff or defendant, subject nevertheless to the Acts and Regulations in force, with respect to the examination of women of a rank and situation in life, which, according to the customs of the country, would render it improper to compel them to appear in a Court of Justice.

XLVI. Every person shall be examined on oath, or when exempt by law from taking an oath in any Court of Justice, on solemn affirmation and every person, who, in any examination upon oath or solemn affirmation under this Act, shall wilfully and corruptly give false evidence, shall be deemed guilty of perjury.

XLVII. Either of the parties to the suit or any other proceeding under this Act may obtain, at the office of the Clerk of the Court, summonses to witnesses, with or without a clause requiring the production of books, deeds, papers and writings in their possession or control, and in any such summons any number of names may be inserted.

XLVIII. Every person, on whom any such summons shall have been served, either personally or in such other manner as shall be directed by the general rules or practice of the Court, and who shall refuse or neglect, without sufficient cause, to appear, or to produce any books, papers, or writings required by such summons to be produced, and also every person present in Court, who shall be required to give evidence, and who shall refuse to be sworn and give evidence, shall forfeit and pay such fine, not exceeding One Hundred Rupees, as the Judges shall set on him; and the whole or any part of such fine, in the discretion of the Judges, after deducting the costs, may

be applied towards indemnifying the party injured by such refusal or neglect.

XLIX. The Judges of any Court established under this Act, in all suits where the debt or demand exceeds the sum of Thirty Rupees, upon proof before them, that any defendant against whom a summons has been taken out, conceals himself from, or otherwise evades process of the Court, or is disposing of his property and effects with intent to defraud the plaintiff, or his creditors generally, or is about to withdraw his person or effects from the jurisdiction of the Court, may issue a warrant for the apprehension of such person, and may commit him to gaol until he shall find security for his appearance in the said Court from time to time, until judgment shall be pronounced in the suit commenced by such summons, and for payment of the amount and the costs which may be decreed against him therein.

L. Payment of any fine imposed by any Court under the authority of this Act may be enforced upon the order of the Judges, in like manner as payment of any debt adjudged in the said Court, and shall be accounted for as herein provided.

LI. All the costs of any action or proceeding in the Court, not herein otherwise provided for, shall be paid by or apportioned between the parties, in such manner as the Judges shall think fit; and, in default of any special direction, shall abide the event of the action; and execution may issue for the recovery of any such costs, in like manner as for any debt adjudged in the said Court.

LII. Every order and judgment of any Court holden under this Act, except as herein provided, shall be final and conclusive between the parties; but the Judges shall have power to nonsuit the plaintiff, in every case in which satisfactory proof shall not be given to them, entitling either the plaintiff or defendant to the judgment of the Court; and shall also in every case whatever have the power, if they shall think fit, to order a new trial to be had, upon such terms as they shall think reasonable, and in the meantime to stay the proceedings.

LIII. No cause commenced in any Court, holden under this Act, shall be removed from the said Court into the Supreme Court by any writ or process, unless the debt or damage claimed exceeds One Hundred Rupees, and then only by leave of a Judge of the said Supreme Court on proof to his satisfaction that some question of law is likely to arise therein, which, by reason either of its difficulty, novelty or general importance, or of some erroneous course of decision on the same point in the Court of Small Causes may appear to him fit to be tried in the Supreme Court, and upon such terms as to payment of costs, giving security for debt or costs, or otherwise, as he shall think fit.

LIV. The Judges of the Court of Small Causes may, in their discretion, reserve any question of law on which they entertain doubts, or which they shall be requested by either party to the suit to reserve, for the opinion of the Judges of the Supreme Court, and shall give judgment contingent upon the opinion of the said Supreme Court on a case which they shall thereupon be entitled to state to the said Court. If only two Judges sit together, and shall differ in opinion, the question, on which they differ shall be so referred.

LV. The Judges may make orders concerning the time or times, and by what instalments, any debt or damages or costs, for which judg-

ment shall be obtained in the said Court, shall be paid; and all such monies shall be paid into Court, unless the Judges shall otherwise order.

LVI. If there be cross judgments between the parties, execution shall be taken out by that party only, who shall have obtained judgment for the larger sum, and for so much only as shall remain after deducting the smaller sum; and satisfaction for the remainder shall be entered, as well as satisfaction on the judgment for the smaller sum; and, if both sums shall be equal, satisfaction shall be entered upon both judgments.

LVII. Whenever the Court shall have made an order for the payment of money, the amount shall be recoverable, in case of default or failure of payment thereof forthwith, or at the time or times and in the manner directed, by execution against the body or the goods and chattels of the person against whom such order is made without further notice or order; and the Clerk of the said Court, at the request of the person prosecuting such order, shall issue under the seal of the Court a writ of execution to one of the Bailiffs of the Court, which shall be his warrant to take the body of such person in execution, or to levy, or cause to be levied, by distress and sale of the goods and chattels of such person such sum of money as shall be so ordered, wheresoever they may be found within the district of the Court, and also the costs of the execution; and all Constables and other Peace Officers within their several jurisdictions shall aid in the execution of every such writ.

LVIII. If the Court shall have made any order for payment of any sum of money by instalments, execution upon such order shall not issue until after default in payment of some instalment according to such order; and execution or successive executions may then issue without further notice or order for the whole of the said sum of money and costs then remaining unpaid, or for such portion thereof as the Court shall order, either at the time of making the original order, or at any subsequent time, under the seal of the Court.

LIX. Whenever any warrant shall issue for taking in execution the body of any person under this Act, the Bailiffs of the Court shall be empowered, by virtue thereof, to take and convey him to any prison, appointed by the Governor in Council to be the prison of the Court, there to remain for such term as shall be directed by the warrant, not longer than six calendar months, or until he shall sooner perform the order of the Court.

LX. No person shall be imprisoned twice under the same judgment, nor shall execution against the body and goods issue at the same time under the same judgment.

LXI. Every person suing out a warrant of execution against the body of any other person under this Act shall deposit with the Clerk of the Court, at the time of the issue of the warrant, diet money for one week, after the rate of one anna and a half for each day, which shall be paid by the Clerk to the keeper of the prison at the time of the execution of the warrant.

LXII. Notice of the execution of every such warrant shall be forthwith given to the person at whose suit it issued, who shall thereupon deposit with the keeper of the prison, diet money for the remainder of the month in which the warrant is executed, after the same daily rate, and shall con-

tinue thereafter to deposit monthly with the said keeper, in advance, diet money at the same daily rate, for each month which the debtor is liable to be kept in prison at his suit.

LXIII. The diet money shall be employed for the subsistence of the prisoner; and if, by default of the detaining creditor, such diet money is not paid, the prisoner shall be entitled to his discharge by order of the Court.

LXIV. All diet money, which shall be spent in providing subsistence for any prisoner, shall be costs in the cause, and all diet money, which shall not be so spent, shall be repaid to the creditor advancing the same.

LXV. Whenever any prisoner shall offer good and reasonable security for payment of any debt or damage and costs, either in full or by instalments as the Court shall think reasonable, the Court may order him to be discharged on giving such security.

LXVI. Upon payment of the debt or damage and costs in full, the prisoner shall be entitled to be forthwith discharged.

LXVII. If the debt or damage and costs are not paid, the imprisonment shall not extinguish the liability to pay the same; but all property then belonging to or afterwards acquired by the prisoner shall be liable to be taken in execution after his discharge from prison for satisfaction thereof, or of so much thereof as is not paid, including the diet money actually expended for subsistence of the prisoner.

LXVIII. Every Bailiff executing any process of execution issuing out of the said Court against the goods of any person, may, by virtue thereof, seize and take any of the goods of such person, (excepting the necessary wearing apparel and bedding of such person or his family, and the tools and implements of his trade,) and may also seize and take any money or bank Notes, and any cheques, bills of exchange, promissory notes, bonds, specialties or securities for money belonging to any such person against whom any execution shall have issued as aforesaid.

LXIX. The Bailiff shall forthwith deliver any cheques, bills of exchange, promissory notes, bonds, specialties, or other securities for money, which shall have been so seized or taken as aforesaid, to the Clerk or other person appointed by the Judges to receive the same, who shall hold them as a security or securities for the amount directed to be levied by such execution, or so much thereof as shall not have been otherwise levied or raised for the benefit of the plaintiff; and the plaintiff may sue in the name of the defendant, or in the name of any person in whose name the defendant might have sued, for the recovery of the sum or sums secured, or made payable thereby, when the time of payment thereof shall have arrived.

LXX. If it shall, at any time, appear to the satisfaction of the Court that any defendant is unable, from sickness or other sufficient cause, to pay and discharge the debt or damages recovered against him, or any instalment thereof ordered to be paid as aforesaid, the Judges, in their discretion, may suspend or stay any Judgment, order or execution given, made or issued in such action, for such time and on such terms as they shall think fit, and so, from time to time, until it shall appear by the like proof as aforesaid that such temporary cause of disability has ceased.

LXXI. No sale of any goods, which shall be taken in execution as aforesaid shall be made, until after the end of five days at least next following the day on which such goods have been so taken, unless such goods be of a perishable nature, or upon the request, in writing, of the party whose goods have been taken.

LXXII. Until such sale the goods shall be deposited by the Bailiff by whom they were taken in some fit place, or they may remain in the custody of a fit person approved by the Judges to be put in possession by the Bailiff.

LXXIII. The Judges, from time to time, as they shall think proper, may appoint such and so many persons for keeping possession, and so many of their Bailiffs or other fit persons to be sworn brokers and appraisers for the purpose of selling or valuing any goods, chattels or effects taken in execution under this Act, as shall appear to them to be necessary, and may direct security to be taken from each of them, for such sum and in such manner as they shall think fit, for the faithful performance of their duties, without injury or oppression; and the Judges may dismiss any person, broker or appraiser so appointed.

LXXIV. No goods taken in execution under this Act shall be sold for the purpose of satisfying the warrant of execution; except by one of the brokers or appraisers so appointed.

LXXV. The costs to be demanded or taken for such appraisement, and sale shall be one anna in the rupee on the produce of the goods sold; and the Judges may apply the sum so raised as costs towards payment of the contingent charges and remuneration of the said brokers and appraisers in such manner as shall be approved by the Governor in Council.

LXXVI. The Clerk of the Court shall keep an account of all sums received upon such sales, distinguishing the amount paid to the party entitled to the benefit of the execution, and the amount levied and retained as costs, and also of all sums allowed to the brokers and appraisers upon such sales.

LXXVII. Whenever any defendant against whom judgment shall have been given in the Court of Small Causes, shall go before execution thereof out of the jurisdiction of the Court, the Judge of any zillah or town where he shall be found, upon receiving from the plaintiff either in person or by vakeel, an application in writing setting forth these facts, with a duly authenticated copy of the judgment of the Court, shall execute the said judgment in the manner prescribed by law for execution of his own decrees; unless the defendant shall allege any reasonable cause, why the judgment should not be executed, and shall give security to such amount as the Judge of such zillah or town shall deem reasonable, that he will, within such time as shall be allowed him for that purpose, either satisfy the judgment, or produce a duly authenticated copy of an order of the Judges of the Court of Small Causes, discharging their former judgment.

LXXVIII. No judgment or execution shall be stayed, delayed or reversed upon or by any writ of error or *supersedeas* thereon, to be sued for the reversing of any judgment given in any Court holden under the provisions of this Act, unless the amount recovered exceeds One Hundred Rupees, and then only after the person suing out such writ shall become bound with two sufficient sureties to be approved by the Clerk of the Court,

in treble the sum adjudged to be recovered in the former judgment, to prosecute the said writ with effect, and also to satisfy and pay, (if the writ be not prosecuted, or if the judgment be affirmed), the debt or damages and costs adjudged, and all costs and damages to be awarded for the delay of execution.

LXXXIX. Upon every warrant of execution issued against the goods and chattels of any person, the Clerk of the Court shall cause to be stated the sum of money and costs adjudged with the sum paid for such warrant; and if the party against whom such execution shall be issued shall, before an actual sale of the goods and chattels, pay or cause to be paid or tendered unto the Clerk of the Court, or to the Bailiff holding the warrant of execution such sum of money and costs, as aforesaid, or such part thereof as the person entitled thereto shall agree to accept in full of his debt or damages and costs, together with the fees herein directed to be paid, the execution shall be superseded, and the goods and chattels of the said party shall be discharged and set at liberty.

LXXX. The Clerk of every Court holden under this Act shall cause a record of all summonses, and of all orders, and of all judgments and executions, and returns thereto, and of all fines, and of all other proceedings of the Court, to be fairly entered, from time to time, in a book or books belonging to the Court, which shall be kept at the Office of the Court; and shall be duly authenticated by one or more of the Judges; and such entries in the said book or books or a copy thereof bearing the seal of the Court, and purporting to be signed and certified as a true copy by the Clerk of the Court, shall be admitted in all Courts and places as evidence of such entries, and of the proceeding referred to by such entry or entries, and of the regularity of such proceeding, without any further proof.

LXXXI. The Clerk of every such Court shall, in the month of *March*, in each year, make out a correct list of all sums of money belonging to suitors in the Court, which shall have been paid into Court, and which shall have remained unclaimed for five years before the first day of the month of *January* then last past, specifying the names of the parties for whom or on whose account the same were so paid into Court; and a copy of such list shall be put up and remain during Court hours in some conspicuous part of the Court house, and at all times in the Clerk's Office; and all sums of money which shall have been paid into any such Court, to the use of any suitor or suitors thereof, and which shall have remained unclaimed for the period of six years before the passing of this Act, and which are now in the hands of any Commissioner or Officer of such Court, or otherwise held in trust for such suitors, and all further sums of money, which shall hereafter be paid into such Court to the use of any suitor or suitors thereof, shall, if unclaimed for the period of six years after the same shall have been so paid into Court, be applicable as part of the fees receivable on account of the Court, and shall be carried to the same account; and no person shall be entitled to claim any sum which shall have remained unclaimed for six years; but no time during which the person entitled to claim such sum shall have been an infant or married woman or of unsound mind, or out of the Territories under the Government of the East India Company, shall be taken into account in estimating the said period of six years.

LXXXII. If any person shall wilfully insult any Judge, Clerk or Officer of the said Court, for the time being, during his sitting or attendance in Court, or shall wilfully interrupt the proceedings of the Court, or otherwise misbehave in Court, it shall be lawful for any Bailiff or Officer of the Court, with or without the assistance of any other person, by the order of the Judges to take such offender into custody, and detain him until the rising of the Court; and the Judges shall be empowered, if they shall think fit, by a warrant under their hands, and sealed with the seal of the Court, to commit any such offender to any prison to which they have power to commit offenders under this Act, for any time, not exceeding seven days, or to impose upon any such offender a fine, not exceeding Fifty Rupees for every such offence, and in default of payment thereof to commit the offender to any such prison as aforesaid, for any time, not exceeding seven days, unless the said fine be sooner paid, or instead of inflicting summary punishment under this Act may cause the offender to be indicted in the Supreme Court, if the offence be an indictable misdemeanour.

LXXXIII. If any Officer or Bailiff of any Court holden under this Act shall be assaulted, while in the execution of his duty, or if any rescue shall be made or attempted to be made of any person arrested, or goods levied under process of the Court, the person so offending shall be liable to a fine, not exceeding One Hundred Rupees, to be recovered by order of the Court, or before a Magistrate as hereinafter provided; and the Bailiff of the Court, or any Peace Officer in any such case, may take the offender into custody, (with or without warrant,) and bring him before such Court, or Magistrate accordingly.

LXXXIV. If any Bailiff of the said Court, who shall be employed to execute any warrant of the Court, shall, by neglect, or connivance or omission, lose an opportunity of executing such warrant, then upon complaint of the party aggrieved by reason of such neglect, connivance or omission, (and the fact alleged being proved to the satisfaction of the Court,) the Judges shall order the Bailiff to pay such damages as it shall appear that the plaintiff has sustained thereby, not exceeding in any case the sum of money for which the said execution is issued, and the Bailiff shall be liable thereto; and upon demand made thereof, and on his refusal so to pay and satisfy the same, payment thereof shall be enforced by such ways and means as are herein provided for enforcing a judgment recovered in the said Court, without prejudice nevertheless to the execution of the original warrant.

LXXXV. If any Clerk, Bailiff or Officer of the Court, acting under colour or pretence of the process of the said Court, shall be charged with extortion or misconduct, or with not duly paying or accounting for any money levied by him under the authority of this Act, the Judges may inquire into such matter in a summary way, and for that purpose may summon and enforce the attendance of all necessary parties in like manner as the attendance of witnesses in any case may be enforced, and may make such order thereupon for the repayment of any money extorted, or for the due payment of any money so levied as aforesaid, and for the payment of such damages and costs, as they shall think just; and also, if they shall think fit, may impose such fine upon the Clerk, Bailiff or Officer, not exceeding One Hundred Rupees for each offence, as they shall deem adequate; and in default of payment of

any money so ordered to be paid, payment of the same may be enforced by such ways and means as are herein provided for enforcing a judgment recovered in the said Court.

LXXXVI. Every Clerk, Bailiff or other Officer employed in putting this Act or any of the powers thereof in execution, who shall wilfully and corruptly exact, take or accept any fee or reward whatsoever, other than his lawful salary, for any thing done or to be done by virtue of this Act, or on any account whatsoever, relative to putting this Act into execution, shall, upon proof thereof before the said Court, and in the case of a Clerk, on confirmation of the finding of the Court by the Governor in Council, be for ever incapable of serving, or being employed under this Act in any office of profit or emolument, and shall also be liable for damages as herein provided.

LXXXVII. If any claim shall be made to, or in respect of, any goods or chattels taken in execution under the process of any Court holden under this Act, or in respect of the proceeds or value thereof, by any person not being the party against whom such process has issued, the Clerk of the Court, upon application of the Officer charged with the execution of such process, as well before as after any action brought against such Officer, may issue a summons calling before the said Court, as well the party issuing such process as the party making such claim, and thereupon any action, which shall have been brought in the Supreme Court in respect of such claim, shall be stayed, and any Judge of the Supreme Court on proof of the issue of such summons, and that the goods and chattels were so taken in execution, may order the party bringing such action to pay the costs of all proceedings, had upon such action after the issue of such summons out of the Court of Small Causes, and the Judges of the Court of Small Causes shall adjudicate upon such claim and make such order between the parties in respect thereof, and of the costs of the proceedings as to them shall seem fit, and such order shall be enforced in like manner as any order made in any suit brought in such Court.

LXXXVIII. The powers of Act No. VII. 1847, to regulate distresses for small rents in Calcutta, shall be extended to the recovery of all arrears of rent not exceeding Five Hundred Rupees, and the Judges of every Court of Small Causes under this Act shall be empowered to exercise within their several jurisdictions the extended powers of the said Act; and the said Act shall be construed as if instead of Calcutta and the Settlement of Fort William in Bengal, the limits of the jurisdiction of the Court had been therein mentioned, and the Judges of the Court of Small Causes under this Act instead of the Commissioners of the Court therein mentioned, and the amount of Five Hundred Rupees instead of One Hundred Rupees, and the forms contained in the Schedule annexed to the said Act shall be altered accordingly, and shall refer to this Act instead of Act No. VII. 1847.

LXXXIX. The affidavit of arrear required by the said Act No. VII., 1847, may in every case be made either by the person entitled to such arrear or by his or her lawfully constituted attorney, and a warrant of distress may issue on such affidavit.

XC. Where any person shall hold or occupy any house, land, or tenement, of which the value or the rent payable in respect thereof, does not exceed the rate of Five Hundred Rupees by the year, without leave of the owner, or under a lease or agreement which is ended, or duly determined by a legal notice to quit, and such

tenant, or, if such tenant do not actually occupy the premises or occupy only a part thereof, any person by whom the same or any part thereof shall be then actually occupied, shall neglect or refuse to quit and deliver up possession of the premises, or of such part thereof respectively, the owner or his agent may take out a summons from the Court directed to such tenant or occupier, to show by what title he claims to hold or occupy the premises or part thereof.

XCI. If the tenant or occupier shall not thereupon appear at the time and place appointed, and show cause to the contrary, and shall still neglect or refuse to deliver up possession of the premises, or of such part thereof, of which he is then in possession, to the said owner or his agent, such owner or agent may give to the Court proof of the holding, and of the end or other determination of the tenancy, if any had existed, with the time or manner thereof, and of the right by which he claims the possession.

XCII. Upon proof of due service of the summons, and of the neglect or refusal of the tenant or occupier, as the case may be, the Judges may issue a warrant under the seal of the Court, to any Bailiff of the Court requiring and authorizing him within a period to be therein named not less than seven, or more than ten clear days from the date of such warrant, to give possession of the premises to such owner or agent, and such warrant shall be a sufficient warrant to the said Bailiff to enter upon the premises with such assistants as he shall deem necessary, and to give possession accordingly: Provided always, that entry upon any such warrant shall not be made on a *Sunday*, *Good-Friday*, or *Christmas-day*, or any other day observed by the Court as a Holiday, or at any time except between the hours of six in the morning and six in the afternoon: Provided also, that nothing herein contained shall be deemed to protect any person by whom any such warrant shall be sued out of the Court of Small Causes from any action which may be brought against him by any such tenant or occupier for such entry and taking possession, where such person had not, at the time of suing out the same as aforesaid, lawful right to the possession of the same premises.

XCIII. Such summons as last aforesaid may be served either personally, or by leave of the Court upon proof that the tenant or occupier is not to be found within the jurisdiction of the Court, by leaving the same with some person, being in and apparently residing at the place of abode of the person or persons so holding over as aforesaid; or if the place of abode of such person or persons shall either not be known or admission thereto cannot be obtained for serving such summons, by posting the said summons on some conspicuous part of the premises so held over.

XCIV. No action or prosecution shall be maintainable against the Judges or against the Clerk of the Court, by whom such warrant as aforesaid shall have been issued, or against any Bailiff or other person by whom such warrant may be executed or summons affixed, for issuing such warrant, or executing the same respectively, or affixing such summons, by reason that the person by whom the same shall be sued out had not lawful right to the possession of the premises.

XCV. Where the owner at the time of applying for such warrant as aforesaid had lawful right to the possession of the premises, or of the

part thereof so held over as aforesaid, neither the said owner nor his agent, nor any other person acting in his behalf, shall be deemed to be a trespasser, by reason merely of any irregularity or informality in the mode of proceeding for obtaining possession under the authority of this Act; but the party aggrieved may, if he think fit, bring an action on the case for such irregularity or informality, in which the damage, alleged to be sustained thereby, shall be specially laid, and may recover full satisfaction for such special damage with costs of suit: Provided that, if the special damage so laid be not proved, the defendant shall be entitled to a verdict, and that, if proved, but assessed at any sum, not exceeding Ten Rupees, the plaintiff shall recover no more costs than damages, unless the Judge, before whom the trial shall have been holden, shall certify that in his opinion full costs ought to be allowed.

XCVI. In every case in which the person by whom any such warrant shall be sued out of the Court of Small Causes, had not at the time of suing out the same lawful right to the possession of the premises, the suing out of any such warrant as last aforesaid, shall be deemed a trespass by him against the tenant or occupier of the premises, although no entry shall be made by virtue of the warrant; and in case any such tenant or occupier will become bound with two sufficient Sureties, to be approved by the Clerk of the Court, in such sum as to the Judges shall seem reasonable, regard being had to the value of the premises and to the probable cost of such action, to sue the person by whom such warrant was sued out with effect and without delay, and to pay all the costs of the proceeding in such action, in case a verdict shall pass for the defendant, or the plaintiff shall discontinue or not prosecute his action, or become nonsuit therein, execution upon the warrant shall be stayed until judgment shall have been given in such action of trespass; and, if upon the trial of such action of trespass, judgment be given for the plaintiff, such judgment shall supersede the said warrant.

XCVII. Recovery of the possession of any such house, land or tenement shall be no bar to the institution of a regular suit for trying the title thereunto, which may be brought in the Supreme Court as if this Act had not been passed.

XCVIII. Every bond given on the removal of any action out of the Court of Small Causes or upon staying, delaying, or reversing any judgment or execution awarded therein, or the execution of any such warrant of possession as aforesaid, or on moving for a new trial, or to set aside a verdict, judgment or nonsuit, shall be made to the other party to the action, and shall be approved by the Judges and attested under the seal of the Court; and if the bond so taken be forfeited, or if upon the proceeding for securing which such bond was given, the Judge before whom such proceeding shall be had shall not certify upon the record in Court, that the condition of the bond hath been fulfilled, the party to whom the bond shall have been so made may bring an action of debt and recover thereon: Provided always, that the Court in which such action as last aforesaid shall be brought may, by a rule of Court, give such relief to the parties liable upon such bond as may appear to him reasonable, and such rule shall have the nature and effect of a defeasance to such bond.

XCIX. All actions and proceedings, which before the passing of this Act might have been brought in the Supreme Court, where any Officer

of the Court of Small Causes shall be a party, except in respect of any claim to any goods and chattels taken in execution of the process of the Court, or the proceeds or value thereof, may be brought and determined in the Supreme Court, at the election of the party suing or proceeding, as if this Act had not been passed.

C. If any action shall be commenced after the passing of this Act in the Supreme Court, for any cause other than those lastly herein before specified, for which a summons might have been taken out from a Court holden under this Act, and a verdict shall be found for the plaintiff for a sum less than Five Hundred Rupees, if the said action is founded on contract, or less than One Hundred Rupees, if it is founded on wrong, the plaintiff shall have judgment to recover such sum only, and no costs; and if a verdict shall not be found for the plaintiff the defendant shall be entitled to his costs as between attorney and client, unless in either case the Judge, who shall try the cause, shall certify on the back of the record that by reason of the difficulty novelty or general importance of the case, or of some erroneous course of decision on like cases in the Court of Small Causes the action was fit to be brought in the Supreme Court.

CI. If any person shall bring any suit in the Supreme Court in respect of any grievance committed by the Clerk, Bailiff, or Officer of any Court holden under this Act, under colour or pretence of the process of the said Court, and upon the trial of the action, no greater damages shall be found for the plaintiff than the sum of Five Hundred Rupees, no costs shall be awarded to the plaintiff in such action unless the Judge shall certify in Court upon the back of the Record, that the action was fit to be brought in the Supreme Court.

CII. All penalties, fines and forfeitures by this Act, inflicted or authorized to be imposed, (the manner of recovering and applying whereof is not hereby otherwise particularly directed), upon proof before any Justice of the Peace or Magistrate having jurisdiction where the offender shall reside or be, or the offence shall be committed, either by the confession of the party offending, or by the oath or affirmation of any credible witness, shall be levied, with the costs attending the summons and conviction, by distress and sale of the goods and chattels of the party offending, by warrant under the hand of any such Justice or Magistrate, and the overplus (if any) after such penalties, fines and forfeitures, and the charges of such distress and sale are deducted, shall be returned, upon demand, unto the owner of such goods and chattels.

CIII. If any such penalties, fines and forfeitures respectively, shall not be paid forthwith upon conviction, it shall be lawful for such Justice or Magistrate to order the offender so convicted to be detained in safe custody until return can conveniently be made to such warrant of distress; unless such offender shall give sufficient security to the satisfaction of such Justice or Magistrate for his appearance before him on such day as shall be appointed for the return of such warrant of distress, such day not being more than eight days from the time of taking any such security, which security the Justice or Magistrate shall be empowered to take by way of recognizance or otherwise, as to him shall seem fit.

CIV. If upon return of such warrant it shall appear that no sufficient distress can be had

the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{3}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court

of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

The following Draft of a proposed Act was read in Council for the first time on the 26th of October 1849 :

ACT No. — OF 1849.

An Act for abolishing exemption from the jurisdiction of the East India Company's Criminal Courts.

Whereas Her Majesty's British subjects, resident in the territories under the Government of the East India Company, without the towns of Calcutta and Madras,

and the town and Island of Bombay, are now, by law, exempt from the jurisdiction of the Criminal Courts, established by the East India Company in the said territories, to which all other persons, whether natives or other inhabitants in the said territories, beyond the said towns and Island, are amenable ; and whereas it is necessary for the due administration of justice that such exemption be abolished, It is enacted as follows :

I. In every part of the territories under the Government of the East India Company, without the towns of Calcutta and Madras, and the town and Island of Bombay, all persons are henceforth amenable to the jurisdiction of the Magistrates and Criminal Courts of the East India Company, and may be apprehended, tried, and punished by them respectively, according to the Regulations and Acts now or hereafter to be in force ; save only that no such Magistrate or Court shall have power under this Act to sentence to the punishment of death any of Her Majesty's natural-born subjects born in Europe, or the children of such subjects.

II. Every one of Her Majesty's natural-born subjects born in Europe, and every child of such subjects, convicted before any such Criminal Court of any offence, which, according to any Regulation or Act, now or hereafter to be in force, is punishable with death, shall be transported out of the territories under the Government of the East India Company, for life, or for such term as the Court shall adjudge.

III. The Judges and Magistrates of the Courts of the East India Company may, in any case in which it shall seem fit to them, with the approval of the Governor or Lieutenant Governor or Governor in Council of the Presidency or place, send any of Her Majesty's natural-born subjects, born in Europe, or the child of any such subject, charged with any offence before them, to be tried before the Supreme Court of Judicature, instead of trying and punishing him under this Act.

IV. Clause CV. of 53 George III., Chapter 155, being so much of an Act of Parliament, passed in the fifty-third year of the reign of King George the Third, for the better administration of justice within the British territories in India, as relates to assaults, forcible entries, or other injuries accompanied with force, which may be committed by British subjects, at a distance from the place where the Courts are established by Royal Charter, is repealed.

V. Nothing in this Act shall be deemed to take away the jurisdiction of the several Courts established by Royal Charter in Calcutta, Madras and Bombay, for the trial and punishment of treasons, felonies and misdemeanours, and for the due administration of criminal justice, according to the tenour of the said several Charters ; so nevertheless that no person shall be liable to be punished twice for the same offence.

VI. The word Magistrate, as used in this Act, shall be understood to mean every Officer, however styled, who has authority to exercise all or any of the powers of a Magistrate.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 26th day of January 1850.

The following Draft of a proposed Act was read in Council for the first time on the 26th October 1849 :

ACT No. ——— or 1849.

An Act for Trial by Jury.

Whereas the laws in force for trial by jury in certain cases require to be amended, and made the same throughout British India, It is enacted as follows :

I. Regulation X., 1827, of the Madras Code, Sections IV. V. VI., of Regulation VI., 1832, of the Bengal Code, and Section XXXII. of Act VII., 1843, are repealed ; but this repeal shall not affect the validity of any proceedings taken in any Court under the repealed Sections before the arrival of a copy of this Act at the Sudder station, where such Court is held, or any proceedings which may be then depending before such Court.

II. Every person who, at the time of his committal for trial before a Sessions Judge, claims to be tried by a jury, shall be entitled to be tried under this Act.

III. All persons of reputed intelligence, respectability and consideration, between the ages of twenty-five and fifty years, are qualified to serve on juries.

IV. All qualified persons are liable to serve on juries, unless included in any of the classes following, that is to say,

First.—Judges, magistrates, and other judicial officers, law officers, vakeels, officers and servants of the Courts of justice.

Second.—Commissioners, collectors, deputy collectors, and other persons in the revenue service.

Third.—Post masters, and persons in the service of the post office.

Fourth.—Officers and others in the Military Service of Her Majesty or the East India Company.

Fifth.—Surgeons and others, who openly and constantly practice in the profession of physic.

Sixth.—Chaplains, priests, and others employed in religious offices.

Seventh.—Principals, professors and teachers of any Government college or school.

Eight.—Ascetics, and other persons, who, by habit or religious vows, have relinquished all care of worldly affairs.

Ninth.—Persons disabled by permanent diseases, which confine them to their homes.

Tenth.—Persons specially exempt by any order of Government.

V. The collector in each district shall make out yearly, under the direction of the commissioner, a list of the names and the dwelling places of all persons within his district qualified and liable to serve on juries, whose usual dwelling place is not more than () miles from the Sudder station, where a Court of Sessions is held.

VI. Any person excluded from the list, who thinks that his rank, station and character entitle him to be included therein, and also every person improperly included therein, may require the collector to alter the list accordingly : if the collector shall not comply with the request, an appeal from his decision shall lie to the commissioner, whose decision is final. The list, when finally corrected, shall be sent to the magistrate of the Sudder station.

VII. The magistrate at the Sudder station shall summon as many persons as seem to him to be needed for jury trials. The names shall be drawn by lot, excluding those who have served within two years, unless when the number cannot be made up without them.

VIII. All persons liable to serve on juries, who shall refuse, or without lawful excuse, to be allowed by the Judge, neglect to attend when summoned, or who, when attending, shall refuse to try the prisoners whom they are charged to try, shall be liable to such reasonable fine as the judge, having regard to their rank and means of paying the fine, shall set on them for their contempt of Court : all such fines shall be subject to review on summary appeal to the Nizamut or Foujdaree Adawlut.

IX. Whenever any jury trial is to be had, five persons shall be chosen by lot at the time of holding the sessions, from those who attend on their summons : in default of a sufficient number, the judge shall make up the jury from the persons present in Court, or whom he shall cause to be summoned for the purpose.

X. Either the prosecutor or the prisoner may object to any of the persons chosen to be of the jury, stating the ground of his objection : if it is allowed by the Judge, the juryman objected to shall be set aside for that trial and another chosen in his stead. The place of birth, descent, or creed of any juryman shall not be lawful ground of challenge. If not objected to, the same jury may try as many prisoners successively as to the Judge seems expedient.

XI. One of the jury shall be appointed by the Judge to act as their foreman.

XII. All the evidence for and against the prisoner shall be taken in the presence and hearing of the jury, who shall also be entitled to suggest questions to the witnesses, which, if proper to be put, shall be put under the direction of the Judge. At the end of the trial the Judge shall explain the evidence to the jury, and thereon the foreman shall declare, for the verdict of the jury, whether in their opinion, or in the opinion of a majority of them, the prisoner is guilty or not guilty.

XIII. As soon as the verdict is given, the Judge shall declare his approval or disapproval of it. If the Judge approves of a verdict of not guilty, the prisoner shall be discharged : if the judge approves of a verdict of guilty, he shall proceed to pass sentence on the prisoner, or send the proceedings for final sentence to the Nizamut or Foujdaree Adawlut, as the case may be, according to law ; and the jury shall have no voice in deciding on the amount of punishment to be awarded : if the Judge disapproves of the verdict, he shall refer the case with his observations to the Nizamut or Foujdaree Adawlut. In the last mentioned case the jury shall also be empowered to record, under the hand of their foreman, the reasons for their verdict, which the Judge shall send with the other records of the trial.

XIV. An appeal shall lie to the Nizamut or Foujdaree Adawlut against the decision of the Judge in setting aside a juryman objected to : if on such appeal the objection is sustained, the Court may order a new trial.

XV. The Governor General of India in Council may from time to time suspend the operation of the previous Sections of this Act in those districts in which there is not a sufficient number of inhabitants qualified to furnish a jury.

XVI. After the passing of this Act no Futwah shall be required in any case from the law officer of any Court.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 26th day of January 1830.

VIII. Within one month after the expiration of every twelve calendar months from the date of the registry of the first memorial, the Managers shall cause a further memorial to be registered in the same Court, setting forth the same particulars with respect to the persons then being shareholders of the Company, and also the persons then being Managers of the Company.

IX. XI. An office copy of any such registered deed or memorial or of any part thereof, issued under the seal of the Court, shall be received in evidence before all Courts as proof of the contents thereof, and no proof shall be required that the person, by whom any such memorial purports to be verified, was a Manager of the Company.

XII. The keeper of the records of the Supreme Court shall allow all persons at reasonable times to inspect any such deed or memorial, and shall furnish office copies of any such deed or memorial, or any part thereof under the seal of the Court, to all persons applying for the same.

XIV. Subject to the provisions of the deed of partnership, every shareholder in any such registered Company may sell and transfer all or any of his shares therein by a deed according to the form in the Schedule annexed to this Act, or to the like effect, and the same, when duly executed, shall be delivered to the Secretary, who shall make an entry thereof in a book to be called the Register of Transfers, and shall endorse such entry on the deed of transfer, and deliver an acknowledgment of the receipt thereof to the purchaser, for which entry and endorsement the Company shall be entitled to have a fee not exceeding one rupee; and until such transfer is so entered and endorsed the purchaser of the share shall not be entitled to receive any share of the profits of the business, or to vote in respect of such share.

XV. No shareholder shall be entitled to transfer any share until he has paid all calls at that time due on every share held by him.

XVI. The directors may close the register of transfers for a time not exceeding fourteen days before each ordinary half yearly meeting, and may fix a day for closing the same, of which seven days, notice shall be given in the *Government Gazette*.

XVII. XXII. No suit by or against the Company shall be in any wise affected by the defendant or plaintiff therein being or having been a shareholder of the Company; but any such shareholder, either alone or jointly with any other person or persons as against the Company, or the Company as against any such shareholder, either alone or jointly with any other person or persons, shall have the same right of action, remedy and execution, in respect of any claim whatever, as the shareholder or Company would have had, if such claim had been against a stranger.

XXIII. Every judgment in any proceeding against the Company shall be executed in the first instance, against the joint property and effects of the Company only, and not, except as hereinafter provided, against the separate property and effects of any shareholder.

XXIV. Any plaintiff, having obtained such judgment against the Company, which is not satisfied within fourteen days thereafter, may apply to the Supreme Court of Judicature for a rule or rules, calling upon any one or more of the persons, who at the time when the proceedings were commenced were registered shareholders of the Company, simultaneously or successively, to shew cause why execution in satisfaction of such judgment should not be had against him or them.

XXV. On the return of any such rule, the Court may, if it shall think fit, direct an issue or issues to be tried for determining any disputed points which are material to its judgment, and may either discharge or make the rule absolute, or make such order or orders therein, and as to the costs of the application as to the Court shall seem fit; and, if any such rule is made absolute, such writ of execution shall be sued out thereon as the Court, from time to time, shall devise and order, and execution of any such writ shall be had in like manner as of any other writ of the like nature.

XXVI. If satisfaction of the judgment cannot be had by the proceedings against the Company or the registered shareholders as aforesaid, the plaintiff may have execution, in like manner, against the person, property, and effects of any person who, within three years before the time when the proceeding was commenced, in which such judgment was obtained, was a registered proprietor, either when the cause of action arose, or at any time subsequently.

XXVII. Every person, against whom or against whose property and effects any such judgement shall have been executed, shall be reimbursed out of the property and effects of the Company for all monies paid, and for all damages sustained by him, to be ascertained and certified by some officer of the court out of which the judgment issued, and shall be entitled forthwith to have execution against the property and effects of the Company for the amount of such expenses and damages with lawful interest thereon.

XXVIII. If such shareholder or former shareholder be not thereby fully paid all such expenses and damages

with interest thereon, the amount thereof or of so much as he has not received shall be divided into as many parts as there are then shares in the said business, not including forfeited shares, and the holder of every share for the time being shall pay one of such parts on demand, and in default thereof the person, against whom execution was had in default of the Company, may apply to the court for a rule calling on every such shareholder to shew cause, why execution should not issue against him for the amount due from him; and, if such rule be made absolute, execution shall issue thereon as if the person suing out such rule had been the plaintiff, and the person to whom the rule is directed the defendant, in a suit in which judgment had been given for recovering such amount.

XXIX. If by the bankruptcy or insolvency of any shareholder, or from any other cause other than the neglect, or wilful default of the person entitled to have contribution as aforesaid from the shareholders, the amount of any number of such parts shall not be recovered from the persons liable to pay the same, the deficiency shall be again divided in like manner as the original amount of the expenses and damages incurred, and the same process shall be repeated, and so as often as shall be necessary, until the whole amount of the said expense and damage shall have been rateably contributed by all the solvent shareholders, according to the number of their shares respectively.

*Fort William, Home Department, Legislative,
the 20th October, 1849.*

The following Extract from the Proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 20th October, 1849, is published for general information.

Read a second time the Draft of a proposed Act, dated the 12th May, 1849, and published in the *Calcutta Gazette*, of the 23d May, 1849, for the more easy recovery of Small Debts and Demands in Calcutta, Madras and Bombay.

Resolution.—The President in Council resolves that the following amended Draft on the subject, be published for general information :

ACT No. — OF 1849.

An Act for the more easy recovery of Small Debts and Demands in Calcutta, Madras and Bombay.

Whereas it is expedient to amend the constitution and practice, and to extend the jurisdiction, of the several Courts established at Calcutta, Madras and Bombay, for the recovery of Small Debts, It is enacted as follows :

I. The several Courts of Commissioners and of Requests, for the recovery of Small Debts, now holden in the towns of Calcutta, Madras and Bombay, under the authority of the Charter of Justice of King George the Second, and of two Acts of Parliament, severally passed in the thirty-seventh year and fortieth year of the reign of King George the Third, and of the Regulations and Proclamations made, from time to time, for constituting, and for new modelling, altering and reforming the constitution and practice of the said Courts respectively, and of Act XII., 1848, shall be holden according to the provisions of this Act, from and after such several days as shall be declared within the said towns by proclamation, to be made and published in due form of law in each of the said towns by the Governor in Council.

II. Where in this Act the words "Governor in Council," or "Supreme Court," are used, they shall be taken to apply severally to the person or persons administering the executive Government, and to the Supreme Court, of each of the Presidencies of Fort William in Bengal, Fort St. George and Bombay, with reference only to the Court holden under this Act, in the same Presidency.

III. From and after the day declared in any such proclamation, all provisions of the said Charter of Justice, and Acts of Parliament, and of any Regulation, Act or Proclamation heretofore made concerning the constitution or practice of the Court, referred to in such proclamation, shall be rescinded and repealed.

IV. The style of the several Courts holden under this Act shall be the () Court of Small Causes, inserting in the blank space, Calcutta, Madras or Bombay, as the case requires.

V. The jurisdiction of the several Courts, holden under this Act, shall extend over the whole district now within the jurisdiction thereof respectively, and over such further district as may, from time to time, be declared by proclamation of the Governor in Council: provided, that no proclamation for extending the district of any of the said Courts be made without the previous sanction of the Governor General of India in Council.

VI. Every Court holden under this Act shall be a Court of Record.

VII. All proceedings commenced in any of the said Courts, before the time when the constitution and practice of such Court shall be altered under this Act, may be continued, executed and enforced against all persons liable thereunto, in the same manner as if they had been commenced according to this Act: and each of the said Courts shall be empowered in any case of doubt as to the proper manner of continuing, executing or enforcing any such proceedings, to make such orders thereon as shall appear to the Court to be necessary for giving full effect to this enactment.

VIII. The Governor in Council shall appoint one, two or three persons to be Judges of the Court, one of whom shall be a Barrister at Law, or Advocate of one of the Supreme Courts of India, or of the Court of Session in Scotland.

IX. No Judge appointed under this Act shall, during his continuance as such Judge, practise as an advocate, attorney, or vakeel in any of the Queen's Courts, or in any Court of the East India Company, or trade or traffic for his own benefit, or for the benefit of any other person, or be the partner of any person so practising, trading, or trafficking.

X. The Governor General of India in Council may remove any such Judge on the application of the Governor in Council.

XI. Any Judge or Judges of the Supreme Court of Judicature, who shall consent to aid in the execution of this Act, may exercise all the powers of a Judge appointed under this Act, and suits may be tried by him under this Act in like manner as if he were a Judge of the Court of Small Causes.

XII. There shall be a Clerk for every Court holden under this Act, whom the Judges of the Court shall appoint, subject to the approval of the Governor in Council, and may remove, subject to the like approval: if necessary, additional Clerks may be appointed with the sanction of the Governor in Council.

XIII. The Clerk of each Court shall issue all summonses, warrants, precepts and writs of execution, and keep an account of all proceedings of the Court, and shall take charge of, and keep an account of all Court fees, and fines payable or paid into Court, and of all monies paid into, and out of Court, and shall enter an account of all such fees, fines, and monies in a book belonging to the Court, to be kept by him for that purpose, and shall monthly, or at such other times as shall be directed by the Governor in Council, submit his accounts to be audited or settled in such manner as the Governor in Council, from time to time, shall direct.

XIV. The Judges of every such Court shall, from time to time, appoint a sufficient number of persons to be Bailiffs of the Court, not exceeding the number, from time to time, allowed by the Governor in Council, and may at their pleasure suspend or dismiss any Bailiff so appointed.

XV. The Bailiffs shall attend every sitting of the Court, for such time as shall be required by the Judges, and shall serve all the summonses and orders, and execute all the warrants, precepts, and writs, issued out of the Court; and shall, in the execution of their duties, conform to all such general rules as shall be, from time to time, made for regulating the proceedings of the Court.

XVI. Every Clerk, or other Officer of any such Court, who shall, by himself or by any partner, or in any way, directly or indirectly be concerned or act as attorney, or vakeel, or be concerned in any trade or profession on his own account, or for any other person, shall forfeit and pay the sum of Five Hundred Rupees to any person who shall sue for the same in the Supreme Court by action of debt or on the case.

XVII. The Clerk and Bailiffs shall give security for such sum, and in such manner and form, as the Governor in Council, from time to time, shall order, for the due performance of their several offices, and for the due accounting for and payment of all monies received by them under this Act, or which they may become liable to pay for any misbehaviour in their office.

XVIII. There shall be payable in the Courts holden under this Act the fees set forth in the annexed Schedule beside the sum of two annas in the rupee on the amount of the sum claimed, which fees shall be paid over to an account to be termed the General Fund of the Court.

XIX. The rateable fee or commission shall be paid by the plaintiff before the summons issues; the other fees on every proceeding shall be paid in the first instance by the plaintiff or party on whose behalf such proceeding is to be had, on or before such proceeding: if the plaintiff recovers a less sum than he has demanded, the defendant shall not, in any case, be required to repay to him more than the fees and commission calculated upon the sum recovered. If the case

is settled by agreement of the parties, before hearing, half the amount of the fees paid up to that time shall be returned to the parties by whom they have been severally paid. The Judges of the said Court may at their discretion grant summonses to poor plaintiffs without deposit, or with a partial deposit of fees, and commission, and also may remit costs wholly or partially to poor suitors.

XX. The Governor in Council may, at any time, lessen the amount of the fees to be taken in the Courts holden under this Act in such manner as to him shall seem fit, and may again increase such fees, so that the scale of fees given in this Act be not in any case surpassed.

XXI. The Governor in Council, shall, from time to time, make such rules as to him shall seem meet for securing the balances, and other sums of money in the hands of any Officers of every Court holden under this Act, and for the due accounting for and application of all such balances and other sums of money.

XXII. The Courts shall sit daily, except on Sundays, Christmas-day, and Good Friday, and on Native or other Holidays, which the Governor in Council shall direct the Court to observe; and each of the Judges may sit apart from the others or with either of them, at the same time or at different times; and any one or two of the said Judges so sitting apart shall have all the judicial authority, which is herein given to all the Judges.

XXIII. A Seal shall be made for every Court holden under this Act, under the direction of the Governor in Council, and all summonses and other process issuing out of the Court shall be sealed or stamped with the seal of the Court; and every person, who shall forge the seal or any process of the Court, or who shall serve or enforce any such forged process, knowing the same to be forged, or deliver or cause to be delivered to any person any paper falsely purporting to be a copy of any summons, or other process of the said Court, knowing the same to be false, or who shall act or profess to act under any false colour or pretence of the process of the said Court, shall be guilty of felony.

XXIV. All suits, where the debt or damage claimed or value of the property in dispute is not more than Five Hundred Rupees, whether on balance of account or otherwise, may be brought in the Court of Small Causes; and all such suits brought in the said Court shall be heard and determined in a summary way. Provided always, that the Court shall not have jurisdiction in any matter concerning the revenue, or concerning any Act ordered or done by the Governor, or Governor General, or any Member of the Council of India, or of any Presidency in his public capacity, or done by any person by order of the Governor General or Governor in Council, or concerning any Act ordered or done by any Judge or Judicial Officer in the execution of his office, or by any person in pursuance of any judgment or order of any Court, or any such Judge or Judicial Officer, or in any suit for libel or slander.

XXV. On the application of any person desirous to bring a suit under this Act, the Clerk of the Court shall issue under the seal of the Court a summons, which shall be numbered, and shall set forth the names of the plaintiff and defendant, the cause of action with such particulars as shall be, from time to time, directed by the Rules of the Court, and the amount sued for, and shall be served on the defendant, so many days before

the day on which the Court shall be holden at which the cause is to be tried as shall be directed by the rules for regulating the practice of the Court; and delivery of such summons to the defendant, or in such other manner as shall be specified in the rules of practice, shall be deemed good service; and no misnomer or inaccurate description of any person or place in any such summons shall vitiate the same, if the person or place be therein described so as to be commonly known.

XXVI. No misstatement of the cause of action in the summons issued under this Act, shall vitiate the same, and the Judges of the Court may, in their discretion, rectify such misstatement as soon as discovered, and alter the record accordingly, and if the defendant, or one of the defendants be present in Court at the time of such discovery, the hearing of the cause after the record shall have been so altered, shall be proceeded with as if no such misstatement had happened, but in the absence of the defendant or of all the defendants a new summons of the same number and date as the original summons shall be issued with the altered statement of the cause of action.

XXVII. All persons shall be deemed within the jurisdiction of the Court, who dwell or carry on their business or work for gain within the district of the Court at the time of bringing the action, or who did so dwell or carry on their business or work therein at the time when the cause of action arose, or within six months before the time of bringing the action for causes of action which arose within the same time.

XXVIII. Any summons or other process of any of the said Courts, service of which is needed out of the district of the Court may be exhibited in any Court of Law, or before any Magistrate, and shall be thereupon endorsed by the Magistrate or Judge of such Court; and, when so endorsed, may be served in like manner as any order or process from such Court or Magistrate; and such service shall be as valid as if the same had been made by the Bailiff of the Court out of which such summons or other process shall have issued within the jurisdiction of the Court for which he acts.

XXIX. Service of any summons or other process of the Court, which shall require to be served out of the district of the Court, may be proved by affidavit, or solemn affirmation, purporting to be sworn or made before any Judge or Magistrate; and, in every case of the unavoidable absence of the Bailiff by whom any summons or other process of the Court has been served, the service of such summons or other process may be proved, if the Judges think fit, in the same manner as a summons served out of the district of the Court.

XXX. Any minor may prosecute a suit in any Court holden under this Act for any sum of money not greater than Five Hundred Rupees, which may be due to him for wages or piecework, or for work as a servant, in the same manner as if he were of full age.

XXXI. The jurisdiction of the Court shall extend to the recovery of any demand, not exceeding the sum of Five Hundred Rupees, which is the whole or part of the unliquidated balance of a partnership account, or the amount or part of the amount of a distributive share under an intestacy, or of any legacy under a will.

XXXII. Any executor or administrator may sue and be sued in any Court holden under this Act, in like manner as if he were a party in his own

right; and judgment and execution shall be such as in the like case would be given or issued in the Supreme Court in the like case: but no executor or administrator shall be summoned in that capacity within six months after the death of the person, whose executor or administrator he is.

XXXIII. A plaintiff shall not be allowed to divide any cause of action, for the sake of bringing two or more suits in any of the said Courts; but any plaintiff, having cause of action for more than Five Hundred Rupees, may abandon the excess, which shall be entered in the Plaint book and stated in the summons, and thereupon the plaintiff shall, on proving his case, recover to an amount not exceeding Five Hundred Rupees; and the judgment of the Court shall be in full discharge of all demands in respect of such cause of action; and entry of the judgment shall be made accordingly.

XXXIV. The Governor General and Members of the Supreme Council of India, the Governors and Members of Council of the Presidencies of Fort William in Bengal, Fort St. George and Bombay respectively, and the Chief Justices and Judges of the several Supreme Courts established therein by Royal Charter, shall not be liable to arrest or imprisonment by process issuing out of any Court holden under this Act, and no writ or process shall be sued out of the said Court against any of the persons privileged by Act No. I., 1844, or Act No. XVIII., 1848, without the consent of the Governor in Council.

XXXV. Where any plaintiff shall have any demand recoverable under this Act, whether founded on contract or wrong, against two or more persons jointly answerable, it shall be sufficient if any of such persons be served with process, and judgment may be obtained and execution issued against the person or persons so served, notwithstanding that others, jointly liable, may not have been served or sued, or may not be within the jurisdiction of the Court; and every such person against whom judgment shall have been obtained under this Act, and who shall have satisfied such judgment, shall be entitled to demand and recover in the Court, holden under this Act, contribution from any other person jointly liable with him; and in all cases of misjoinder of defendants, the Judges may order the suit to proceed against such of the defendants only against whom cause of action appears, and may give judgment against them only; giving also judgment for costs for the defendants improperly joined.

XXXVI. The Judges of the Court shall be empowered to determine all questions as well of fact as of law, in all cases which they have authority to try.

XXXVII. On the day in that behalf named in the summons, the plaintiff shall appear, and thereupon the defendant shall be required to appear to answer, and on answer being made in Court, the Judges shall proceed in a summary way to try the cause, and give judgment, without further pleading or formal joinder of issue.

XXXVIII. A defendant, having any cause of action against the plaintiff, whether or not the same exceeds Five Hundred Rupees, shall be entitled to set the same against the plaintiff's demand, and if judgment is given in such case for the plaintiff, shall be entitled to sue the plaintiff for the balance only of his original demand; after deducting the amount of debt or damages and costs recovered against him under this Act.

XXXIX. The Judges may, in any case, with the consent of both parties to the suit, order the same, with or without other matters within the jurisdiction of the Court in dispute between such parties, to be referred to arbitration, to such person or persons, and in such manner, and on such terms as they shall think reasonable and just; and such reference shall not be revocable by either party, except by consent of the Judges; and the award of the arbitrator or arbitrators or umpire shall be entered as the judgment in the cause, and shall be as binding and effectual to all intents, as if given by the Judges; provided, that the Judges may, if they think fit, on application to them at the first Court held after the expiration of one week, after the entry of such award, set aside any such award, or may, with the consent of both parties, revoke the reference, or order another reference to be made in the manner aforesaid.

XL. The Judges of each Court, holden under this Act, subject to the approval of the Judges of the Supreme Court, shall have power to make and issue all the general rules for regulating the practice and proceedings of the Court, and also to frame forms for every proceeding in the Court for which they shall think it necessary that a form be provided, and also for keeping all books, entries, and accounts to be kept by the Clerk of the Court, and, from time to time, to alter any such rule or form; and the rules so made and the forms so framed, shall be observed and used in the Court of that Presidency, and shall be sent to the Supreme Court for approval, but shall be of force until disapproved; and in any case, not expressly provided for herein, or by the said rules, the general principles of practice in the Supreme Court may be adopted and applied at the discretion of the Judges, to actions and proceedings in their Court.

XLI. If upon the day of the return of any summons, or at any continuation or adjournment of the said Court, or of the cause for which the said summons shall have been issued, the plaintiff shall not appear, the cause shall be struck out; and if he shall appear, but shall not make proof of his demand to the satisfaction of the Court, the Judges may nonsuit the plaintiff or give judgment for the defendant; and, in either case, where the defendant shall appear and shall not admit the demand, may award to the defendant, by way of costs and satisfaction for his trouble and attendance, such sum as they, in their discretion, shall think fit; and such sum shall be recoverable from the plaintiff by such ways and means as any debt or damage ordered to be paid by the same Court can be recovered: provided always, that if the plaintiff shall not appear when called upon, and the defendant, or some one duly authorized on his behalf, shall appear, and admit the cause of action to the full amount claimed, and pay the fees payable in the first instance by the plaintiff, the Court, if it shall think fit, may proceed to give judgment, as if the plaintiff had appeared.

XLII. If on the day so named in the summons, or at any continuation or adjournment of the Court, or cause in which the summons was issued, the defendant shall not appear or sufficiently excuse his absence, or shall neglect to answer when called in Court, the Judges, upon due proof of service of the summons, may issue a writ of attachment to compel the appearance of the defendant; or, in their discretion, may proceed to the hearing or trial of the cause on the

part of the plaintiff only; and the judgment thereupon shall be as valid as if both parties had attended; provided always, that the Judges in any such case, at the same or any subsequent Court, may set aside any judgment so given in the absence of the defendant, and the execution thereupon; and may grant new trial of the cause, upon such terms, as to payment of costs, giving security for debt or costs, or otherwise, as they think fit, on sufficient cause shown to them for that purpose.

XLIII. The Judges may, in any case, make orders for granting time to the plaintiff or defendant to proceed in the prosecution or defence of the suit, and also may, from time to time, adjourn any Court, or the hearing or further hearing of any cause, in such manner as to them may seem fit.

XLIV. The defendant in any action brought under this Act, for the recovery of money, whether for debt or damages, within such time as shall be directed by the rules for regulating the practice of the Court, may pay into Court such sum of money as he shall think a full satisfaction for the demand of the plaintiff, with the costs incurred by the plaintiff up to the time of such payment; and the said sum of money shall be paid to the plaintiff; but, if he shall elect to proceed, and, if the plaintiff shall recover no further sum in the action than shall have been so paid into Court, the plaintiff shall pay to the defendant the costs incurred by him in the said action after such payment; and such costs shall be settled by the Court, and an order shall thereupon be made by the Court for the payment of such costs by the plaintiff.

XLV. On the hearing or trial of any action or any other proceeding under this Act the parties thereto, their wives, and all other persons, may be examined, on behalf of either the plaintiff or defendant, subject nevertheless to the Acts and Regulations in force, with respect to the examination of women of a rank and situation in life, which, according to the customs of the country, would render it improper to compel them to appear in a Court of Justice.

XLVI. Every person shall be examined on oath, or when exempt by law from taking an oath in any Court of Justice, on solemn affirmation and every person, who, in any examination upon oath or solemn affirmation under this Act, shall wilfully and corruptly give false evidence, shall be deemed guilty of perjury.

XLVII. Either of the parties to the suit or any other proceeding under this Act may obtain, at the office of the Clerk of the Court, summonses to witnesses, with or without a clause requiring the production of books, deeds, papers and writings in their possession or control, and in any such summons any number of names may be inserted.

XLVIII. Every person, on whom any such summons shall have been served, either personally or in such other manner as shall be directed by the general rules or practice of the Court, and who shall refuse or neglect, without sufficient cause, to appear, or to produce any books, papers, or writings required by such summons to be produced, and also every person present in Court, who shall be required to give evidence, and who shall refuse to be sworn and give evidence, shall forfeit and pay such fine, not exceeding One Hundred Rupees, as the Judges shall set on him; and the whole or any part of such fine, in the discretion of the Judges, after deducting the costs, may

be applied towards indemnifying the party injured by such refusal or neglect.

XLIX. The Judges of any Court established under this Act, in all suits where the debt or demand exceeds the sum of Thirty Rupees, upon proof before them, that any defendant against whom a summons has been taken out, conceals himself from, or otherwise evades process of the Court, or is disposing of his property and effects with intent to defraud the plaintiff, or his creditors generally, or is about to withdraw his person or effects from the jurisdiction of the Court, may issue a warrant for the apprehension of such person, and may commit him to gaol until he shall find security for his appearance in the said Court from time to time, until judgment shall be pronounced in the suit commenced by such summons, and for payment of the amount and the costs which may be decreed against him therein.

L. Payment of any fine imposed by any Court under the authority of this Act may be enforced upon the order of the Judges, in like manner as payment of any debt adjudged in the said Court, and shall be accounted for as herein provided.

LL. All the costs of any action or proceeding in the Court, not herein otherwise provided for, shall be paid by or apportioned between the parties, in such manner as the Judges shall think fit; and, in default of any special direction, shall abide the event of the action; and execution may issue for the recovery of any such costs, in like manner as for any debt adjudged in the said Court.

LII. Every order and judgment of any Court holden under this Act, except as herein provided, shall be final and conclusive between the parties; but the Judges shall have power to nonsuit the plaintiff, in every case in which satisfactory proof shall not be given to them, entitling either the plaintiff or defendant to the judgment of the Court; and shall also in every case whatever have the power, if they shall think fit, to order a new trial to be had, upon such terms as they shall think reasonable, and in the meantime to stay the proceedings.

LIII. No cause commenced in any Court, holden under this Act, shall be removed from the said Court into the Supreme Court by any writ or process, unless the debt or damage claimed exceeds One Hundred Rupees, and then only by leave of a Judge of the said Supreme Court on proof to his satisfaction that some question of law is likely to arise therein, which, by reason either of its difficulty, novelty or general importance, or of some erroneous course of decision on the same point in the Court of Small Causes may appear to him fit to be tried in the Supreme Court, and upon such terms as to payment of costs, giving security for debt or costs, or otherwise, as he shall think fit.

LIV. The Judges of the Court of Small Causes may, in their discretion, reserve any question of law on which they entertain doubts, or which they shall be requested by either party to the suit to reserve, for the opinion of the Judges of the Supreme Court, and shall give judgment contingent upon the opinion of the said Supreme Court on a case which they shall thereupon be entitled to state to the said Court. If only two Judges sit together, and shall differ in opinion, the question, on which they differ shall be so referred.

LV. The Judges may make orders concerning the time or times, and by what instalments, any debt or damages or costs, for which judg-

ment shall be obtained in the said Court, shall be paid; and all such monies shall be paid into Court, unless the Judges shall otherwise order.

LVI. If there be cross judgments between the parties, execution shall be taken out by that party only, who shall have obtained judgment for the larger sum, and for so much only as shall remain after deducting the smaller sum; and satisfaction for the remainder shall be entered, as well as satisfaction on the judgment for the smaller sum; and, if both sums shall be equal, satisfaction shall be entered upon both judgments.

LVII. Whenever the Court shall have made an order for the payment of money, the amount shall be recoverable, in case of default or failure of payment thereof forthwith, or at the time or times and in the manner directed, by execution against the body or the goods and chattels of the person against whom such order is made without further notice or order; and the Clerk of the said Court, at the request of the person prosecuting such order, shall issue under the seal of the Court a writ of execution to one of the Bailiffs of the Court, which shall be his warrant to take the body of such person in execution, or to levy, or cause to be levied, by distress and sale of the goods and chattels of such person such sum of money as shall be so ordered, wheresoever they may be found within the district of the Court, and also the costs of the execution; and all Constables and other Peace Officers within their several jurisdictions shall aid in the execution of every such writ.

LVIII. If the Court shall have made any order for payment of any sum of money by instalments, execution upon such order shall not issue until after default in payment of some instalment according to such order; and execution or successive executions may then issue without further notice or order for the whole of the said sum of money and costs then remaining unpaid, or for such portion thereof as the Court shall order, either at the time of making the original order, or at any subsequent time, under the seal of the Court.

LIX. Whenever any warrant shall issue for taking in execution the body of any person under this Act, the Bailiffs of the Court shall be empowered, by virtue thereof, to take and convey him to any prison, appointed by the Governor in Council to be the prison of the Court, there to remain for such term as shall be directed by the warrant, not longer than six calendar months, or until he shall sooner perform the order of the Court.

LX. No person shall be imprisoned twice under the same judgment, nor shall execution against the body and goods issue at the same time under the same judgment.

LXI. Every person suing out a warrant of execution against the body of any other person under this Act shall deposit with the Clerk of the Court, at the time of the issue of the warrant, diet money for one week, after the rate of one anna and a half for each day, which shall be paid by the Clerk to the keeper of the prison at the time of the execution of the warrant.

LXII. Notice of the execution of every such warrant shall be forthwith given to the person at whose suit it issued, who shall thereupon deposit with the keeper of the prison, diet money for the remainder of the month in which the warrant is executed, after the same daily rate, and shall con-

tinue thereafter to deposit monthly with the said keeper, in advance, diet money at the same daily rate, for each month which the debtor is liable to be kept in prison at his suit.

LXIII. The diet money shall be employed for the subsistence of the prisoner; and if, by default of the detaining creditor, such diet money is not paid, the prisoner shall be entitled to his discharge by order of the Court.

LXIV. All diet money, which shall be spent in providing subsistence for any prisoner, shall be costs in the cause, and all diet money, which shall not be so spent, shall be repaid to the creditor advancing the same.

LXV. Whenever any prisoner shall offer good and reasonable security for payment of any debt or damage and costs, either in full or by instalments as the Court shall think reasonable, the Court may order him to be discharged on giving such security.

LXVI. Upon payment of the debt or damage and costs in full, the prisoner shall be entitled to be forthwith discharged.

LXVII. If the debt or damage and costs are not paid, the imprisonment shall not extinguish the liability to pay the same; but all property then belonging to or afterwards acquired by the prisoner shall be liable to be taken in execution after his discharge from prison for satisfaction thereof, or of so much thereof as is not paid, including the diet money actually expended for, subsistence of the prisoner.

LXVIII. Every Bailiff executing any process of execution issuing out of the said Court against the goods of any person, may, by virtue thereof, seize and take any of the goods of such person, (excepting the necessary wearing apparel and bedding of such person or his family, and the tools and implements of his trade,) and may also seize and take any money or Bank-notes, and any cheques, bills of exchange, promissory notes, bonds, specialties or securities for money belonging to any such person against whom any execution shall have issued as aforesaid.

LXIX. The Bailiff shall forthwith deliver any cheques, bills of exchange, promissory notes, bonds, specialties, or other securities for money, which shall have been so seized or taken as aforesaid, to the Clerk or other person appointed by the Judges to receive the same, who shall hold them as a security or securities for the amount directed to be levied by such execution, or so much thereof as shall not have been otherwise levied or raised for the benefit of the plaintiff; and the plaintiff may sue in the name of the defendant, or in the name of any person in whose name the defendant might have sued, for the recovery of the sum or sums secured, or made payable thereby, when the time of payment thereof shall have arrived.

LXX. If it shall, at any time, appear to the satisfaction of the Court that any defendant is unable, from sickness or other sufficient cause, to pay and discharge the debt or damages recovered against him, or any instalment thereof ordered to be paid as aforesaid, the Judges, in their discretion, may suspend or stay any judgment, order or execution given, made or issued in such action, for such time and on such terms as they shall think fit, and so, from time to time, until it shall appear by the like proof as aforesaid that such temporary cause of disability has ceased.

LXXI. No sale of any goods, which shall be taken in execution as aforesaid shall be made, until after the end of five days at least next following the day on which such goods have been so taken, unless such goods be of a perishable nature, or upon the request, in writing, of the party whose goods have been taken.

LXXII. Until such sale, the goods shall be deposited by the Bailiff by whom they were taken in some fit place, or they may remain in the custody of a fit person approved by the Judges to be put in possession by the Bailiff.

LXXIII. The Judges, from time to time, as they shall think proper, may appoint such and so many persons for keeping possession, and so many of their Bailiffs or other fit persons to be sworn brokers and appraisers for the purpose of selling or valuing any goods, chattels or effects taken in execution under this Act, as shall appear to them to be necessary, and may direct security to be taken from each of them, for such sum and in such manner as they shall think fit, for the faithful performance of their duties, without injury or oppression; and the Judges may dismiss any person, broker or appraiser so appointed.

LXXIV. No goods taken in execution under this Act shall be sold for the purpose of satisfying the warrant of execution; except by one of the brokers or appraisers so appointed.

LXXV. The costs to be demanded or taken for such appraisement and sale, shall be one anna in the rupee on the produce of the goods sold; and the Judges may apply the sum so raised as costs towards payment of the contingent charges and remuneration of the said brokers and appraisers, in such manner as shall be approved by the Governor in Council.

LXXVI. The Clerk of the Court shall keep an account of all sums received upon such sales, distinguishing the amount paid to the party entitled to the benefit of the execution, and the amount levied and retained as costs, and also of all sums allowed to the brokers and appraisers upon such sales.

LXXVII. Whenever any defendant against whom judgment shall have been given in the Court of Small Causes, shall go before execution thereof out of the jurisdiction of the Court, the Judge of any zillah or town where he shall be found, upon receiving from the plaintiff, either in person or by vakeel, an application in writing setting forth these facts, with a duly authenticated copy of the judgment of the Court, shall execute the said judgment in the manner prescribed by law for execution of his own decrees; unless the defendant shall allege any reasonable cause, why the judgment should not be executed, and shall give security to such amount as the Judge of such zillah or town shall deem reasonable, that he will, within such time as shall be allowed him for that purpose, either satisfy the judgment or produce a duly authenticated copy of an order of the Judges of the Court of Small Causes, discharging their former judgment.

LXXVIII. No judgment or execution shall be stayed, delayed or reversed upon or by any writ of error or *supersedeas* thereon; to be sued for the reversing of any judgment given in any Court holden under the provisions of this Act, unless the amount recovered exceeds One Hundred Rupees, and then only after the person suing out such writ shall become bound with two sufficient sureties to be approved by the Clerk of the Court,

in treble the sum adjudged to be recovered in the former judgment, to prosecute the said writ with effect, and also to satisfy and pay, (if the writ be not prosecuted, or if the judgment be affirmed), the debt or damages and costs adjudged, and all costs and damages to be awarded for the delay of execution.

LXXXIX. Upon every warrant of execution issued against the goods and chattels of any person, the Clerk of the Court shall cause to be stated the sum of money and costs adjudged with the sum paid for such warrant; and if the party against whom such execution shall be issued shall, before an actual sale of the goods and chattels, pay or cause to be paid or tendered unto the Clerk of the Court, or to the Bailiff holding the warrant of execution such sum of money and costs, as aforesaid, or such part thereof as the person entitled thereto shall agree to accept in full of his debt or damages and costs, together with the fees herein directed to be paid, the execution shall be superseded, and the goods and chattels of the said party shall be discharged and set at liberty.

LXXX. The Clerk of every Court holden under this Act shall cause a record of all summonses, and of all orders, and of all judgments and executions, and returns thereto, and of all fines, and of all other proceedings of the Court, to be fairly entered, from time to time, in a book or books belonging to the Court, which shall be kept at the Office of the Court; and shall be duly authenticated by one or more of the Judges; and such entries in the said book or books or a copy thereof bearing the seal of the Court, and purporting to be signed and certified as a true copy by the Clerk of the Court, shall be admitted in all Courts and places as evidence of such entries, and of the proceeding referred to by such entry or entries, and of the regularity of such proceeding, without any further proof.

LXXXI. The Clerk of every such Court shall, in the month of *March*, in each year, make out a correct list of all sums of money belonging to suitors in the Court, which shall have been paid into Court, and which shall have remained unclaimed for five years before the first day of the month of *January* then last past, specifying the names of the parties for whom or on whose account the same were so paid into Court; and a copy of such list shall be put up and remain during Court hours in some conspicuous part of the Court house, and at all times in the Clerk's Office; and all sums of money which shall have been paid into any such Court, to the use of any suitor or suitors thereof, and which shall have remained unclaimed for the period of six years before the passing of this Act, and which are now in the hands of any Commissioner or Officer of such Court, or otherwise held in trust for such suitors, and all further sums of money, which shall hereafter be paid into such Court to the use of any suitor or suitors thereof, shall, if unclaimed for the period of six years after the same shall have been so paid into Court, be applicable as part of the fees receivable on account of the Court, and shall be carried to the same account; and no person shall be entitled to claim any sum which shall have remained unclaimed for six years; but no time during which the person entitled to claim such sum shall have been an infant or married woman or of unsound mind, or out of the Territories under the Government of the East India Company, shall be taken into account in estimating the said period of six years.

LXXXII. If any person shall wilfully insult any Judge, Clerk or Officer of the said Court, for the time being, during his sitting or attendance in Court, or shall wilfully interrupt the proceedings of the Court, or otherwise misbehave in Court, it shall be lawful for any Bailiff or Officer of the Court, with or without the assistance of any other person, by the order of the Judges to take such offender into custody, and detain him until the rising of the Court; and the Judges shall be empowered, if they shall think fit, by a warrant under their hands, and sealed with the seal of the Court, to commit any such offender to any prison to which they have power to commit offenders under this Act, for any time, not exceeding seven days, or to impose upon any such offender a fine, not exceeding Fifty Rupees for every such offence, and in default of payment thereof to commit the offender to any such prison as aforesaid, for any time, not exceeding seven days, unless the said fine be sooner paid, or instead of inflicting summary punishment under this Act may cause the offender to be indicted in the Supreme Court, if the offence be an indictable misdemeanour.

LXXXIII. If any Officer or Bailiff of any Court holden under this Act shall be assaulted while in the execution of his duty, or if any rescue shall be made or attempted to be made of any person arrested, or goods levied under process of the Court, the person so offending shall be liable to a fine, not exceeding One Hundred Rupees, to be recovered by order of the Court, or before a Magistrate as hereinafter provided; and the Bailiff of the Court, or any Peace Officer in any such case, may take the offender into custody, (with or without warrant,) and bring him before such Court, or Magistrate accordingly.

LXXXIV. If any Bailiff of the said Court, who shall be employed to execute any warrant of the Court, shall, by neglect, or connivance or omission, lose an opportunity of executing such warrant, then upon complaint of the party aggrieved by reason of such neglect, connivance or omission, (and the fact alleged being proved to the satisfaction of the Court,) the Judges shall order the Bailiff to pay such damages as it shall appear that the plaintiff has sustained thereby, not exceeding in any case the sum of money for which the said execution is issued, and the Bailiff shall be liable thereto; and upon demand made thereof, and on his refusal so to pay and satisfy the same, payment thereof shall be enforced by such ways and means as are herein provided for enforcing a judgment recovered in the said Court, without prejudice nevertheless to the execution of the original warrant.

LXXXV. If any Clerk, Bailiff or Officer of the Court, acting under colour or pretence of the process of the said Court, shall be charged with extortion or misconduct, or with not duly paying or accounting for any money levied by him under the authority of this Act, the Judges may inquire into such matter in a summary way, and for that purpose may summon and enforce the attendance of all necessary parties in like manner as the attendance of witnesses in any case may be enforced, and, may make such order thereupon for the repayment of any money extorted, or for the due payment of any money so levied as aforesaid, and for the payment of such damages and costs, as they shall think just; and also, if they shall think fit, may impose such fine upon the Clerk, Bailiff or Officer, not exceeding One Hundred Rupees for each offence, as they shall deem adequate; and in default of payment of

any money so ordered to be paid, payment of the same may be enforced by such ways and means as are herein provided for enforcing a judgment recovered in the said Court.

LXXXVI. Every Clerk, Bailiff or other Officer employed in putting this Act or any of the powers thereof in execution, who shall wilfully and corruptly exact, take or accept any fee or reward whatsoever, other than his lawful salary, for any thing done or to be done by virtue of this Act, or on any account whatsoever, relative to putting this Act into execution, shall, upon proof thereof before the said Court, and in the case of a Clerk, on confirmation of the finding of the Court by the Governor in Council, be for ever incapable of serving, or being employed under this Act in any office of profit or emolument, and shall also be liable for damages as herein provided.

LXXXVII. If any claim shall be made to, or in respect of, any goods or chattels taken in execution under the process of any Court holden under this Act, or in respect of the proceeds or value thereof, by any person not being the party against whom such process has issued, the Clerk of the Court, upon application of the Officer charged with the execution of such process, as well before as after any action brought against such Officer, may issue a summons calling before the said Court, as well the party issuing such process as the party making such claim, and thereupon any action, which shall have been brought in the Supreme Court in respect of such claim, shall be stayed, and any Judge of the Supreme Court on proof of the issue of such summons, and that the goods and chattels were so taken in execution, may order the party bringing such action to pay the costs of all proceedings, had upon such action after the issue of such summons out of the Court of Small Causes, and the Judges of the Court of Small Causes shall adjudicate upon such claim and make such order between the parties in respect thereof, and of the costs of the proceedings as to them shall seem fit, and such order shall be enforced in like manner as any order made in any suit brought in such Court.

LXXXVIII. The powers of Act No. VII., 1847, to regulate distresses for small rents in Calcutta, shall be extended to the recovery of all arrears of rent not exceeding Five Hundred Rupees, and the Judges of every Court of Small Causes under this Act shall be empowered to exercise within their several jurisdictions the extended powers of the said Act; and the said Act shall be construed as if instead of Calcutta and the Settlement of Fort William in Bengal, the limits of the jurisdiction of the Court had been therein mentioned, and the Judges of the Court of Small Causes under this Act instead of the Commissioners of the Court therein mentioned, and the amount of Five Hundred Rupees instead of One Hundred Rupees, and the forms contained in the Schedule annexed to the said Act shall be altered accordingly, and shall refer to this Act instead of Act No. VII., 1847.

LXXXIX. The affidavit of arrear required by the said Act No. VII., 1847, may, in every case, be made either by the person entitled to such arrear or by his or her lawfully constituted attorney, and a warrant of distress may issue on such affidavit.

XC. Where any person shall hold or occupy any house, land or tenement, of which the value or the rent payable in respect thereof, does not exceed the rate of Five Hundred Rupees by the year, without leave of the owner, or under a lease or agreement which is ended, or duly determined by a legal notice to quit, and such

tenant, or, if such tenant do not actually occupy the premises, or occupy only a part thereof, any person by whom the same or any part thereof shall be then actually occupied, shall neglect or refuse to quit and deliver up possession of the premises, or of such part thereof respectively, the owner or his agent may take out a summons from the Court directed to such tenant or occupier, to show by what title he claims to hold or occupy the premises or part thereof.

XCI. If the tenant or occupier shall not thereupon appear at the time and place appointed, and show cause to the contrary, and shall still neglect or refuse to deliver up possession of the premises, or of such part thereof, of which he is then in possession, to the said owner or his agent, such owner or agent may give to the Court proof of the holding, and of the end or other determination of the tenancy, if any had existed, with the time or manner thereof, and of the right by which he claims the possession.

XCII. Upon proof of due service of the summons, and of the neglect or refusal of the tenant or occupier, as the case may be, the Judges may issue a warrant under the seal of the Court, to any Bailiff of the Court requiring and authorizing him within a period to be therein named not less than seven, or more than ten clear days from the date of such warrant, to give possession of the premises to such owner or agent, and such warrant shall be a sufficient warrant to the said Bailiff to enter upon the premises with such assistants as he shall deem necessary, and to give possession accordingly: Provided always, that entry upon any such warrant shall not be made on a Sunday, Good-Friday, or Christmas-day, or any other day observed by the Court as a Holiday, or at any time except between the hours of six in the morning and six in the afternoon: Provided also, that nothing herein contained shall be deemed to protect any person by whom any such warrant shall be sued out of the Court of Small Causes from any action which may be brought against him by any such tenant or occupier for such entry and taking possession, where such person had not, at the time of suing out the same as aforesaid, lawful right to the possession of the same premises.

XCIII. Such summons, as last aforesaid, may be served either personally or by leave of the Court, upon proof that the tenant or occupier is not to be found within the jurisdiction of the Court, by leaving the same with some person being in, and apparently residing at the place of abode of the person or persons so holding over as aforesaid; or if the place of abode of such person or persons shall either not be known or admission thereto cannot be obtained for serving such summons, by posting the said summons on some conspicuous part of the premises so held over.

XCIV. No action or prosecution shall be maintainable against the Judges or against the Clerk of the Court, by whom such warrant as aforesaid shall have been issued, or against any Bailiff or other person by whom such warrant may be executed, or summons affixed, for issuing such warrant, or executing the same respectively, or affixing such summons, by reason that the person by whom the same shall be sued out had not lawful right to the possession of the premises.

XCV. Where the owner, at the time of applying for such warrant as aforesaid, had lawful right to the possession of the premises, or of the

part thereof so held over as aforesaid, neither the said owner nor his agent, nor any other person acting in his behalf, shall be deemed to be a trespasser, by reason merely of any irregularity or informality in the mode of proceeding for obtaining possession under the authority of this Act; but the party aggrieved may, if he think fit, bring an action on the case, for such irregularity or informality, in which the damage alleged to be sustained thereby, shall be specially laid, and may recover full satisfaction for such special damage with costs of suit: Provided that, if the special damage so laid be not proved, the defendant shall be entitled to a verdict, and that, if proved, but assessed at any sum, not exceeding Ten Rupees, the plaintiff shall recover no more costs than damages, unless the Judge, before whom the trial shall have been holden, shall certify that in his opinion full costs ought to be allowed.

XCVI. In every case in which the person, by whom any such warrant shall be sued out of the Court of Small Causes, had not, at the time of suing out the same, lawful right to the possession of the premises, the suing out of any such warrant, as last aforesaid, shall be deemed a trespass by him against the tenant or occupier of the premises, although no entry shall be made by virtue of the warrant; and in case any such tenant or occupier will become bound with two sufficient Sureties, to be approved by the Clerk of the Court, in such sum as to the Judges shall seem reasonable, regard being had to the value of the premises and to the probable cost of such action, to sue the person by whom such warrant was sued out with effect and without delay, and to pay all the costs of the proceeding in such action, in case a verdict shall pass for the defendant, or the plaintiff shall discontinue or not prosecute his action, or become nonsuit therein, execution upon the warrant shall be stayed until judgment shall have been given in such action of trespass; and, if upon the trial of such action of trespass, judgment be given for the plaintiff, such judgment shall supersede the said warrant.

XCVII. Recovery of the possession of any such house, land or tenement shall be no bar to the institution of a regular suit, for trying the title thereunto, which may be brought in the Supreme Court, as if this Act had not been passed.

XCVIII. Every bond given on the removal of any action out of the Court of Small Causes or upon staying, delaying or reversing any judgment or execution awarded therein, or the execution of any such warrant of possession as aforesaid, or on moving for a new trial, or to set aside a verdict, judgment or nonsuit, shall be made to the other party to the action, and shall be approved by the Judges and attested under the seal of the Court; and if the bond so taken be forfeited, or if upon the proceeding for securing which such bond was given, the Judge, before whom such proceeding shall be had, shall not certify upon the record in Court, that the condition of the bond hath been fulfilled, the party to whom the bond shall have been so made may bring an action of debt and recover thereon: Provided always, that the Court in which such action as last aforesaid shall be brought may, by a rule of Court, give such relief to the parties liable upon such bond as may appear to him reasonable, and such rule shall have the nature and effect of a defence to such bond.

XCIX. All actions and proceedings, which before the passing of this Act, might have been brought in the Supreme Court, where any Officer

of the Court of Small Causes shall be a party, except in respect of any claim to any goods and chattels taken in execution of the process of the Court, or the proceeds or value thereof, may be brought and determined in the Supreme Court, at the election of the party suing or proceeding, as if this Act had not been passed.

C. If any action shall be commenced after the passing of this Act in the Supreme Court, for any cause other than those lastly herein before specified, for which a summons might have been taken out from a Court holden under this Act, and a verdict shall be found for the plaintiff for a sum less than Five Hundred Rupees, if the said action is founded on contract, or less than One Hundred Rupees, if it is founded on wrong, the plaintiff shall have judgment to recover such sum only, and no costs; and if a verdict shall not be found for the plaintiff the defendant shall be entitled to his costs as between attorney and client, unless in either case the Judge, who shall try the cause, shall certify on the back of the record that, by reason of the difficulty, novelty or general importance of the case, or of some erroneous course of decision on like cases in the Court of Small Causes, the action was fit to be brought in the Supreme Court.

CI. If any person shall bring any suit in the Supreme Court in respect of any grievance committed by the Clerk, Bailiff, or Officer of any Court holden under this Act, under colour or pretence of the process of the said Court, and upon the trial of the action, no greater damages shall be found for the plaintiff than the sum of Five Hundred Rupees, no costs shall be awarded to the plaintiff in such action, unless the Judge shall certify in Court, upon the back of the Record, that the action was fit to be brought in the Supreme Court.

CII. All penalties, fines and forfeitures by this Act, inflicted or authorized to be imposed, (the manner of recovering and applying whereof is not hereby otherwise particularly directed), upon proof before any Justice of the Peace or Magistrate having jurisdiction where the offender shall reside or be, or the offence shall be committed, either by the confession of the party offending, or by the oath or affirmation of any credible witness, shall be levied, with the costs attending the summons and conviction, by distress and sale of the goods and chattels of the party offending, by warrant under the hand of any such Justice or Magistrate, and the overplus (if any) after such penalties, fines and forfeitures, and the charges of such distress and sale are deducted, shall be returned, upon demand, unto the owner of such goods and chattels.

CIII. If any such penalties, fines and forfeitures respectively, shall not be paid forthwith upon conviction, it shall be lawful for such Justice or Magistrate to order the offender so convicted to be detained in safe custody until return can conveniently be made to such warrant of distress; unless such offender shall give sufficient security to the satisfaction of such Justice or Magistrate for his appearance before him on such day as shall be appointed for the return of such warrant of distress, such day not being more than eight days from the time of taking any such security, which security the Justice or Magistrate shall be empowered to take by way of recognizance or otherwise, as to him shall seem fit.

CIV. If upon return of such warrant it shall appear that no sufficient distress can be had

thereupon, or in case it shall appear to the satisfaction of the Justice or Magistrate, either by confession of the offender or otherwise, that he hath not within the jurisdiction of such Justice or Magistrate, sufficient goods and chattels, whereon to levy all such penalties, forfeitures, costs and charges, the Justice or Magistrate may, at his discretion, without issuing any warrant of distress, commit the offender to the Common Gaol or House of Correction, for any time not exceeding three calendar months, unless such penalties, forfeitures and fines, and all reasonable charges attending the recovery thereof, shall be sooner paid and satisfied.

CV. The monies arising from any such penalties, forfeitures and fines as aforesaid when paid and levied, shall, (if not by this Act directed to be otherwise applied,) be from time to time paid to the Clerk of the Court, and shall be applied in like manner as the fees thereof.

CVI. In all cases in which by this Act any penalty or forfeiture is made recoverable before a Justice or Magistrate, he may summon before him the party complained against, and on such summons may hear and determine the matter of such complaint; and, on proof of the offence, may convict the offender, and adjudge him to pay the penalty or forfeiture incurred, and proceed to recover the same, although no information in writing shall have been exhibited before him; and all such proceedings by summons without information in writing shall be as valid and effectual to all intents and purposes, as if an information in writing had been exhibited.

CVII. In all cases where any conviction shall be had for any offence committed against this Act, the form of conviction may be in the words or to the effect following: (that is to say,) "Be it remembered that on this . day of " in the year " A. B. is convicted before " a Magistrate " for the (or before a " Judge appointed under Act of 1849) of " having (state the offence;) and I (or we) the " said do adjudge the said " to forfeit and pay for the same " the sum of [or to be committed " to for the space of] given under " hand () and seal () " the day and year aforesaid."

CVIII. No order, verdict or judgment, or other proceeding, made concerning any of the matters aforesaid, shall be quashed or vacated for want of form.

CIX. Where any distress shall be made for any sum of money to be levied by virtue of this Act, the distress itself shall not be deemed unlawful, nor the party making the same be deemed a trespasser, on account of any defect or want of form in the information, summons, conviction, warrant of distress or other proceeding relating thereto, nor shall the party distraining be deemed a trespasser from the beginning, on account of any irregularity which shall afterwards be committed by the party so distraining, but the person aggrieved by such irregularity may recover full satisfaction for the special damage in an action upon the case.

CX. All actions and prosecutions to be commenced against any person for any thing done in pursuance of this Act, shall be commenced within three calendar months after the fact committed, and not afterwards, and notice in writing of such action, and of the cause thereof, shall be given to the defendant one calendar month at least before the commencement of the action; and no plaintiff shall recover in any such action, if tender of sufficient amends shall have been made before such action is brought, or if after action brought, a sufficient sum of money shall have been paid into Court, with costs by or on behalf of the defendant.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

Whereas it was enacted by Section IX., Regulation VII., 1832, of the Bengal Code, that " whenever in any civil suit the parties to such suit may be of different persuasions, when one party shall be of the Hindoo and the other of the Mahommedan persuasion, or where one or more of the parties to the suit shall not be either of the Mahommedan or Hindoo persuasions, the laws of those religions shall not be permitted to operate to deprive such party or parties of any property to which, but for the operation of such laws, they would have been entitled ;" and whereas it is expedient to extend the principle of that enactment throughout the territories subject to the Government of the East India Company, It is enacted as follows :

The following Draft of a proposed Act was read in Council for the first time on the 26th of October 1849 :

ACT No. — OF 1849.

An Act for abolishing exemption from the jurisdiction of the East India Company's Criminal Courts.

Whereas Her Majesty's British subjects, resident in the territories under the Government of the East India Company, without the towns of Calcutta and Madras,

and the town and Island of Bombay, are now, by law, exempt from the jurisdiction of the Criminal Courts, established by the East India Company in the said territories, to which all other persons, whether natives or other inhabitants in the said territories, beyond the said towns and Island, are amenable ; and whereas it is necessary for the due administration of justice that such exemption be abolished, It is enacted as follows :

I. In every part of the territories under the Government of the East India Company, without the towns of Calcutta and Madras, and the town and Island of Bombay, all persons are henceforth amenable to the jurisdiction of the Magistrates and Criminal Courts of the East India Company, and may be apprehended, tried, and punished by them respectively, according to the Regulations and Acts now or hereafter to be in force ; save only that no such Magistrate or Court shall have power under this Act to sentence to the punishment of death any of Her Majesty's natural-born subjects born in Europe, or the children of such subjects.

II. Every one of Her Majesty's natural-born subjects born in Europe, and every child of such subjects, convicted before any such Criminal Court of any offence, which, according to any Regulation or Act, now or hereafter to be in force, is punishable with death, shall be transported out of the territories under the Government of the East India Company, for life, or for such term as the Court shall adjudge.

III. The Judges and Magistrates of the Courts of the East India Company may, in any case in which it shall seem fit to them, with the approval of the Governor or Lieutenant Governor or Governor in Council of the Presidency or place, send any of Her Majesty's natural-born subjects, born in Europe, or the child of any such subject, charged with any offence before them, to be tried before the Supreme Court of Judicature, instead of trying and punishing him under this Act.

IV. Clause CV. of 53 George III., Chapter 155, being so much of an Act of Parliament, passed in the fifty-third year of the reign of King George the Third, for the better administration of justice within the British territories in India, as relates to assaults, forcible entries, or other injuries accompanied with force, which may be committed by British subjects, at a distance from the place where the Courts are established by Royal Charter, is repealed.

V. Nothing in this Act shall be deemed to take away the jurisdiction of the several Courts established by Royal Charter in Calcutta, Madras and Bombay, for the trial and punishment of treasons, felonies and misdemeanours, and for the due administration of criminal justice, according to the tenour of the said several Charters ; so nevertheless that no person shall be liable to be punished twice for the same offence.

VI. The word Magistrate, as used in this Act, shall be understood to mean every Officer, however styled who has authority to exercise all or any of the powers of a Magistrate.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 26th day of January 1850.

The following Draft of a proposed Act was read in Council for the first time on the 26th October 1849 :

ACT No. — OF 1849.

An Act for Trial by Jury.

Whereas the laws in force for trial by jury in certain cases require to be amended, and made the same throughout British India, It is enacted as follows :

I. Regulation X., 1827, of the Madras Code, Sections IV. V. VI., of Regulation VI., 1832, of the Bengal Code, and Section XXXII. of Act VII., 1843, are repealed ; but this repeal shall not affect the validity of any proceedings taken in any Court under the repealed Sections before the arrival of a copy of this Act at the Sudder station, where such Court is held, or any proceedings which may be then depending before such Court.

II. Every person who, at the time of his committal for trial before a Sessions Judge, claims to be tried by a jury, shall be entitled to be tried under this Act.

III. All persons of reputed intelligence, respectability and consideration, between the ages of twenty-five and fifty years, are qualified to serve on juries.

IV. All qualified persons are liable to serve on juries, unless included in any of the classes following, that is to say,

First.—Judges, magistrates, and other judicial officers, law officers, vakeels, officers and servants of the Courts of justice.

Second.—Commissioners, collectors, deputy collectors, and other persons in the revenue service.

Third.—Post masters, and persons in the service of the post office.

Fourth.—Officers and others in the Military Service of Her Majesty or the East India Company.

Fifth.—Surgeons and others, who openly and constantly practise in the profession of physic.

Sixth.—Chaplains, priests, and others employed in religious offices.

Seventh.—Principals, professors and teachers of any Government college or school.

Eight.—Ascetics, and other persons, who, by habit or religious vows, have relinquished all care of worldly affairs.

Ninth.—Persons disabled by permanent diseases, which confine them to their homes.

Tenth.—Persons specially exempt by any order of Government.

V. The collector in each district shall make out yearly, under the direction of the commissioner, a list of the names and the dwelling places of all persons within his district qualified and liable to serve on juries, whose usual dwelling place is not more than () miles from the Sudder station, where a Court of Sessions is held.

VI. Any person excluded from the list, who thinks that his rank, station and character entitle him to be included therein, and also every person improperly included therein, may require the collector to alter the list accordingly : if the collector shall not comply with the, an appeal from his decision shall lie to the commissioner, whose decision is final. The list, when finally made, shall be sent to the magistrate of the Sudder

VII. The magistrate at the Sudder station shall summon as many persons as seem to him to be needed for jury trials. The names shall be drawn by lot, excluding those who have served within two years, unless when the number cannot be made up without them.

VIII. All persons liable to serve on juries, who shall refuse, or without lawful excuse, to be allowed by the judge, neglect to attend when summoned, or who, when attending, shall refuse to try the prisoners whom they are charged to try, shall be liable to such reasonable fine as the judge, having regard to their rank and means of paying the fine, shall set on them for their contempt of Court : all such fines shall be subject to review on summary appeal to the Nizamut or Foujdaree Adawlut.

IX. Whenever any jury trial is to be had, five persons shall be chosen by lot at the time of holding the sessions, from those who attend on their summons : in default of a sufficient number, the judge shall make up the jury from the persons present in Court, or whom he shall cause to be summoned for the purpose.

X. Either the prosecutor or the prisoner may object to any of the persons chosen to be of the jury, stating the ground of his objection : if it is allowed by the Judge, the jurymen objected to shall be set aside for that trial and another chosen in his stead. The place of birth, descent, or creed of any jurymen shall not be lawful ground of challenge. If not objected to, the same jury may try as many prisoners successively as to the Judge seems expedient.

XI. One of the jury shall be appointed by the Judge to act as their foreman.

XII. All the evidence for and against the prisoner shall be taken in the presence and hearing of the jury, who shall also be entitled to suggest questions to the witnesses, which, if proper to be put, shall be put under the direction of the Judge. The following Draft of a proposed Act was read in Council for the first time on the 26th of October 1849.

ACT No. — of 1849.

An Act for giving privileges to Registered Companies.

For giving certain privileges to Registered Companies, It is enacted as follows :

I. A Registered Company within the meaning of this Act is an unincorporated Company of partners, associated under a deed registered according to this Act, which deed contains a provision, that the shares in the stock or business of the said Company are transferable without the consent of all the partners.

II. The Governor of Bengal, or Governor of Madras or Bombay in Council may grant to any persons desiring to register the Company to which they belong, a certificate that such Company is entitled to be registered under this Act.

III. Every petition for such certificate shall be signed by seven partners of the said Company at least, and shall set forth the following particulars, that is to say :

First.—The names and additions of all those who are at that time partners of the Company, and their usual places of residence.

Second.—The style under which the Company is to carry on its business.

Third.—The names of the principal place or places, within the Presidency in which they seek to be registered, where the business is to be carried on.

Fourth.—The proposed amount of capital stock, not being in any case less than () rupees, and the means by which it is to be raised, and the number of shares into which it is to be divided.

Fifth.—The amount of capital stock then paid, and where and how invested.

IV. The deed of partnership of every such Company in addition to any other provisions it may contain, shall contain specific provisions for the following purposes, that is to say :

First.—For holding Ordinary General Meetings of the Company twice at least in every year, at appointed times and places.

Second.—For holding Extraordinary General Meetings of the Company whenever seven shareholders, or any greater number may require it.

Third.—For the Management of the affairs of the Company, and the election and qualification of the Managers.

Sixth.—For the audit of the accounts of the Company, twice at least in each year, by two or more Auditors chosen at a General Meeting of the shareholders, and not being Managers at the time.

Seventh.—For the communication of the Auditors' report, and of a balance sheet, and profit and loss account, to every Shareholder, as often as the accounts are audited, and one week at least before each of the half yearly Meetings.

V. Such partnership deed shall be annexed to the petition ; and if the Governor or Governor in Council shall think fit, he may, in his discretion, grant such certificate and refer the said deed to the Advocate General to be by him settled and approved, for which the Advocate General shall be entitled to have from the Company a fee of ()

VI. As soon as the deed of partnership, as finally settled by the Advocate General, has been duly executed by all the Shareholders, personally or by their lawfully constituted Attornies, and one-half at least of the capital stock of the Company has been paid and invested in the name of the Company, any seven or more of the partners may petition the Supreme Court of Judicature for leave to register the deed in the said Court ; and the said Court or any Judge thereof, on being satisfied that the provisions of this Act have been duly complied with, may order the deed to be registered in the said Court ; and upon such registry the Company associated by the said deed shall be deemed a registered Company within the meaning of this Act.

VII. With the deed of partnership shall be registered a memorial, setting forth in alphabetical order the names of all the partners, with their several additions, places of abode, and the number of shares belonging to each, and the names of the Managers of the Company ; and in default of any other special provision in the deed, the persons by whom the petition for registry of the deed is signed shall be deemed the first Managers of the Company.

VIII. Within one month after the expiration of every twelve calendar months from the date of the registry of the first memorial, the Managers shall cause a further memorial to be registered in the same Court, setting forth the same particulars with respect to the persons then being shareholders of the Company, and also the persons then being Managers of the Company.

IX. When several persons are jointly interested in any share, the name addition and place of abode of every such person shall be separately entered in every such memorial, and each of such persons shall be considered as jointly and separately liable for the engagements of the Company on account of such share ; unless when such share belongs to any other registered Company, in which case the name of such Company shall be entered in the memorial instead of the names of the partners thereof.

X. The several memorials shall be signed by one of the Managers of the Company, and verified by a declaration before the Master of the Supreme Court ; and if any such declaration be false in any material particular, the person wilfully making such false declaration shall be liable to the penalties of perjury.

XI. An office copy of any such registered deed or memorial or of any part thereof, issued under the seal of the Court, shall be received in evidence before all Courts as proof of the contents thereof, and no proof shall be required that the person, by whom any such memorial purports to be verified, was a Manager of the Company.

XII. The keeper of the records of the Supreme Court shall allow all persons at reasonable times to inspect any such deed or memorial, and shall furnish office copies of any such deed or memorial, or any part thereof under the seal of the Court, to all persons applying for the same.

XIII. Such fees shall be paid for registering every such deed and memorial, and for allowing inspection and furnishing copies thereof, or of any part thereof as the Judges of the Supreme Court, with the approval of the Governor or Governor in Council, from time to time, shall establish.

XIV. Subject to the provisions of the deed of partnership, every shareholder in any such registered Company may sell and transfer all or any of his shares therein by a deed according to the form in the Schedule annexed to this Act, or to the like effect, and the same, when duly executed, shall be delivered to the Secretary, who shall make an entry thereof in a book to be called the Register of Transfers, and shall endorse such entry on the deed of transfer, and deliver an acknowledgment of the receipt thereof to the purchaser, for which entry and endorsement the Company shall be entitled to have a fee not exceeding one rupee; and until such transfer is so entered and endorsed the purchaser of the share shall not be entitled to receive any share of the profits of the business, or to vote in respect of such share.

XV. No shareholder shall be entitled to transfer any share until he has paid all calls at that time due on every share held by him.

XVI. The directors may close the register of transfers for a time not exceeding fourteen days before each ordinary half yearly meeting, and may fix a day for closing the same, of which seven days, notice shall be given in the *Government Gazette*.

XVII. The Company shall not be bound to see to the execution of any trust, whether express implied or constructive, to which any share is subject; and the receipt of the person in whose name any share stands in the books of the Company, or in the case of a minor idiot or lunatic, the receipt of the guardian or Committee, or where the share stands in more than one name, the receipt of the person, whose name stands first, shall be a sufficient discharge to the Company for any dividend or other sum of money payable on account of such share, whether or not the Company had notice of any such trust; and the Company shall not be bound to see to the application of any money paid on such receipt.

XVIII. Every such registered Company shall sue and be sued by the registered name of the Company, as if it were an incorporated Company, and in no other manner.

XIX. In any indictment or information for any theft or embezzlement of the monies or goods of the said Company, or for any other offence committed against them or their property, or with intent to defraud or injure them, they may be described by the registered name of the Company.

XX. In any suit brought in the name of any such registered Company the plaintiffs shall be liable to be

nonsuited, unless it is proved on their part that the suit is brought by direction of one or more of the partners appointed at a general meeting to be managers or directors of the Company.

XXI. No such suit, indictment, information or other proceeding shall abate or be prejudiced by any change of the persons constituting the partnership, or of the managers.

XXII. No suit by or against the Company shall be in any wise affected by the defendant or plaintiff therein being or having been a shareholder of the Company: but any such shareholder, either alone or jointly with any other person or persons as against the Company, or the Company as against any such shareholder, either alone or jointly with any other person or persons, shall have the same right of action, remedy and execution, in respect of any claim whatever, as the shareholder or Company would have had, if such claim had been against a stranger.

XXIII. Every judgment in any proceeding against the Company shall be executed in the first instance against the joint property and effects of the Company only, and not, except as hereinafter provided, against the separate property and effects of any shareholder.

XXIV. Any plaintiff, having obtained such judgment against the Company, which is not satisfied within fourteen days thereafter, may apply to the Supreme Court of Judicature for a rule or rules, calling upon any one or more of the persons, who at the time when the proceedings were commenced were registered shareholders of the Company, simultaneously or successively, to shew cause why execution in satisfaction of such judgment should not be had against him or them.

XXV. On the return of any such rule, the Court may, if it shall think fit, direct an issue or issues to be tried for determining any disputed points which are material to its judgment, and may either discharge or make the rule absolute, or make such order or orders therein, and as to the costs of the application as to the Court shall seem fit; and, if any such rule is made absolute, such writ of execution shall be sued out thereon as the Court, from time to time, shall devise and order, and execution of any such writ shall be had in like manner as of any other writ of the like nature.

XXVI. If satisfaction of the judgment cannot be had by the proceedings against the Company or the registered shareholders as aforesaid, the plaintiff may have execution, in like manner, against the person, property, and effects of any person who, within three years before the time when the proceeding was commenced, in which such judgment was obtained, was a registered proprietor, either when the cause of action arose, or at any time subsequently.

XXVII. Every person, against whom or against whose property and effects any such judgment shall have been executed, shall be reimbursed out of the property and effects of the Company for all monies paid, and for all damages sustained by him, to be ascertained and certified by some officer of the court out of which the judgment issued, and shall be entitled forthwith to have execution against the property and effects of the Company for the amount of such expenses and damages with lawful interest thereon.

XXVIII. If such shareholder or former shareholder be not thereby fully paid all such expenses and damages

with interest thereon, the amount thereof or of so much as he has not received shall be divided into as many parts as there are then shares in the said business, not including forfeited shares, and the holder of every share for the time being shall pay one of such parts on demand, and in default thereof the person, against whom execution was had in default of the Company, may apply to the court for a rule calling on every such shareholder to shew cause why execution should not issue against him for the amount due from him; and, if such rule be made absolute, execution shall issue thereon as if the person suing out such rule had been the plaintiff, and the person to whom the rule is directed the defendant, in a suit in which judgment had been given for recovering such amount.

XXIX. If by the bankruptcy or insolvency of any shareholder, or from any other cause other than the neglect, or wilful default of the person entitled to have contribution as aforesaid from the shareholders, the amount of any number of such parts shall not be recovered from the persons liable to pay the same, the deficiency shall be again divided in like manner as the original amount of the expenses and damages incurred, and the same process shall be repeated, and so as often as shall be necessary, until the whole amount of the said expense and damage shall have been rateably contributed by all the solvent shareholders, according to the number of their shares respectively.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dāk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty-five,

three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Bookkeeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accomodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply estables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who choses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12, of the Conditions of Sale.

3rd. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining lots are disposed of, or if the quantity of 2,950 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future sale.

4th. Each lot to contain five Chests.

5th. A deposit, in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000, at the discretion of the Officer, superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be deemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government on or before 4 o'Clock of the afternoon of Wednesday, the 28th November 1849, or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be resold at such time or times, and under such conditions of Re-sale as the Board of Customs, Salt and Opium shall see fit, and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned condition, if remaining unredeemed on the said 28th November 1849, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and

the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertized for sale.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the fol-

lowing quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below :

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale at the Twelve Sales in the Months of November and December 1849, and January, February, March, April, May, June, July, August, September and October 1850, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity, not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the Season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 35,374 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{3}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

Whereas it was enacted by Section IX., Regulation VII., 1832, of the Bengal Code, that " whenever in any civil suit the parties to such suit may be of different persuasions, when one party shall be of the Hindoo and the other of the Mahommedan persuasion, or where one or more of the parties to the suit shall not be either of the Mahommedan or Hindoo persuasions, the laws of those religions shall not be permitted to operate to deprive such party or parties of any property to which, but for the operation of such laws, they would have been entitled ;" and whereas it is expedient to extend the principle of that enactment throughout the territories subject to the Government of the East India Company, It is enacted as follows :

The following Draft of a proposed Act was read in Council for the first time on the 26th of October 1849 :

ACT No. — OF 1849.

An Act for abolishing exemption from the jurisdiction of the East India Company's Criminal Courts.

Whereas Her Majesty's British subjects, resident in the territories under the Government of the East India Company, without the towns of Calcutta and Madras

and the town and Island of Bombay, are now, by law, exempt from the jurisdiction of the Criminal Courts, established by the East India Company in the said territories, to which all other persons, whether natives or other inhabitants in the said territories, beyond the said towns and Island, are amenable ; and whereas it is necessary for the due administration of justice that such exemption be abolished, It is enacted as follows :

I. In every part of the territories under the Government of the East India Company, without the towns of Calcutta and Madras, and the town and Island of Bombay, all persons are henceforth amenable to the jurisdiction of the Magistrates and Criminal Courts of the East India Company, and may be apprehended, tried, and punished by them respectively, according to the Regulations and Acts now or hereafter to be in force ; save only that no such Magistrate or Court shall have power under this Act to sentence to the punishment of death any of Her Majesty's natural-born subjects born in Europe, or the children of such subjects.

II. Every one of Her Majesty's natural-born subjects born in Europe, and every child of such subjects, convicted before any such Criminal Court of any offence, which, according to any Regulation or Act, now or hereafter to be in force, is punishable with death, shall be transported out of the territories under the Government of the East India Company, for life, or for such term as the Court shall adjudge.

III. The Judges and Magistrates of the Courts of the East India Company may, in any case in which it shall seem fit to them, with the approval of the Governor or Lieutenant Governor or Governor in Council of the Presidency or place, send any of Her Majesty's natural-born subjects, born in Europe, or the child of any such subject, charged with any offence before them, to be tried before the Supreme Court of Judicature, instead of trying and punishing him under this Act.

IV. Clause CV. of 53 George III., Chapter 155, being so much of an Act of Parliament, passed in the fifty-third year of the reign of King George the Third, for the better administration of justice within the British territories in India, as relates to assaults, forcible entries, or other injuries accompanied with force, which may be committed by British subjects, at a distance from the place where the Courts are established by Royal Charter, is repealed.

V. *Fort William, Home Department, Legislative,

The following Draft of a proposed Act was read in Council for the first time on the 26th October 1849:

Act No. — of 1849.

An Act for Trial by Jury.

Whereas the laws in force for trial by jury in certain cases require to be amended, and made the same throughout British India, It is enacted as follows:

I. Regulation X., 1827, of the Madras Code, Sections IV. V. VI., of Regulation VI., 1832, of the Bengal Code, and Section XXXII. of Act VII., 1843, are repealed; but this repeal shall not affect the validity of any proceedings taken in any Court under the repealed Sections before the arrival of a copy of this Act at the Sudder station, where such Court is held, or any proceedings which may be then depending before such Court.

II. Every person who, at the time of his committal for trial before a Sessions Judge, claims to be tried by a jury, shall be entitled to be tried under this Act.

III. All persons of reputed intelligence, respectability and consideration, between the ages of twenty-five and fifty years, are qualified to serve on juries.

IV. All qualified persons are liable to serve on juries, unless included in any of the classes following, that is to say,

First.—Judges, magistrates, and other judicial officers, law officers, vakeels, officers and servants of the Courts of justice.

Second.—Commissioners, collectors, deputy collectors, and other persons in the revenue service.

Third.—Post masters, and persons in the service of the post office.

Fourth.—Officers and others in the Military Service of Her Majesty or the East India Company.

Fifth.—Surgeons and others, who openly and constantly practise in the profession of physic.

Sixth.—Chaplains, priests, and others employed in religious offices.

Seventh.—Principals, professors and teachers of any Government college or school.

Eighth.—Ascetics, and other persons, who, by habit or religious vows, have relinquished all care of worldly affairs.

Ninth.—Persons disabled by permanent diseases, which confine them to their homes.

Tenth.—Persons specially exempt by any order of Government.

V. The collector in each district shall make out yearly, under the direction of the commissioner, a list of the names and the dwelling places of all persons within the district qualified and liable to serve on juries, whose usual dwelling place is not more than () miles from the Sudder station, where a Court of Sessions is held.

VI. Any person excluded from the list, who thinks that his rank, station and character entitle him to be included therein, and also every person improperly included therein, may require the collector to alter the list accordingly: if the collector shall not comply with the request, an appeal from his decision shall lie to the commissioner, whose decision is final. The list, when finally corrected, shall be sent to the magistrate of the Sudder station.

VII. The magistrate at the Sudder station shall summon as many persons as seem to him to be needed for jury trials. The names shall be drawn by lot, excluding those who have served within two years, unless when the number cannot be made up without them.

VIII. All persons liable to serve on juries, who shall refuse, or without lawful excuse, to be allowed by the judge, neglect to attend when summoned, or who, when attending, shall refuse to try the prisoners whom they are charged to try, shall be liable to such reasonable fine as the judge, having regard to their rank and means of paying the fine, shall set on them for their contempt of Court: all such fines shall be subject to review on summary appeal to the Nizamut or Foujdaree Adawlut.

IX. Whenever any jury trial is to be had, five persons shall be chosen by lot at the time of holding the sessions, from those who attend on their summons: in default of a sufficient number, the judge shall make up the jury from the persons present in Court, or whom he shall cause to be summoned for the purpose.

X. Either the prosecutor or the prisoner may object to any of the persons chosen to be of the jury, stating the ground of his objection: if it is allowed by the Judge, the juryman objected to shall be set aside for that trial and another chosen in his stead. The place of birth, descent, or creed of any juryman shall not be lawful ground of challenge. If not objected to, the same jury may try as many prisoners successively as to the Judge seems expedient.

XI. One of the jury shall be appointed by the Judge to act as their foreman.

XII. All the evidence for and against the prisoner shall be taken in the presence and hearing of the jury, who shall also be entitled to suggest questions to the witnesses, which, if proper to be put, shall be put under the direction of the Judge. At the end of the trial the Judge shall explain the evidence to the jury, and thereon the foreman shall declare, for the verdict of the jury, whether in their opinion, or in the opinion of a majority of them, the prisoner is guilty or not guilty.

XIII. As soon as the verdict is given, the Judge shall declare his approval or disapproval of it. If the Judge approves of a verdict of not guilty, the prisoner shall be discharged: if the judge approves of a verdict of guilty, he shall proceed to pass sentence on the prisoner, or send the proceedings for final sentence to the Nizamut or Foujdaree Adawlut, as the case may be, according to law; and the jury shall have no voice in deciding on the amount of punishment to be awarded: if the Judge disapproves of the verdict, he shall refer the case with his observations to the Nizamut or Foujdaree Adawlut. In the last mentioned case the jury also shall be empowered to record, under the hand of their foreman, the reasons for their verdict, which the Judge shall send with the other records of the trial.

XIV. An appeal shall lie to the Nizamut or Foujdaree Adawlut against the decision of the Judge in not setting aside a juryman objected to: if on such appeal the objection is sustained, the Court may order a new trial.

XV. The Governor General of India in Council may from time to time suspend the operation of the previous Sections of this Act in those districts in which there is not a sufficient number of inhabitants qualified to furnish a jury.

XVI. After the passing of this Act no Futwah shall be required in any case from the law officer of any Court.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 26th day of January 1850.

The following Draft of a proposed Act was read in Council for the first time on the 26th of October 1849.

ACT No. — OF 1849.

An Act for giving privileges to Registered Companies.

For giving certain privileges to Registered Companies, It is enacted as follows :

I. A Registered Company within the meaning of this Act is an unincorporated Company of partners, associated under a deed registered according to this Act, which deed contains a provision, that the shares in the stock or business of the said Company are transferable without the consent of all the partners.

II. The Governor of Bengal, or Governor of Madras or Bombay in Council may grant to any persons desiring to register the Company to which they belong, a certificate that such Company is entitled to be registered under this Act.

III. Every petition for such certificate shall be signed by seven partners of the said Company at least, and shall set forth the following particulars, that is to say :

First.—The names and additions of all those who are at that time partners of the Company, and their usual places of residence.

Second.—The style under which the Company is to carry on its business.

Third.—The names of the principal place or places, within the Presidency in which they seek to be registered, where the business is to be carried on.

Fifth.—The amount of capital stock then paid, and where and how invested.

IV. The deed of partnership of every such Company in addition to any other provisions it may contain, shall contain specific provisions for the following purposes, that is to say :

First.—For holding Ordinary General Meetings of the Company twice at least in every year, at appointed times and places.

Second.—For holding Extraordinary General Meetings of the Company whenever seven shareholders, or any greater number may require it.

Third.—For the Management of the affairs of the Company, and the election and qualification of the Managers.

Fourth.—For preventing the Company from purchasing any shares or making loans of money or

Fifth.—For preventing the loan of any money or securities for money to any Manager.

Sixth.—For the audit of the accounts of the Company, twice at least in each year, by two or more Auditors chosen at a General Meeting of the shareholders, and not being Managers at the time.

Seventh.—For the communication of the Auditors' report, and of a balance sheet, and profit and loss account, to every Shareholder, as often as the accounts are audited, and one week at least before each of the half yearly Meetings.

V. Such partnership deed shall be annexed to the petition ; and if the Governor or Governor in Council shall think fit, he may, in his discretion, grant such certificate and refer the said deed to the Advocate General to be by him settled and approved, for which the Advocate General shall be entitled to have from the Company a fee of ()

VI. As soon as the deed of partnership, as finally settled by the Advocate General, has been duly executed by all the Shareholders, personally or by their lawfully constituted Attornies, and one-half at least of the capital stock of the Company has been paid and invested in the name of the Company, any seven or more of the partners may petition the Supreme Court of Judicature for leave to register the deed in the said Court ; and the said Court or any Judge thereof, on being satisfied that the provisions of this Act have been duly complied with, may order the deed to be registered in the said Court ; and upon such registry the Company associated by the said deed shall be deemed a registered Company within the meaning of this Act.

VII. With the deed of partnership shall be registered a memorial, setting forth in alphabetical order the names of all the partners, with their several additions, places of abode, and the number of shares belonging to each, and the names of the Managers of the Company ; and in default of any other special provision in the deed, the persons by whom the petition for registry of the deed is signed shall be deemed the first Managers of the Company.

VIII. Within one month after the expiration of every twelve calendar months from the date of the registry of the first memorial, the Managers shall cause a further memorial to be registered in the same Court, setting forth the same particulars with respect to the persons then being shareholders of the Company, and also the persons then being Managers of the Company.

IX. When several persons are jointly interested in any share, the name addition and place of abode of every such person shall be separately entered in every such memorial, and each of such persons shall be considered as jointly and separately liable for the engagements of the Company on account of such share ; unless when such share belongs to any other registered Company, in which case the name of such Company shall be entered in the memorial instead of the names of the partners thereof.

X. The several memorials shall be signed by one of the Managers of the Company, and verified by a declaration before the Master of the Supreme Court ; and if any such declaration be false in any material particular, the person wilfully making such false declaration shall be liable to the penalties of perjury.

XI. An office copy of any such registered deed or memorial or of any part thereof, issued under the seal of the Court, shall be received in evidence before all Courts as proof of the contents thereof, and no proof shall be required that the person, by whom any such memorial purports to be verified, was a Manager of the Company.

XII. The keeper of the records of the Supreme Court shall allow all persons at reasonable times to inspect any such deed or memorial, and shall furnish office copies of any such deed or memorial, or any part thereof under the seal of the Court, to all persons applying for the same.

XIII. Such fees shall be paid for registering every such deed and memorial, and for allowing inspection and furnishing copies thereof, or of any part thereof as the Judges of the Supreme Court, with the approval of the Governor or Governor in Council, from time to time, shall establish.

XIV. Subject to the provisions of the deed of partnership, every shareholder in any such registered Company may sell and transfer all or any of his shares therein by a deed according to the form in the Schedule annexed to this Act, or to the like effect, and the same, when duly executed, shall be delivered to the Secretary, who shall make an entry thereof in a book to be called the Register of Transfers, and shall endorse such entry on the deed of transfer, and deliver an acknowledgment of the receipt thereof to the purchaser, for which entry and endorsement the Company shall be entitled to have a fee not exceeding one rupee; and until such transfer is so entered and endorsed the purchaser of the share shall not be entitled to receive any share of the profits of the business, or to vote in respect of such share.

XV. No shareholder shall be entitled to transfer any share until he has paid all calls at that time due on every share held by him.

XVI. The directors may close the register of transfers for a time not exceeding fourteen days before each ordinary half-yearly meeting, and may fix a day for closing the same, of which seven days, notice shall be given in the *Government Gazette*.

XVII. The Company shall not be bound to see to the execution of any trust, whether express implied or constructive, to which any share is subject; and the receipt of the person in whose name any share stands in the books of the Company, or in the case of a minor idiot or lunatic, the receipt of the guardian or Committee, or where the share stands in more than one name, the receipt of the person, whose name stands first, shall be a sufficient discharge to the Company for any dividend or other sum of money payable on account of such share, whether or not the Company had notice of any such trust; and the Company shall not be bound to see to the application of any money paid on such receipt.

XVIII. Every such registered Company shall sue and be sued by the registered name of the Company, as if it were an incorporated Company, and in no other manner.

XIX. In any indictment or information for any theft or embezzlement of the monies or goods of the said Company, or for any other offence committed against them or their property, or with intent to defraud or injure them, they may be described by the registered name of the Company.

XX. In any suit brought in the name of any such registered Company the plaintiffs shall be liable to be

nonsuited, unless it is proved on their part that the suit is brought by direction of one or more of the partners appointed at a general meeting to be managers or directors of the Company.

XXI. No such suit, indictment, information or other proceeding shall abate or be prejudiced by any change of the persons constituting the partnership, or of the managers.

XXII. No suit by or against the Company shall be in any wise affected by the defendant or plaintiff therein being or having been a shareholder of the Company: but any such shareholder, either alone or jointly with any other person or persons as against the Company, or the Company as against any such shareholder, either alone or jointly with any other person or persons, shall have the same right of action, remedy and execution, in respect of any claim whatever, as the shareholder or Company would have had, if such claim had been against a stranger.

XXIII. Every judgment in any proceeding against the Company shall be executed in the first instance against the joint property and effects of the Company only, and not, except as hereinafter provided, against the separate property and effects of any shareholder.

XXIV. Any plaintiff, having obtained such judgment against the Company, which is not satisfied within fourteen days thereafter, may apply to the Supreme Court of Judicature for a rule or rules, calling upon any one or more of the persons, who at the time when the proceedings were commenced were registered shareholders of the Company, simultaneously or successively, to shew cause why execution in satisfaction of such judgment should not be had against him or them.

XXV. On the return of any such rule, the Court may, if it shall think fit, direct an issue or issues to be tried for determining any disputed points which are material to its judgment, and may either discharge or make the rule absolute, or make such order or orders therein, and as to the costs of the application as to the Court shall seem fit; and, if any such rule is made absolute, such writ of execution shall be sued out thereon as the Court, from time to time, shall devise and order, and execution of any such writ shall be had in like manner as of any other writ of the like nature.

XXVI. If satisfaction of the judgment cannot be had by the proceedings against the Company or the registered shareholders as aforesaid, the plaintiff may have execution, in like manner, against the person, property, and effects of any person who, within three years before the time when the proceeding was commenced, in which such judgment was obtained, was a registered proprietor, either when the cause of action arose, or at any time subsequently.

XXVII. Every person, against whom or against whose property and effects any such judgment shall have been executed, shall be reimbursed out of the property and effects of the Company for all monies paid, and for all damages sustained by him, to be ascertained and certified by some officer of the court out of which the judgment issued, and shall be entitled forthwith to have execution against the property and effects of the Company for the amount of such expenses and damages with lawful interest thereon.

XXVIII. If such shareholder or former shareholder be not thereby fully paid all such expenses and damages

with interest thereon, the amount thereof or of so much as he has not received shall be divided into as many parts as there are then shares in the said business, not including forfeited shares, and the holder of every share for the time being shall pay one of such parts on demand, and in default thereof the person, against whom execution was had in default of the Company, may apply to the court for a rule calling on every such shareholder to shew cause why execution should not issue against him for the amount due from him; and, if such rule be made absolute, execution shall issue thereon as if the person suing out such rule had been the plaintiff, and the person to whom the rule is directed the defendant, in a suit in which judgment had been given for recovering such amount.

XXIX. If by the bankruptcy or insolvency of any shareholder, or from any other cause other than the neglect, or wilful default of the person entitled to have contribution as aforesaid from the shareholders, the amount of any number of such parts shall not be recovered from the persons liable to pay the same, the deficiency shall be again divided in like manner as the original amount of the expenses and damages incurred, and the same process shall be repeated, and so as often as shall be necessary, until the whole amount of the said expense and damage shall have been rateably contributed by all the solvent shareholders, according to the number of their shares respectively.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dāk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty-five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expense or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Bookkeeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply estables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

the 31st March, 1849.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Bookkeeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply estables must submit to his terms.

The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertized for sale.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account

of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below :

in 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 35,374 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

*Fort William, Financial Department,
the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to *insure*, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the

sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dāk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expense or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Bookkeeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expense in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

3rd. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining lots are disposed of, or if the quantity of 2,950 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future sale.

4th. Each lot to contain five Chests.

5th. A deposit, in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000, at the discretion of the Officer, superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government on or before 4 o'Clock of the afternoon of Wednesday, the 28th November 1849, or

on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be resold at such time or times, and under such conditions of Re-sale as the Board of Customs, Salt and Opium shall see fit, and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned condition, if remaining unredeemed on the said 28th November 1849, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Cheat as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleadings to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertized for sale.

No. 2. Report of the examination of said Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on

application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below :

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale at the Twelve Sales in the Months of November and December 1849, and January, February, March, April, May, June, July, August, September and October 1850, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity, not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the Season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 35,374 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by sel-

ling it at a Sale to be held expressly for the purpose.

Article 6th. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three Hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale; it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the Three Hundred Chests hereinbefore mentioned: the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information :

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dak, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty-five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accomodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who choses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

Post Master General, N. W. P.

4th. Each lot to contain five Chests.

5th. A deposit, in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000, at the discretion of the Officer, superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government on or before 4 o'Clock of the afternoon of Wednesday, the 28th November 1849, or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of Re-sale as the Board of Customs, Salt and Opium shall see fit, and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned condition, if remaining unredeemed on the said 28th November 1849, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall

be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

- No. 1. Certificate of the Opium now advertized for sale.
- No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below :

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the

Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods, to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 Mable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of 2/3ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

FORT WILLIAM, THE 16TH NOVEMBER, 1849.

Under instructions from the Hon'ble the Court of Directors, communicated in Military Letter to the Governor of the Presidency of Fort William in Bengal, No. 78, dated 19th September 1849, and with reference to Her Majesty's Warrant, dated 27th June 1846, the Hon'ble the President of the Council of India in Council, is pleased to establish the following General Rules regarding claims to indemnification for losses by Officers and Soldiers of the Armies of the three Presidencies, to have effect from this date; also to re-publish, under separate heads, the several Regulations on the subject now in force at this Presidency.

GENERAL RULES.

2. Indemnification is not intended to make good the full amount of loss sustained, but is granted only to such extent, as shall enable the claimant to re-equip himself for service.

3. Indemnification shall, invariably, be confined to losses, which have been altogether unavoidable, and may be granted in the following cases; viz.

First.—For losses in action with the Enemy.

Second.—By Capture.

Third.—By Shipwreck, or by inevitable casualties on Board Ship, occasioned by storms or stress of weather, when proceeding on duty.

Fourth.—By accidental Fire.

Fifth.—By the destruction of a public Store-house or,

Sixth.—By the destruction of Articles or of Horses, or Baggage Cattle, to prevent their falling into the hands of the Enemy, or to prevent the spreading of an infectious or contagious disorder.

4. Provided, that in all the above cases the Articles or Animals were placed in the situation in which the loss occurred, under the sanction of proper authority; that every exertion was used to prevent the loss; and that any orders for the destruction of Articles or of Animals were issued by competent authority, and carried into effect with all possible promptitude.

5. No claim can be admitted in the following cases, viz.

First.—Losses from desertion.

Second.—From Articles having been improperly packed, placed or left in improper situations.

Third.—From the death of Horses or Baggage Cattle by fatigue in the ordinary course of service.

Fourth.—From the breaking down of carriages, being private property.

Fifth.—From the loss of Accoutrements, Clothing, or necessaries in Hospital or,

Sixth.—From any circumstances whatever, which might have been prevented, by proper care and attention, on the part of the Regiment or of the claimant, or person in charge.

6. No claim can be admitted from the representatives of Officers or men slain in action, or dying in consequence of wounds.

7. No indemnification shall be granted for losses sustained by Officers when proceeding on, or returning from leave, nor to those in receipt of Boat Allowance, that allowance being on a scale sufficient to remunerate them for all expenses attendant on the insurance of their property, as well as for their boat accommodation.

8. If an Officer or a Soldier shall have neglected to bring forward his claim for a period exceeding one month from the date of his loss, this delay shall be considered a sufficient reason for rejecting the claim, however valid it may be in other respects, unless the claimant can prove that he was unavoidably prevented from making an earlier claim.

9. Whenever Baggage or Articles of Equipment are sent by a vessel in which the Officer to whom they belong, is not himself a passenger, it is incumbent upon such Officer, to protect himself against loss, by effecting an insurance thereupon, and if he has an opportunity of doing so, and neglects to avail himself of it, no compensation will be given by the State for any loss that may happen.

10. The Committee is to recommend such amount of compensation, in no case exceeding the prescribed maximum of Company's Rupees (125) One Hundred and Twenty-five, as taking into consideration their age, the period they have been in the service, and the amount originally paid for them, the owners may be deemed entitled to.

22. The proceedings of the Committee are to be prepared in accordance with the following Form ; and Officers commanding Corps of Irregular Cavalry, whose reports will accompany the proceedings of the Committee, are enjoined to comply strictly with the instructions contained in the foregoing paragraph.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information :—

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

<i>Name of Traveller.</i>	<i>Date of Arrival.</i>	<i>Date of Departure.</i>	<i>Amount Paid.</i>	<i>Remarks.</i>

2 Every European Traveller and every Traveller by Dāk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty-five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

Post Master General, N. W. P.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall

be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertized for sale.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below :

September and October 1850, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity, not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the Season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 35,374 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article 6th. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three Hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale; it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the Three Hundred Chests hereinbefore mentioned: the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

CECIL BEADON,
Secretary.

Govt. Book Agency, 31st August, 1849.

Govt. Book Agent.

Under the Patronage of the Government of India.

(Compiled by THOS. C. FENWICK.)

AN INDEX to the *Unrepealed Enactments of the Government of India*, from 1793 to March 1849, inclusive, to be completed in three Parts—**CIVIL, CRIMINAL and REVENUE.** *Part I. CIVIL*, containing 240 closely printed quarto pages, is **JUST PUBLISHED.** *Part II. CRIMINAL*, will be published by the end of January 1850, and *Part III., REVENUE*, by March of the same year.

The work is compiled on the plan of Dale's Index, and contains all the unrepealed portions of that work. The Epitome of the subsequent Enactments has been embodied, with considerable labour, from the Regulations and Acts themselves. The first portion of the work has received the approbation of several gentlemen in the Civil Service, at present holding high appointments in the Presidency, who have been pleased to examine it.

To Subscribers to all the Parts, or to any two Parts the price will be 12 Rs. for each Part. To those who may subscribe to one Part only, the price will still be 12 Rs., provided the Part subscribed for, does not exceed 240 pages. Should the pages exceed that number, an extra charge of 4 annas for every 5 pages will be made. Non-subscribers must be prepared to pay something more. Subscribers to both the unpublished portions of the work may obtain the Part published on the same terms as Subscribers to all the Parts.

It is hoped that the price fixed to the work will be found to be extremely moderate, especially when it is remembered that Dale's Index, which extends only to 1828, is offered even at the present day, for 32 Rs. a copy.

ALSO JUST PUBLISHED.

The Regulations and Acts of the Government of India, relating to the Military Service of the East India Company, attached to the Presidency of Fort William, and doing duty

within or without the Company's Territories, or beyond Seas. From 1793 to March 1849, inclusive, including the last Articles of War. The whole accompanied with a copious Index, containing altogether 200 quarto pages, price 8 Rupees.

This work is equally useful to Collectors and Magistrates as to Military men, and the price has been fixed with a view to make it available to the lowest grade of Officers, both Civil and Military.

fore interested in the premises shall be divested of all right, title and interest to and in the same.

Ordered, that the Draft now read be published for general information.

Fort William, Financial Department,
the 31st March, 1849.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal,

Madras and Bombay, to the extent of ⅔ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information :

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

H. B. RIDDELL,
Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dak, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month; using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

Post Master General, N. W. P.

Light Abreast the Santapillay Rocks.

The following Notification of the exhibition of a Light abreast the Santapillay Rocks, published by the Madras Marine Board is re-published here for general information.

By order of the Supdt. of Marine,
JAS. SUTHERLAND, Secy.

Fort William,
Marine Superintendent's Office,
The 23rd November, 1849.

Madras Marine Board Office, 22nd October 1849.

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles.

Bearings from the Rock.

Santapillay Lighthouse, . . .	N. 60° W.
Santapillay Village with the highest dis- tant Peak, a little open to the North, }	N. 55° W.
Next Sandy Hill to North, ...	N. 40° W.

The following information is furnished by Captain Biden, Master Attendant at Madras, who surveyed the Rocks in 1846.

NOTICE TO MARINERS.

SAILING INSTRUCTIONS as a guide when Ships or Vessels are on the Coast of Orix, or off the **SANTAPILLAY ROCKS.**

1. Whereas a recent survey of the **SANTAPILLAY ROCKS** under the direction of Lieutenant Fell, I. N., and a further inspection thereof, by the Master Attendant, on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark has hitherto been notified for the purpose of indicating their locality, and warning Commanders of Ships and Vessels of their near approach to those Rocks, it is therefore expedient to publish the following remarks

for the guidance of all Mariners who may navigate the Coast of Orissa, and the Bay of Bengal.

2. The Santapillay Rocks are in

Latitude 17° 59' 25" N.
Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found 10½ feet on the shallowest part; on the Eastern side 7 and 10 fathoms; and on the Western limit 10½ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. b. N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E to S. 57° E. and Santapillay Peak was bearing N. 43° W., the "Hugh Lindsay" was anchored in 9½ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast 3½ miles—Latitude by an indifferent observation 18° 1' N.

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings from the Steamer of 9, and 9½ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found 10½ and 10½ fathoms rocky

bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5 The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and 9½ fathoms within ¼ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

NOTIFICATION.

Fort William, the 8th October, 1849.

NOTICE is hereby given, that on Monday, the 26th November 1849, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the Provision of 1848-49, subject to the following conditions, viz :

Produce of Behar Agency, Chests,	2,085
Ditto of Benares, ditto, ...	865

Total Chests,..... 2,950

CONDITIONS OF SALE.

1st. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12, of the Conditions of Sale.

3rd. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining lots are disposed of, or if the quantity of 2,950 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future sale.

4th. Each lot to contain five Chests.

5th. A deposit, in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000, at the discretion of the Officer, superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this

Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government on or before 4 o'Clock of the afternoon of Wednesday, the 28th November 1849, or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of Re-sale as the Board of Customs, Salt and Opium shall see fit, and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned condition, if remaining unredeemed on the said 28th November 1849, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in

Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertized for sale.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below :

19th. It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale at the Twelve Sales in the Months of November and December 1849, and January, February, March, April, May, June, July, August, September and October 1850, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity, not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the Season within 30 days after the publication of this advertizement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 35,374 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to

himself the right of disposing of the Opium, which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article 6th. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three Hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale; it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the Three Hundred Chests hereinbefore mentioned: the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

CECIL BEADON,
Secretary.

SIR,

Her Majesty's Government having determined, in 1846, that an improved system of Education should be provided for the Non-Commissioned Officers and Soldiers of the Army, properly qualified persons have been trained at the Royal Military Asylum, Chelsea, for the purpose of being appointed Garrison or Regimental Schoolmasters.

One of these Students, having completed his education in the above Institution, has been appointed Schoolmaster to the 87th Foot, and proceeded with that Regiment to India.

I am directed, therefore, to transmit to you the enclosed copy of Her Majesty's Warrant, dated 2nd July 1846, fixing the Pay and position of these Schoolmasters, the former being two shillings and six pence a day, in addition to the usual allowance of 1d. a day as Beer Money; and I am to request, that necessary instructions may be issued to the authorities in India, for carrying the provisions of the above Warrant into execution, as regards the Schoolmaster appointed to the 87th Foot, or similar future appointments that may be made to Regiments serving in India.

I have the honor to be, &c.,

(Signed) L. SULLIVAN.

The Secretary to the East India House.

VICTORIA REG.

WHEREAS with the view of improving the system of instruction in the Regimental Schools, We have deemed it expedient to introduce into our Army a class of men better calculated to perform the duties of Schoolmasters in the several Regiments of Cavalry and Infantry, our Will and Pleasure is that such persons, as after having obtained a Certificate of fitness from the training School, established by our authority, shall be appointed Schoolmaster Serjeants, shall be allowed

the Pay of two shillings and six pence a day, with an increase of six pence a day, to be granted by our Secretary at War, at his discretion, for efficiency and Good Conduct.

The Schoolmaster Serjeant so appointed will take rank next after the Serjeant Major, and will be entitled, when placed on the Pension List, to an increase of six pence a day, to the Pension to which they would have been entitled as Serjeants.

It is our further will and pleasure that Assistant Schoolmasters, who shall have also obtained a similar Certificate of fitness, shall be allowed the Pay of Serjeant, with an increase of six pence a day, to be granted by our Secretary at War, at his discretion, for efficiency and good conduct.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information :

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

H. B. RIDDELL,
Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dak, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty-five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expense or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are

requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

Post Master General, N. W. P.

Light Abreast the Santapillay Rocks.

The following Notification of the exhibition of a Light abreast the Santapillay Rocks, published by the Madras Marine Board is re-published here for general information.

By order of the Supdt. of Marine,
JAS. SUTHERLAND, Secy.

The 23rd November, 1849.

Madras Marine Board Office, 22nd October 1849.

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles.

The following information is furnished by Captain Biden, Master Attendant at Madras, who surveyed the Rocks in 1846.

NOTICE TO MARINERS.

SAILING INSTRUCTIONS as a guide when Ships or Vessels are on the Coast of Orissa, or off the SANTAPILLAY ROCKS.

1. Whereas a recent survey of the SANTAPILLAY ROCKS under the direction of Lieutenant Fell, I. N., and a further inspection thereof, by the Master Attendant, on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark has hitherto been notified for the purpose of indicating their locality, and warning Commanders of Ships and Vessels of their near approach to those Rocks, it is therefore expedient to publish the following remarks for the guidance of all Mariners who may navigate the Coast of Orissa, and the Bay of Bengal.

2. The Santapillay Rocks are in
Latitude 17° 59' 25" N.
Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found 10½ feet on the shoalest part; on the Eastern side 7 and 10 fathoms; and on the Western limit 10½ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. b. N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E. to S. 57° E. and Santapillay Peak was bearing N. 43° W., the "Hugh Lindsay" was anchored in 9½ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast 3½ miles—Latitude by an indifferent observation 18° 1' N.

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings

from the Steamer of 9, and 9½ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found 10½ and 10½ fathoms rocky bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and 9½ fathoms within ¼ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

Master Attendant.

Govt. Book Agent.

Under the Patronage of the Government of India.
(Compiled by THOS. C. FENWICK.)

AN INDEX to the *Unrepealed Enactments of the Government of India*, from 1793 to March 1849, inclusive, to be completed in three Parts—**CIVIL**, **CRIMINAL** and **REVENUE**. *Part I. CIVIL*, containing 240 closely printed quarto pages, is **JUST PUBLISHED**. *Part II. CRIMINAL*, will be published by the end of January 1850, and *Part III., REVENUE*, by March of the same year.

The work is compiled on the plan of Dale's Index, and contains all the unrepealed portions of that work. The Epitome of the subsequent Enactments has been embodied, with considerable labour, from the Regulations and Acts themselves. The first portion of the work has received the approbation of several gentlemen in the Civil Service, at present holding high appointments in the Presidency, who have been pleased to examine it.

To Subscribers to all the Parts, or to any two Parts the price will be 12 Rs. for each Part. To those who may subscribe to one Part only, the price will still be 12 Rs., provided the Part subscribed for, does not exceed 240 pages. Should the pages exceed that number, an extra charge of 4 annas for every 5 pages will be made. Non-subscribers must be prepared to pay something more. Subscribers to both the unpublished portions of the work may obtain the Part published on the same terms as Subscribers to all the Parts.

It is hoped that the price fixed to the work will be found to be extremely moderate, especially when it is remembered that Dale's Index, which extends only to 1828, is offered even at the present day, for 32 Rs. a copy.

ALSO JUST PUBLISHED.

The Regulations and Acts of the Government of India, relating to the Military Service of the East India Company, attached to the Presidency of Fort William, and doing duty within or without the Company's Territories, or beyond Seas. From 1793 to March 1849, inclusive, including the

last Articles of War. The whole accompanied with a copious Index, containing altogether 200 quarto pages, price 8 Rupees.

This work is equally useful to Collectors and Magistrates as to Military men, and the price has been fixed with a view to make it available to the lowest grade of Officers, both Civil and Military.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information:

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

H. B. RIDDELL,
Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dāk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty-five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the sum of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

Post Master General, N. W. P.

No. 4177.

Light Abreast the Santapillay Rocks.

The following Notification of the exhibition of a Light abreast the Santapillay Rocks, published by the Madras Marine Board is re-published here for general information.

By order of the Supdt. of Marine,

JAS. SUTHERLAND, Secy.

Fort William,
Marine Superintendent's Office,
The 23rd November, 1849.

Madras Marine Board Office, 22nd October 1849.

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles.

Bearings from the Rock.

Santapillay Lighthouse.....	N. 60° W.
Santapillay Village with the highest dis- tant Peak, a little open to the North, }	N. 55° W.
Next Sandy Hill to North, ...	N. 40° W.

The following information is furnished by Captain Biden, Master Attendant at Madras, who surveyed the Rocks in 1846.

NOTICE TO MARINERS.

SAILING INSTRUCTIONS as a guide when Ships or Vessels are on the Coast of Orixá, or off the SANTAPILLAY ROCKS.

1. Whereas a recent survey of the SANTAPILLAY ROCKS under the direction of Lieutenant Fell, I. N., and a further inspection thereof, by the Master Attendant, on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark has hitherto been notified for the purpose of indicating their locality, and warning Commanders of Ships and

Vessels of their near approach to those Rocks, it is therefore expedient to publish the following remarks for the guidance of all Mariners who may navigate the Coast of Orixá, and the Bay of Bengal.

2. The Santapillay Rocks are in

Latitude 17° 59' 25" N.

Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discoloured water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found 10½ feet on the shoalest part; on the Eastern side 7 and 10 fathoms; and on the Western limit 10½ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. b. N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E to S. 57° E. and Santapillay Peak was bearing N. 43° W., the "Hugh Lindsay" was anchored in 9½ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast 3½ miles—Latitude by an indifferent observation 18° 1' N.

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings from the Steamer of 9, and 9½ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found 10½ and 10½ fathoms rocky bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and 9½ fathoms within ¼ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

(Signed) CHRIS. BIDEN,

Master Attendant.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of 3ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information:

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

**H. B. RIDDELL,
Post Master General, N. W. P.**

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the

sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dāk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who choses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

Post Master General, N. W. P.

Light Abreast the Santapillay Rocks.

The 23rd November, 1849. }

Madras Marine Board Office, 22nd October 1849.

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles.

The following information is furnished by Captain Biden, Master Attendant at Madras, who surveyed the Rocks in 1846.

NOTICE TO MARINERS.

SAILING INSTRUCTIONS as a guide when Ships or Vessels are on the Coast of Orixia, or off the SANTA-PILLAY ROCKS.

1. Whereas a recent survey of the SANTAPILLAY ROCKS under the direction of Lieutenant Fell, I. N., and a further inspection thereof, by the Master Attendant, on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark has hitherto been notified for the purpose of indicating their locality, and warning Commanders, of Ships and Vessels of their near approach, to those Rocks, it is therefore expedient to publish the following remarks for the guidance of all Mariners who may navigate the Coast of Orixia, and the Bay of Bengal.

2. The Santapillay Rocks are in

Latitude 17° 59' 25" N.
Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in

length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found $10\frac{1}{2}$ feet on the shoalest part; on the Eastern side 7 and 10 fathoms; and on the Western limit $10\frac{1}{2}$ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. b. N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E. to S. 57° E. and Santapillay Peak was bearing N. 43° W., the "Hugh Lindsay" was anchored in $9\frac{1}{2}$ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast $3\frac{1}{4}$ miles—Latitude by an indifferent observation $18^{\circ} 1' N.$

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings from the Steamer of 9, and $9\frac{1}{2}$ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found $10\frac{1}{2}$ and $10\frac{1}{4}$ fathoms rocky bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and $9\frac{1}{2}$ fathoms within $\frac{1}{2}$ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

(Signed) CHRIS. BIDEN,
Master Attendant.

*Fort William, Financial Department,
the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{3}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of *1s. 10d.* per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dāk, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty-five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so. they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

Post Master General, N. W. P.

The 23rd November, 1849. }

Madras Marine Board Office, 22nd October 1849.

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles.

Bearings from the Rock.

Santapillay Village with the highest dis- }
tant Peak, a little open to the North, } N. 55° W.
Next Sandy Hill to North, ... N. 40° W.

The following information is furnished by Captain Biden, Master Attendant at Madras, who surveyed the Rocks in 1846.

NOTICE TO MARINERS.

SAILING INSTRUCTIONS as a guide when Ships or Vessels are on the Coast of Orix, or off the SANTA-PILLAY ROCKS.

1. Whereas a recent survey of the SANTAPILLAY ROCKS under the direction of Lieutenant Fell, I. N., and a further inspection thereof, by the Master Attendant, on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark has hitherto been notified for the purpose of indicating their locality, and warning Commanders of Ships and Vessels of their near approach to those Rocks, it is therefore expedient to publish the following remarks for the guidance of all Mariners who may navigate the Coast of Orix, and the Bay of Bengal.

2. The Santapillay Rocks are in

Latitude 17° 59' 25" N.
Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found 10½ feet on the shoalest part; on the Eastern side 7 and 10 fathoms; and on the Western limit 10½ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. b. N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E. to S. 57° E. and Santapillay Peak was bearing N. 43° W., the "Hugh Lindsay" was anchored in 9½ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast 3¼ miles—Latitude by an indifferent observation 18° 1' N.

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings from the Steamer of 9, and 9½ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found 10½ and 10½ fathoms rocky bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and 9½ fathoms within ¼ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

(Signed) CHRIS. BIDEN,
Master Attendant.

AN INDEX to the *Unrepealed Enactments of the Govern-
ment of India*, from 1793 to March 1849, inclusive, to be
completed in three Parts—CIVIL, CRIMINAL and REVENUE.
Part I. CIVIL, containing 240 closely printed quarto pages,
is JUST PUBLISHED. *Part II. CRIMINAL*, will be pub-
lished by the end of January 1850, and *Part III., REVENUE*,
by March of the same year.

The work is compiled on the plan of Dale's Index, and
contains all the unrepealed portions of that work. The
Epitome of the subsequent Enactments has been embodied,
with considerable labour, from the Regulations and Acts
themselves. The first portion of the work has received the
approbation of several gentlemen in the Civil Service, at
present holding high appointments in the Presidency, who
have been pleased to examine it.

To Subscribers to all the Parts, or to any two Parts the
price will be 12 Rs. for each Part. To those who may
subscribe to one Part only, the price will still be 12 Rs., pro-
vided the Part subscribed for, does not exceed 240 pages.
Should the pages exceed that number, an extra charge of 4
annas for every 5 pages will be made. Non-subscribers
must be prepared to pay something more. Subscribers to both
the unpublished portions of the work may obtain the Part
published on the same terms as Subscribers to all the Parts.

It is hoped that the price fixed to the work will be found
to be extremely moderate, especially when it is remembered
that Dale's Index, which extends only to 1828, is offered
even at the present day, for 32 Rs. a copy.

ALSO JUST PUBLISHED.

last Articles of War. The whole accompanied with a copious
Index, containing altogether 200 quarto pages, price
8 Rupees.

as to Military men, and the price has been fixed with a view
to make it available to the lowest grade of Officers, both
Civil and Military.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information :

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

H. B. RIDDELL,
Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dak, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

An conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who choses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

Post Master General, N. W. P.

No. 4177.

Light Abreast the Santapillay Rocks.

The following Notification of the exhibition of a Light abreast the Santapillay Rocks, published by the Madras Marine Board is re-published here for general information.

By order of the Supdt. of Marine,

JAS. SUTHERLAND, Secy.

Fort William,
Marine Superintendent's Office,
The 23rd November, 1849.

Madras Marine Board Office, 22nd October 1849.

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles.

Bearings from the Rock.

Santapillay Lighthouse, ... N. 60° W.
Santapillay Village with the highest dis- }
tant Peak, a little open to the North, } N. 55° W.
Next Sandy Hill to North, ... N. 40° W.

The following information is furnished by Captain Biden, Master Attendant at Madras, who surveyed the Rocks in 1846.

NOTICE TO MARINERS.

SAILING INSTRUCTIONS as a guide when Ships or Vessels are on the Coast of Oriza, or off the SANTA-PILLAY ROCKS.

1. Whereas a recent survey of the SANTAPILLAY ROCKS under the direction of Lieutenant Fell, I. N., and a further inspection thereof, by the Master Attendant, on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark has hitherto been notified for the purpose of indicating their locality, and warning Commanders of Ships and Vessels of their near approach to those Rocks, it is therefore expedient to publish the following remarks for the guidance of all Mariners who may navigate the Coast of Oriza, and the Bay of Bengal.

2. The Santapillay Rocks are in

Latitude 17° 59' 25" N.

Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all

sides, and their extent is not beyond 200 yards in length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found 10½ feet on the shoalest part; on the Eastern side 7 and 10 fathoms; and on the Western limit 10½ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. b. N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E to S. 57° E. and Santapillay Peak was bearing N. 43° W., the "Hugh Lindsay" was anchored in 9½ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast 3½ miles—Latitude by an indifferent observation 18° 1' N.

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings from the Steamer of 9, and 9½ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found 10½ and 10½ fathoms rocky bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and 9½ fathoms within ¼ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

(Signed) CHRIS. BIDEN,

Master Attendant.

JOHN J. FRANKLIN, Secretary.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of 4ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and

other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

Resolution.—The President in Council resolves that the following Amended Draft, on the subject, be published for general information :

ACT No. — OF 1849.

An Act for the encouragement of Merchant Seamen.

For the encouragement and protection of Merchant Seamen, It is enacted as follows :

I. The Master of any Vessel, navigated from any port of Registry within the territories under the Government of the East India Company, and registered as a British Vessel under any Statute of Parliament, or Act of the Governor General of India in Council, in force for the time being, for the Registry of British Vessels, shall not put to Sea on any day after the () day of () next, until an agreement, executed as hereinafter provided, shall have been made by him with such of his Crew as are shipped at any port within the said territories, specifying what wages each Seaman is to receive, and the quantity and quality of provisions he is to receive, the capacity in which each is to act, or serve, and the voyage in which the Vessel is to be employed, or the length of time that each is to serve.

II. Every such agreement shall be in the form set forth in Schedule (A) annexed to this Act, or such other form as shall be, from time to time, approved by the Governor General of India in Council, and shall be properly dated, and shall be signed by the Master and the greater number of Seamen shipped at any port in the said territories, of each kind of rating belonging to the Vessel, on behalf of the Crew, respectively, in the presence of the Registrar of Seamen, or by some one appointed by him for that purpose, who, after hearing the agreement read over and explained to each Seaman by whom it is to be signed, in a language understood by him, shall, if the Seaman assent, cause him to put his signature or mark thereunto, and shall attest the same by his own signature, and shall keep recorded in his office a duplicate of such agreement executed and attested as aforesaid. Every Seaman shipped on board such Vessel, and not being an apprentice, shall be entitled to have the benefit of such agreement, according to his rating, as if it were executed by him.

III. Every copy of such an agreement, certified by the Registrar to be a true copy, shall, in all cases, be taken as evidence of the contents thereof on behalf of the Seamen, and no Seaman shall, in any case, be required to produce such agreement, or such copy as aforesaid, or to give notice for the production thereof; but, if the agreement shall not be produced and proved, he shall be at liberty to prove the contents or purport thereof, or to establish his claim by other evidence, according to the nature of the case.

IV. No Seaman, shipped under this Act, shall, by reason of any agreement, forfeit his lien upon the Ship, or be deprived of any remedy for the recovery of his wages to which he would otherwise be entitled, against any person or persons whatever; and no agreement, contrary to, or inconsistent with this Act, nor any clause, contract or engagement, whereby any Seaman shall consent or promise to forego, or give up any right or claim to wages in the case of freight earned by a Ship afterwards lost, or any right or claim to salvage or reward for salvage services, or such share of salvage or reward for salvage services as may be due to him by decree or award, or otherwise, shall be binding on such Seaman.

V. The wages of any Seaman engaged to serve on any Vessel under this Act, shall be calculated by the calendar month.

VI. If any Seaman, serving under the provisions of this Act, shall, by a writing, according to a form set forth in Schedule (B), annexed to this Act, or such other form as shall be, from time to time, approved by the Governor General of India in Council, attested by the signature of the Registrar or his Assistant, and by the signature of the Master of the Vessel on which he is engaged to serve, and in which writing the purpose shall be stated, authorise the said Registrar to receive monthly from the Owner of the said Vessel or his Agent, any part of his wages, not exceeding one-third thereof, for the time for which he shall not have received any advance, for the purpose of maintaining his family during his absence, the said Owner or his Agent shall, on demand of the said Registrar, pay such sum to him, to be applied as aforesaid, without requiring any proof from the said Registrar that the said Seaman is still on board the said Vessel.

VII. All such payments, whether by the Owner, his Agent or by the Registrar, shall cease from and after the production of a certificate from the Master of the Vessel, of the death, desertion or discharge of the said Seaman, or on reasonable evidence, that the Vessel has been lost; but no payment, actually made by the Registrar to the party appointed by the said Seaman, shall be reclaimable by reason of his death, desertion, or discharge, or of the loss of the Vessel.

VIII. All such receipts and payments shall be entered in a book, and all entries in the said book shall be authenticated by the Registrar under his signature, or the signature of his Assistant, and the said book shall be, at all times, open to the inspection of the parties concerned.

IX. At the time of witnessing the execution of the agreement for service, the Registrar shall explain to the Seamen, parties thereunto, the conditions on which they can allot a part of their pay to their families during their service; and it shall be the duty of the Registrar to see that all Seamen leaving the port have the option of allotting part of their pay as aforesaid.

X. The Master of every such Vessel, before leaving any Port of Registry, shall deliver to the Registrar a list, signed by himself, of the name of every Seaman engaged by him in the territories under the Government of the East India Company, (including Apprentices), with their rating and the number of their Register Tickets, according to such form as shall be, from time to time, approved by the Governor General of India in Council; and, if he shall not have engaged any Seaman within

the said territories, the Master shall deliver to the Registrar a certificate of the fact signed by himself; and on receiving the said list or certificate, and on being satisfied of its truth, the Registrar shall give to the Master a certificate, under his hand, that the Master of such Vessel has complied with the regulations of the Registry Office. Every Master of any such Vessel, who shall leave a Port of Registry, without delivering such list or certificate as aforesaid, shall be liable to a penalty, not exceeding Two Hundred Rupees.

XI. For the purpose of preventing any Seaman from being shipped on board of any Vessel in any Port of Registry, contrary to the provisions of this Act, the Registrar of the Port, by himself, or his Agents, in a peaceable manner, may enter at any time on board of any such Vessel, and muster and examine the several Seamen employed therein; and any person, who shall obstruct the said Registrar or his Agents, in such duty, shall be liable to a penalty not exceeding One Hundred Rupees.

XII. In cases when the Registrar shall have reason to believe that any of the provisions of this Act has been evaded or neglected by the Master, Owner or Agent of any Ship about to go to Sea, the Registrar, by a writing under his hand, may stay the grant of a port-clearance by the Master Attendant; and every Master Attendant shall comply with the written requisition of the Registrar in this respect.

XIII. The Master of every such Vessel, on which any Seaman engaged under this Act, may be serving, shall, within seven days after the arrival of such Vessel at the port where the voyage ends, or after the end of the service, according to the agreement entered into, in accordance with this Act, pay or cause to be paid to such Seamen the wages remaining due to them for their services, taking a receipt from each man for the amount paid to him, either separately or on a general list, which receipt shall be certified by the Chief or Second Officer, or other credible witness, and otherwise shall be of no force or validity.

XIV. Every Master or Owner, who shall neglect or refuse to pay any Seaman's wages, within the time mentioned in the last Section, shall forfeit and pay to such Seaman the amount of two days' pay, to be recovered as wages, for each day, not exceeding ten days in the whole, during which such payment has been delayed without sufficient cause.

XV. If any Seaman, to whom any wages are due, die before the wages due have been paid, then the wages shall be paid to the Registrar of the Port of Registry at which the ship shall first touch after his death, and the Registrar shall pay the same to his legal representative, and failing such legal representative, after the expiration of twelve months from the First of January next following the day on which he shall have received the said balance, into the Treasury of the East India Company, after having given due notice of such unclaimed balance being in his possession, by advertisement in the *Gazette*, at least twice during such period.

XVI. Every Master of a Vessel, who shall be convicted before a Magistrate of having neglected to pay to the Registrar, within ten days of the Ship's arrival in the port as aforesaid, the wages due to deceased Seamen, shall forfeit three times the amount of wages so neglected to be paid;

and further shall be subject to such fine, not exceeding One Hundred Rupees, for each case of neglect, as to such Magistrate shall seem fit.

XVII. Whenever any Merchant Vessel, navigated and registered as is mentioned in Section I, and not having been wrecked or condemned, shall be sold or disposed of at any Port out of the territories under the Government of the East India Company, or whenever the service of any Seaman shall end at any such Port, the Master shall give to each Seaman a Certificate of discharge, and his Register Ticket, and also either provide for him fit employment on board some other such Vessel bound to some Port within the said territories, or provide for him a passage to the Port at which he was shipped, or such other Port as may be agreed on, either free of cost, or by depositing with the British Consul or Vice Consul, or if there be none such, with some resident Merchant, at the Port, not interested in the Vessel, such a sum of Money as shall be, by him, deemed reasonably enough to pay the expenses of his subsistence and passage, which money shall be paid over and above any wages which may be due to him:

XVIII. If the Master shall neglect or refuse to provide employment or the means of passage, for any of his crew as mentioned in the last Section, the expense of doing so, when defrayed, shall be a charge on the Owner of the Vessel so sold, unless in cases of barratry, wreck or condemnation, and may be recovered with full costs of suit from such Owner as so much money paid on his account, at the suit of the Consul or any other person defraying such expenses, or at the suit of the East India Company, in case the same has been paid or allowed out of any monies belonging to the East India Company, and if defrayed by the Seaman himself, may be recovered as wages due to him.

XIX. The obligations of the last two Sections shall not apply to such of the crew as shall consent, in writing, before the British Consul or Vice Consul, or if there be no British Consul or Vice Consul at the Port, before one or more resident Merchants not interested in the Vessel to be then and there discharged.

XX. In all cases of wreck or loss of the Ship, every Seaman then on board shall be entitled to his wages up to the time of the wreck or loss, whether or not the Ship has earned freight, provided he shall produce, from the Master or Chief Surviving Officer of the Ship, a Certificate that he did his best to save the Ship, Cargo and Stores.

XXI. Every Seaman shall be entitled to receive an increase of his wages for every day on which the allowance of provisions, which it was agreed he should receive, shall be reduced, at the rate of one anna daily, while the reduction is not more than one-third of the quantity, and two annas daily, while the reduction is more than one-third: and these pecuniary allowances shall be recoverable as his other wages are.

XXII. No assignment or sale of Seamen's wages, salvage or prize money, made before the accruing thereof, nor any Power of Attorney expressed to be irrevocable for the receipt of any Seaman's wages, salvage or prize money, shall be valid or binding on the party making the same; and any attachment, to be issued out of any Court,

shall not prevent the payment of any Seaman's wages, salvage or prize money to him.

XXIII. Every such Vessel shall have always on board a sufficient supply of medicines and appliances, suitable for diseases and accidents likely to happen on Sea voyages, according to such scale as shall be, from time to time, issued by the Superintendent of the Indian Navy, with the approval of the Governor General of India in Council, and published in the *Government Gazette* at Calcutta, Madras and Bombay; and, in default thereof, the Owner of the Vessel shall be liable to a penalty, not exceeding Two Hundred Rupees, and Five Rupees for every day during which such default shall wilfully continue.

XXIV. Whenever the Master, or any Officer or Seaman of any such Vessel shall receive any hurt or injury in the service of the Vessel, the expense of providing the necessary surgical and medical advice and attendance, with Medicines, and for his subsistence, until he shall be cured or shall be brought back to the port from which he was shipped, or other port agreed upon, shall be defrayed, with the cost of his conveyance to such port, by the Owner of the Vessel, without any deduction on that account from the wages of such Master, Officer or Seaman, and, if paid by himself, may be recovered as part of his wages, and, if paid or allowed out of any monies belonging to the East India Company, may be recovered with full costs of suit, as a debt due to the East India Company.

XXV. If any Vessel, on board of which there shall be any Seaman, who has received an advance under this Act, shall, before going on the voyage for which such advance shall have been paid, be destroyed or injured by fire, or other cause, so as to prevent her going on her then intended voyage, or if such voyage shall be discontinued at the beginning, the Master, Owner, or Agent of such Vessel, may demand from such Seaman, unless he shall pay back the amount so advanced to him, service to the full amount of the advance received by him, on board of any other Vessel; and such Seaman, until he has worked out such advance; shall not be entitled, without the consent of such Master, Owner, or Agent, to take service in any Vessel other than that on which he is so required to serve; and any such Seaman, who shall refuse to work out such advance on board such other Vessel, on summary conviction of his refusal before any Magistrate or Justice of the Peace, shall be liable to be imprisoned, with hard labour, for any term not exceeding six months.

XXVI. The Registrar of Seamen may grant, from time to time, to such persons as he may deem fit, a licence to act as broker for procuring Seamen for Vessels shipping men under this Act, and also may revoke and annul such licence on the misconduct of any such person: and every such licence shall be granted for such term, upon such conditions and upon such security given, as the said Registrar shall, from time to time, appoint.

XXVII. Every person, not licensed as aforesaid, and not being the Owner, part Owner, Master, or person in charge of the Vessel, on board of which the men are to serve, who shall hire or engage a Seaman, to be entered on board any Merchant Ship, at any Port of Registry, and every person, whether licensed or not, other than the Owner, part Owner, Master, or person

in charge of the Merchant Ship, on board of which the men are to serve, who shall demand or obtain the Register Ticket of any Seaman, for the purpose, or under the pretence of engaging him on board of any Merchant Ship, and every person, whether or not licensed as aforesaid, who shall ask or take, directly or indirectly, from any Seaman, any fee, reward or other valuable consideration for hiring or engaging or endeavouring to hire or engage him on board of any Merchant Ship, shall be liable to a penalty, not exceeding Five Hundred Rupees.

XXVIII. Every licensed broker, who shall engage any Seaman at any tavern or punch house, or who shall be directly or indirectly interested in any tavern or punch house, shall forfeit his license.

XXIX. Every person, who shall persuade or endeavour to persuade, or hinder any Seaman from complying with any of the provisions of this Act, or who shall counsel such Seaman to desert, or who shall conceal, or aid in concealing of maintaining any Seaman, who has deserted, shall be liable to a penalty, not exceeding Five Hundred Rupees.

XXX. If a Seaman, engaged under this Act shall at any time, whether before or during any voyage, neglect or refuse to join the Vessel, on board of which he shall have engaged to serve, or shall refuse to go to sea in such Vessel, or shall absent himself therefrom, without leave, or shall desert, any Justice of the Peace or Magistrate in the territories under the Government of the East India Company, at or near to the place, where such Vessel shall happen to be, or where such Seaman shall be found, upon complaint made upon oath, by the Master, Mate, or Owner, or his Agent, may issue his warrant, and cause such Seaman to be taken into custody, and brought before him; and, upon due proof of such neglect, refusal, or absence, without reasonable excuse, or of desertion, may commit such Seaman to prison, or to the House of Correction, there to be imprisoned, with or without hard labour, for a term, not exceeding thirty days; or, if he shall think fit, at the request of the Master, Mate, or Owner, or his Agent, instead of committing such Seaman, may cause him to be taken on board the said Vessel, or to be delivered to the Master, Mate or Owner, or his Agent, for the purpose of being so taken and going on the voyage; and also may award to the Master, or Owner, or his Agent, such costs incurred in the apprehension of the Seaman, as to such Justice or Magistrate shall seem reasonable, not exceeding, in any case, the sum of Twenty Rupees, which shall be chargeable against, and may be deducted from the wages of such Seaman.

XXXI. Every Seaman, engaged under this Act, who, during the term of his service, shall wilfully, and, without leave, absent himself from the Vessel, or otherwise from his duty, shall, (in all cases, not of desertion, or not treated as such by the Master), forfeit, out of his wages, the amount of two days' pay, and for every twenty-four hours of such absence the amount of six days' pay, or, at the option of the Master, the amount of such expenses as shall have been necessarily incurred in hiring a substitute; and every Seaman, who, while he shall belong to the Vessel, shall, without sufficient cause, neglect or refuse to perform his duty reasonably required of him by the Master, or other person in command of the Vessel, shall be

subject to a like forfeiture, in respect of every such offence, and of every twenty-four hours' continuance thereof; and every such Seaman, who, after the Vessel's arrival at her port of delivery, and during the term of his service, shall leave the Vessel without a discharge, or leave from the Master, shall forfeit one month's pay out of his wages: Provided always, that no such forfeiture shall be incurred, unless the fact of the Seaman's absence, neglect, or refusal shall be duly entered in the Log Book, the truth of which entry the Owner, Master or Agent, in all cases of dispute, shall be bound to substantiate, by the evidence of the Mate, or some other credible witness.

XXXII. Every Seaman engaged under this Act, who shall desert his Vessel, shall forfeit to the Owner all his clothes and effects which he may leave on board, and also all wages and emoluments to which he might otherwise be entitled; provided always, that every desertion be entered in the Log Book at the time, and certified by the signatures of the Master and the Mate, or the Master and one credible witness.

XXXIII. If any Seaman shall desert, during the term for which he has engaged to serve, in any place beyond the Port where he was engaged, and the Master of the Vessel shall engage a substitute at a higher rate of wages than that stipulated in the agreement to be paid to the Seaman so deserting, the Owner, Agent, or Master of the Vessel shall be entitled to recover from the Deserter, by summary proceeding in the same manner as penalties are by this Act made recoverable, (so far as the same can be applied), any excess of wages or portion thereof, which such Owner, Agent, or Master shall pay to such substitute, beyond the amount which would have been payable to the Deserter, if he had duly performed his service: Provided always, that no Seaman shall be imprisoned longer than three calendar months for non-payment of any such excess of wages.

XXXIV. The absence of a Seaman from his Vessel, for any time within twenty-four hours immediately before the sailing of a Vessel from any port, whether before or during any voyage, wilfully or knowingly, without leave; or the wilful absence of a Seaman from his Vessel, at, or for any time, without leave, and in such manner as to show an intention to abandon his Vessel and not return thereto, shall be deemed desertion.

XXXV. Every person, who shall wilfully harbour or conceal any Seaman or Apprentice, who shall have deserted, knowing or having reason to believe such Seaman or Apprentice to be a deserter, shall, for every such Seaman or Apprentice so harboured or concealed, be liable to a penalty, not exceeding One Hundred Rupees.

XXXVI. No debt, exceeding in amount Three Rupees, incurred by any Seaman after he shall have engaged to serve under this Act, shall be recoverable until the service agreed for shall be ended; nor shall any keeper of a public house, or of a lodging house for Seamen be entitled to detain any chest, tools, or other property of any Seaman, for any debt alleged to have been contracted by him, and in case of such detention of the chest, tools, or other property of a Seaman, any Justice of the Peace or Magistrate at the place, upon complaint upon oath

to be made by such Seaman, or by any person on his behalf, may enquire into the matter upon oath in a summary way; and, by warrant under his hand and seal, may cause such property to be seized and delivered over to such Seaman; and the person so detaining the same shall be liable to a penalty, not exceeding One Hundred Rupees.

XXXVII. Any Justice of the Peace or Magistrate, within the territories subject to the East India Company, upon complaint made by any three or more of the crew of any such Vessel, shall survey and examine, or cause to be surveyed and examined, the provisions, water, and medicines, put or supplied on board of the Vessel for the use and consumption of the crew; and, if on such survey and examination, it shall be found that such provisions, water, or medicines, are of a bad quality or unfit for use, or not such as should be provided, or there shall not appear to be a sufficient quantity thereof, the Surveying Officer shall signify the same, in writing, to the Master of the Vessel; and, if such Master shall not thereupon provide other fit provisions, water or medicines, instead of any which may be signified by the said Surveying Officer to be of a bad quality or unfit, or if any such Master shall not thereupon procure the needful quantity of provisions, water and medicines, or shall use any provisions, water, and medicines, which shall have been signified by the Surveying Officer to be of a bad quality, or unfit, he shall, in each of such cases, be liable to a penalty, not exceeding Five Hundred Rupees.

XXXVIII. A place of shelter shall be provided below a well caulked and substantial deck, for the men engaged under this Act, large enough to allow four superficial feet for every man; and if the place allotted be under the Top-gallant Forecastle, such Forecastle deck shall be not less than four feet six inches above the one below it, and in default thereof every man who is unprovided with such adequate shelter shall be entitled to have an increase of his wages, at the rate of four annas daily, while he is so unprovided, which shall be recoverable as his other wages are.

XXXIX. All penalties, directed by this Act, may be imposed on summary conviction before a Magistrate or Justice of the Peace, and may be recovered, with costs, as if they were imposed by a Magistrate under Act II., 1839.

XL. All claims for wages or forfeitures due and incurred under the agreements entered into under this Act, may be heard and determined by any Justice of the Peace or Magistrate, and the amount, with costs, awarded by such Justice or Magistrate, shall be recovered from the party against whom the award is made, in the same manner as fines levied under the provisions of Act II., 1839.

XLI. Every person having the charge or command of any Vessel sailing under this Act, shall be deemed to be the Master of such Vessel, within the meaning of this Act, and every other person (Apprentices excepted) who shall be employed or engaged to serve in any capacity on board, except as Surgeon, shall be deemed to be a Seaman, within the meaning of this Act; and the term "Owner" shall be deemed to comprehend all the several persons, if more than one, to whom the Vessel belongs, and the term "Agent" shall be deemed to comprehend all the several persons, if more than one, who are Agents of the "Owner."

Dated Simla, 16th October, 1849.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information:

The public will observe, that under the New Rules priority of arrival gives no exclusive right

of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

H. B. RIDDELL,

Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dak, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty-five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

H. B. RIDDELL,

Post Master General, N. W. P.

Light Abreast the Santapillay Rocks.

The following Notification of the exhibition of a Light abreast the Santapillay Rocks, published by the Madras Marine Board, is re-published here for general information.

By order of the Supdt. of Marine,

JAS. SUTHERLAND, Secy.

Fort William,

Marine Superintendent's Office, }
The 23rd November, 1849.

Madras Marine Board Office, 22nd October 1849.

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles.

Bearings from the Rock,

Santapillay Lighthouse, ...	N. 60° W.
Santapillay Village with the highest dis-	} N. 55° W.
tant Peak, a little open to the North, }	
Next Sandy Hill to North, ...	N. 40° W.

The following information is furnished by Captain Biden, Master Attendant at Madras, who surveyed the Rocks in 1846.

NOTICE TO MARINERS.

SAILING INSTRUCTIONS as a guide when Ships or Vessels are on the Coast of Orissa, or off the SANTAPILLAY ROCKS.

1. Whereas a recent survey of the SANTAPILLAY ROCKS under the direction of Lieutenant Pell, I. N., and a further inspection thereof, by the Master Attendant on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark

has hitherto been notified for the purpose of indicating their locality, and warning Commanders of Ships and Vessels of their near approach to those Rocks, it is therefore expedient to publish the following remarks for the guidance of all Mariners who may navigate the Coast of Orissa, and the Bay of Bengal.

2. The Santapillay Rocks are in

Latitude 17° 59' 25" N.

Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Pell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found 10½ feet on the shoalest part; on the Eastern side 7 and 10 fathoms; and on the Western limit 10½ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. b. N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E. to S. 57° E. and Santapillay Peak was bearing N. 43° W.; the "Hugh Lindsay" was anchored in 9½ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast 3½ miles—Latitude by an indifferent observation 18° 1' N.

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings from the Steamer of 9, and 9½ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found 10½ and 10½ fathoms rocky bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 3 fathoms within a mile of the Coast, and 9½ fathoms within ½ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current; and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

(Signed) CHRIS. BIDEN,

Master Attendant.

AN INDEX to the *Unrepealed Enactments of the Government of India*, from 1793 to March 1849, inclusive, to be completed in three Parts—**CIVIL**, **CRIMINAL** and **REVENUE**. *Part I. CIVIL*, containing 240 closely printed quarto pages, is JUST PUBLISHED. *Part II. CRIMINAL*, will be published by the end of January 1850, and *Part III., REVENUE*, by March of the same year.

The work is compiled on the plan of Dale's Index, and contains all the unrepealed portions of that work. The Epitome of the subsequent Enactments has been embodied, with considerable labour, from the Regulations and Acts themselves. The first portion of the work has received the approbation of several gentlemen in the Civil Service, at present holding high appointments in the Presidency, who have been pleased to examine it.

To Subscribers to all the Parts, or to any two Parts the price will be 12 Rs. for each Part. To those who may subscribe to one Part only, the price will still be 12 Rs., provided the Part subscribed for, does not exceed 240 pages. Should the pages exceed that number, an extra charge of 4 annas for every 5 pages will be made. Non-subscribers must be prepared to pay something more. Subscribers to both the unpublished portions of the work may obtain the Part published on the same terms as Subscribers to all the Parts.

It is hoped that the price fixed to the work will be found to be extremely moderate, especially when it is remembered that Dale's Index, which extends only to 1828, is offered even at the present day, for 32 Rs. a copy.

ALSO JUST PUBLISHED.

The Regulations and Acts of the Government of India, relating to the Military Service of the East India Company, attached to the Presidency of Fort William, and doing duty within or without the Company's Territories, or beyond Seas. From 1793 to March 1849, inclusive, including the last Articles of War. The whole accompanied with a copious Index, containing altogether 200 quarto pages, price 8 Rupees.

This work is equally useful to Collectors and Magistrates as to Military men, and the price has been fixed with a view to make it available to the lowest grade of Officers, both Civil and Military.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of ¾ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

The Master of any Vessel, navigated from any port of Registry within the territories under the Government of the East India Company, and registered as a British Vessel under any Statute of Parliament, or Act of the Governor General of India in Council, in force for the time being, for the Registry of British Vessels, shall not put to Sea on any day after the () day of () next, until an agreement, executed as hereinafter provided, shall have been made by him with such of his Crew as are shipped at any port within the said territories, specifying what wages each Seaman is to receive, and the quantity and quality of provisions he is to receive, the capacity in which each is to act, or serve, and the voyage in which the Vessel is to be employed, or the length of time that each is to serve.

II. Every such agreement shall be in the form set forth in Schedule (A) annexed to this Act, or such other form as shall be, from time to time, approved by the Governor General of India in Council, and shall be properly dated, and shall be signed by the Master and the greater number of Seamen shipped at any port in the said territories, of each kind of rating belonging to the Vessel, on behalf of the Crew, respectively, in the presence of the Registrar of Seamen, or by some one appointed by him for that purpose, who, after hearing the agreement read over and explained to each Seaman by whom it is to be signed, in a language understood by him, shall, if the Seaman assent, cause him to put his signature or mark thereunto, and shall attest the same by his own signature, and shall keep recorded in his office a duplicate of such agreement executed and attested as aforesaid. Every Seaman shipped on board such Vessel, and not being an apprentice, shall be entitled to have the benefit of such agreement, according to his rating, as if it were executed by him.

III. Every copy of such an agreement, certified by the Registrar to be a true copy, shall, in all cases, be taken as evidence of the contents thereof on behalf of the Seamen, and no Seaman shall, in any case, be required to produce such agreement, or such copy as aforesaid, or to give notice for the production thereof; but, if the agreement shall not be produced and proved, he shall be at liberty to prove the contents or purport thereof, or to establish his claim by other evidence, according to the nature of the case.

IV. No Seaman, shipped under this Act, shall, by reason of any agreement, forfeit his lien upon the Ship, or be deprived of any remedy for the recovery of his wages to which he would otherwise be entitled, against any person or persons whatever; and no agreement, contrary to, or inconsistent with this Act, nor any clause, contract or engagement, whereby any Seaman shall consent or promise to forego, or give up any right or claim to wages in the case of freight earned by a Ship afterwards lost, or any right or claim to salvage or reward for salvage services, or such share of salvage or reward for salvage services as may be due to him by decree or award, or otherwise, shall be binding on such Seaman.

V. The wages of any Seaman engaged to serve on any Vessel under this Act, shall be calculated by the calendar month.

VI. If any Seaman, serving under the provisions of this Act, shall, by a writing, according to a form set forth in Schedule (B,) annexed to this Act, or such other form as shall be, from time to time, approved by the Governor General of India in Council, attested by the signature of the Registrar or his Assistant, and by the signature of the Master of the Vessel on which he is engaged to serve, and in which writing the purpose shall be stated, authorise the said Registrar to receive monthly from the Owner of the said Vessel or his Agent, any part of his wages, not exceeding one-third thereof, for the time for which he shall not have received any advance, for the purpose of maintaining his family during his absence, the said Owner or his Agent shall, on demand of the said Registrar, pay such sum to him, to be applied as aforesaid, without requiring any proof from the said Registrar that the said Seaman is still on board the said Vessel.

VII. All such payments, whether by the Owner, his Agent or by the Registrar, shall cease from and after the production of a certificate from the Master of the Vessel, of the death, desertion or discharge of the said Seaman, or, on reasonable evidence, that the Vessel has been lost; but no payment, actually made by the Registrar to the party appointed by the said Seaman, shall be reclaimable by reason of his death, desertion, or discharge, or of the loss of the Vessel.

VIII. All such receipts and payments shall be entered in a book, and all entries in the said book shall be authenticated by the Registrar under his signature, or the signature of his Assistant, and the said book shall be, at all times, open to the inspection of the parties concerned.

IX. At the time of witnessing the execution of the agreement for service, the Registrar shall explain to the Seamen, parties thereunto, the conditions on which they can allot a part of their pay to their families during their service; and it shall be the duty of the Registrar to see that all Seamen leaving the port have the option of allotting part of their pay as aforesaid.

X. The Master of every such Vessel, before leaving any Port of Registry, shall deliver to the Registrar a list, signed by himself, of the name of every Seaman engaged by him in the territories under the Government of the East India Company, (including Apprentices), with their rating and the number of their Register Tickets, according to such form as shall be, from time to time, approved by the Governor General of India in Council; and, if he shall not have engaged any Seaman within

the said territories, the Master shall deliver to the Registrar a certificate of the fact signed by himself; and on receiving the said list or certificate, and on being satisfied of its truth, the Registrar shall give to the Master a certificate, under his hand, that the Master of such Vessel has complied with the regulations of the Registry Office. Every Master of any such Vessel, who shall leave a Port of Registry, without delivering such list or certificate as aforesaid, shall be liable to a penalty, not exceeding Two Hundred Rupees.

XI. For the purpose of preventing any Seaman from being shipped on board of any Vessel in any Port of Registry, contrary to the provisions of this Act, the Registrar of the Port, by himself, or his Agents, in a peaceable manner, may enter at any time on board of any such Vessel, and muster and examine the several Seamen employed therein; and any person, who shall obstruct the said Registrar or his Agents, in such duty, shall be liable to a penalty not exceeding One Hundred Rupees.

XII. In cases when the Registrar shall have reason to believe that any of the provisions of this Act has been evaded or neglected by the Master, Owner or Agent, of any Ship about to go to Sea, the Registrar, by a writing under his hand, may stay the grant of a port-clearance by the Master Attendant; and every Master Attendant shall comply with the written requisition of the Registrar in this respect.

XIII. The Master of every such Vessel, on which any Seaman engaged under this Act, may be serving, shall, within seven days after the arrival of such Vessel at the port, where the voyage ends, or after the end of the service, according to the agreement entered into, in accordance with this Act, pay or cause to be paid to such Seamen the wages remaining due to them for their services, taking a receipt from each man for the amount paid to him, either separately or on a general list, which receipt shall be certified by the Chief or Second Officer, or other credible witness, and otherwise shall be of no force or validity.

XIV. Every Master or Owner, who shall neglect or refuse to pay any Seaman's wages, within the time mentioned in the last Section, shall forfeit and pay to such Seaman the amount of two days' pay, to be recovered as wages, for each day, not exceeding ten days in the whole, during which such payment has been delayed without sufficient cause.

XV. If any Seaman, to whom any wages are due, die before the wages due have been paid, then the wages shall be paid to the Registrar of the Port of Registry at which the ship shall first touch after his death, and the Registrar shall pay the same to his legal representative, and failing such legal representative, after the expiration of twelve months from the First of January next following the day on which he shall have received the said balance, into the Treasury of the East India Company, after having given due notice of such unclaimed balance being in his possession, by advertisement in the Gazette, at least twice during such period.

XVI. Every Master of a Vessel, who shall be convicted before a Magistrate of having neglected to pay to the Registrar, within ten days of the Ship's arrival in the port as aforesaid, the wages due to deceased Seamen, shall forfeit three times the amount of wages so neglected to be paid;

and further shall be subject to such fines not exceeding One Hundred Rupees, for each case of neglect, as to such Magistrate shall seem fit.

XVII. Whenever any Merchant Vessel, navigated and registered as is mentioned in Section I, and not having been wrecked or condemned, shall be sold or disposed of at any Port out of the territories under the Government of the East India Company, or whenever the service of any Seaman shall end at any such Port, the Master shall give to each Seaman a Certificate of discharge, and his Register Ticket, and also either provide for him fit employment on board some other such Vessel bound to some Port within the said territories, or provide for him a passage to the Port at which he was shipped, or such other Port as may be agreed on, either free of cost, or by depositing with the British Consul or Vice Consul, or if there be none such, with some resident Merchant, at the Port, not interested in the Vessel, such a sum of Money as shall be, by him, deemed reasonably enough to pay the expenses of his subsistence and passage, which money shall be paid over and above any wages which may be due to him.

XVIII. If the Master shall neglect or refuse to provide employment or the means of passage, for any of his crew as mentioned in the last Section, the expense of doing so, when defrayed, shall be a charge on the Owner of the Vessel so sold, unless in cases of barratry, wreck or condemnation, and may be recovered with full costs of suit from such Owner as so much money paid on his account, at the suit of the Consul or any other person defraying such expenses, or at the suit of the East India Company, in case the same has been paid or allowed out of any monies belonging to the East India Company, and if defrayed by the Seaman himself, may be recovered as wages due to him.

XIX. The obligations of the last two Sections shall not apply to such of the crew as shall consent, in writing, before the British Consul or Vice Consul, or if there be no British Consul or Vice Consul at the Port, before one or more resident Merchants not interested in the Vessel to be then and there discharged.

XX. In all cases of wreck or loss of the Ship, every Seaman then on board shall be entitled to his wages up to the time of the wreck or loss, whether or not the Ship has earned freight, provided he shall produce, from the Master or Chief Surviving Officer of the Ship, a Certificate that he did his best to save the Ship, Cargo and Stores.

XXI. Every Seaman shall be entitled to receive an increase of his wages for every day on which the allowance of provisions, which it was agreed he should receive, shall be reduced, at the rate of one anna daily, while the reduction is not more than one-third of the quantity, and two annas daily, while the reduction is more than one-third: and these pecuniary allowances shall be recoverable as his other wages are.

XXII. No assignment or sale of Seamen's wages, salvage or prize money, made before the accruing thereof, nor any Power of Attorney expressed to be irrevocable for the receipt of any Seaman's wages, salvage or prize money, shall be valid or binding on the party making the same; and any attachment, to be issued out of any Court,

shall not prevent the payment of any Seaman's wages, salvage or prize money to him.

XXIII. Every such Vessel shall have always on board a sufficient supply of medicines and appliances, suitable for diseases and accidents likely to happen on Sea voyages, according to such scale as shall be, from time to time, issued by the Superintendent of the Indian Navy, with the approval of the Governor General of India in Council, and published in the *Government Gazettes* at Calcutta, Madras and Bombay; and, in default thereof, the Owner of the Vessel shall be liable to a penalty, not exceeding Two Hundred Rupees, and Five Rupees for every day during which such default shall wilfully continue.

XXIV. Whenever the Master, or any Officer or Seaman of any such Vessel shall receive any hurt or injury in the service of the Vessel, the expense of providing the necessary surgical and medical advice and attendance, with Medicines, and for his subsistence, until he shall be cured or shall be brought back to the port from which he was shipped, or other port agreed upon, shall be defrayed, with the cost of his conveyance to such port, by the Owner of the Vessel, without any deduction on that account from the wages of such Master, Officer or Seaman, and, if paid by himself, may be recovered as part of his wages, and, if paid or allowed out of any monies belonging to the East India Company, may be recovered with full costs of suit, as a debt due to the East India Company.

XXV. If any Vessel, on board of which there shall be any Seaman, who has received an advance under this Act, shall, before going on the voyage for which such advance shall have been paid, be destroyed or injured by fire, or other cause, so as to prevent her going on her then intended voyage, or if such voyage shall be discontinued at the beginning, the Master, Owner, or Agent of such Vessel, may demand from such Seaman, unless he shall pay back the amount so advanced to him, service to the full amount of the advance received by him, on board of any other Vessel; and such Seaman, until he has worked out such advance, shall not be entitled, without the consent of such Master, Owner, or Agent, to take service in any Vessel other than that on which he is so required to serve; and any such Seaman, who shall refuse to work out such advance on board such other Vessel, on summary conviction of his refusal before any Magistrate or Justice of the Peace, shall be liable to be imprisoned, with hard labour, for any term not exceeding six months.

XXVI. The Registrar of Seamen may grant, from time to time, to such persons as he may deem fit, a licence to act as broker for procuring Seamen for Vessels shipping men under this Act, and also may revoke and annul such licence on the misconduct of any such person: and every such licence shall be granted for such term, upon such conditions and upon such security given, as the said Registrar shall, from time to time, appoint.

XXVII. Every person, not licensed as aforesaid, and not being the Owner, part Owner, Master, or person in charge of the Vessel, on board of which the men are to serve, who shall hire or engage a Seaman, to be entered on board any Merchant Ship, at any Port of Registry, and every person, whether licensed or not, other than the Owner, part Owner, Master, or person

in charge of the Merchant Ship, on board of which the men are to serve, who shall demand or obtain the Register Ticket of any Seaman, for the purpose, or under the pretence of engaging him on board of any Merchant Ship, and every person, whether or not licensed as aforesaid, who shall ask or take, directly or indirectly, from any Seaman, any fee, reward or other valuable consideration for hiring or engaging or endeavouring to hire or engage him on board of any Merchant Ship, shall be liable to a penalty, not exceeding Five Hundred Rupees.

XXVIII. Every licensed broker, who shall engage any Seaman at any tavern or punch house, or who shall be directly or indirectly interested in any tavern or punch house, shall forfeit his license.

XXIX. Every person, who shall persuade or endeavour to persuade, or hinder any Seaman from complying with any of the provisions of this Act, or who shall counsel such Seaman to desert, or who shall conceal, or aid in concealing or maintaining any Seaman, who has deserted, shall be liable to a penalty, not exceeding Five Hundred Rupees.

XXX. If a Seaman, engaged under this Act shall at any time, whether before or during any voyage, neglect or refuse to join the Vessel, on board of which he shall have engaged to serve, or shall refuse to go to sea in such Vessel, or shall absent himself therefrom, without leave, or shall desert, any Justice of the Peace or Magistrate in the territories under the Government of the East India Company, at or near to the place, where such Vessel shall happen to be, or where such Seaman shall be found, upon complaint made upon oath, by the Master, Mate, or Owner, or his Agent, may issue his warrant, and cause such Seaman to be taken into custody, and brought before him; and, upon due proof of such neglect, refusal, or absence, without reasonable excuse, or of desertion, may commit such Seaman to prison, or to the House of Correction, there to be imprisoned, with or without hard labour, for a term, not exceeding thirty days; or, if he shall think fit, at the request of the Master, Mate, or Owner, or his Agent, instead of committing such Seaman, may cause him to be taken on board the said Vessel, or to be delivered to the Master, Mate or Owner, or his Agent, for the purpose of being so taken and going on the voyage; and also may award to the Master, or Owner, or his Agent, such costs incurred in the apprehension of the Seaman, as to such Justice or Magistrate shall seem reasonable, not exceeding, in any case, the sum of Twenty Rupees, which shall be chargeable against, and may be deducted from the wages of such Seaman.

XXXI. Every Seaman, engaged under this Act, who, during the term of his service, shall wilfully, and, without leave, absent himself from the Vessel, or otherwise from his duty, shall, (in all cases, not of desertion, or not treated as such by the Master), forfeit, out of his wages, the amount of two days' pay, and for every twenty-four hours of such absence the amount of six days' pay, or, at the option of the Master, the amount of such expenses as shall have been necessarily incurred in hiring a substitute; and every Seaman, who, while he shall belong to the Vessel, shall, without sufficient cause, neglect or refuse to perform his duty reasonably required of him by the Master, or other person in command of the Vessel, shall be

subject to a like forfeiture, in respect of every such offence, and of every twenty-four hours' continuance thereof; and every such Seaman, who, after the Vessel's arrival at her port of delivery, and during the term of his service, shall leave the Vessel without a discharge, or leave from the Master, shall forfeit one month's pay out of his wages: Provided always, that no such forfeiture shall be incurred, unless the fact of the Seaman's absence, neglect, or refusal shall be duly entered in the Log Book, the truth of which entry the Owner, Master or Agent, in all cases of dispute, shall be bound to substantiate, by the evidence of the Mate, or some other credible witness.

XXXII. Every Seaman engaged under this Act, who shall desert his Vessel, shall forfeit to the Owner all his clothes and effects which he may leave on board, and also all wages and emoluments to which he might otherwise be entitled; provided always, that every desertion be entered in the Log Book at the time, and certified by the signatures of the Master and the Mate, or the Master and one credible witness.

XXXIII. If any Seaman shall desert, during the term for which he has engaged to serve, in any place beyond the Port where he was engaged, and the Master of the Vessel shall engage a substitute at a higher rate of wages than that stipulated in the agreement to be paid to the Seaman so deserting, the Owner, Agent, or Master of the Vessel shall be entitled to recover from the Deserter, by summary proceeding in the same manner as penalties are by this Act made recoverable, (so far as the same can be applied), any excess of wages or portion thereof, which such Owner, Agent, or Master shall pay to such substitute, beyond the amount which would have been payable to the Deserter, if he had duly performed his service: Provided always, that no Seaman shall be imprisoned longer than three calendar months for non-payment of any such excess of wages.

XXXIV. The absence of a Seaman from his Vessel, for any time within twenty-four hours immediately before the sailing of a Vessel from any port, whether before or during any voyage, wilfully or knowingly, without leave; or the wilful absence of a Seaman from his Vessel, at, or for any time, without leave, and in such manner as to shew an intention to abandon his Vessel and not return thereto, shall be deemed desertion.

XXXV. Every person, who shall wilfully harbour or conceal any Seaman or Apprentice, who shall have deserted, knowing or having reason to believe such Seaman or Apprentice to be a deserter, shall, for every such Seaman or Apprentice so harboured or concealed, be liable to a penalty, not exceeding One Hundred Rupees.

XXXVI. No debt, exceeding in amount Three Rupees, incurred by any Seaman after he shall have engaged to serve under this Act, shall be recoverable until the service agreed for shall be ended; nor shall any keeper of a public house, or of a lodging house for Seamen be entitled to detain any chest, tools, or other property of any Seaman, for any debt alleged to have been contracted by him, and in case of such detention of the chest, tools, or other property of a Seaman, any Justice of the Peace or Magistrate at or near the place, upon complaint upon oath

to be made by such Seaman, or by any person on his behalf, may enquire into the matter upon oath in a summary way; and, by warrant under his hand and seal, may cause such property to be seized and delivered over to such Seaman; and the person so detaining the same shall be liable to a penalty, not exceeding One Hundred Rupees.

XXXVII. Any Justice of the Peace or Magistrate, within the territories subject to the East India Company, upon complaint made by any three or more of the crew of any such Vessel, shall survey and examine, or cause to be surveyed and examined, the provisions, water, and medicines, put or supplied on board of the Vessel for the use and consumption of the crew; and, if on such survey and examination, it shall be found that such provisions, water, or medicines, are of a bad quality or unfit for use, or not such as should be provided, or there shall not appear to be a sufficient quantity thereof, the Surveying Officer shall signify the same, in writing, to the Master of the Vessel; and, if such Master shall not thereupon provide other fit provisions, water or medicines, instead of any which may be signified by the said Surveying Officer to be of a bad quality or unfit, or if any such Master shall not thereupon procure the needful quantity of provisions, water and medicines, or shall use any provisions, water, and medicines, which shall have been signified by the Surveying Officer to be of a bad quality, or unfit, he shall, in each of such cases, be liable to a penalty, not exceeding Five Hundred Rupees.

XXXVIII. A place of shelter shall be provided below a well caulked and substantial deck, for the men engaged under this Act, large enough to allow four superficial feet for every man; and if the place allotted be under the Top-gallant Forecastle, such Forecastle deck shall be not less than four feet six inches above the one below it, and in default thereof every man who is unprovided with such adequate shelter shall be entitled to have an increase of his wages, at the rate of four annas daily, while he is so unprovided, which shall be recoverable as his other wages are.

XXXIX. All penalties, directed by this Act, may be imposed on summary conviction before a Magistrate or Justice of the Peace, and may be recovered, with costs, as if they were imposed by a Magistrate under Act II., 1839.

XL. All claims for wages or forfeitures due and incurred under the agreements entered into under this Act, may be heard and determined by any Justice of the Peace or Magistrate, and the amount, with costs, awarded by such Justice or Magistrate, shall be recovered from the party against whom the award is made, in the same manner as fines levied under the provisions of Act II., 1839.

XLI. Every person having the charge or command of any Vessel sailing under this Act, shall be deemed to be the Master of such Vessel, within the meaning of this Act, and every other person (Apprentices excepted) who shall be employed or engaged to serve in any capacity on board, except as Surgeon, shall be deemed to be a Seaman, within the meaning of this Act; and the term "Owner" shall be deemed to comprehend all the several persons, if more than one, to whom the Vessel belongs, and the term "Agent" shall be deemed to comprehend all the several persons, if more than one, who are Agents of the "Owner."

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information :

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

H. B. RIDDELL,

Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dak, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expence or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who choses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

H. B. RIDDELL,
Post Master General, N. W. P.

Light Abreast the Santapillay Rocks.

The following Notification of the exhibition of a Light abreast the Santapillay Rocks, published by the Madras Marine Board is re-published here for general information.

By order of the Supdt. of Marine,

JAS. SUTHERLAND, Secy.
Fort William,
Marine Superintendent's Office, }
The 23rd November, 1849. }

Madras Marine Board Office, 22nd October 1849.

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles.

Bearings from the Rock.

Santapillay Lighthouse, ...	N. 60° W.
Santapillay Village with the highest dis- tant Peak, a little open to the North, }	N. 55° W.
Next Sandy Hill to North, ...	N. 40° W.

The following information is furnished by Captain Biden, Master Attendant at Madras, who surveyed the Rocks in 1846.

NOTICE TO MARINERS.

SAILING INSTRUCTIONS as a guide when Ships or Vessels are on the Coast of Orissa, or off the **SANTAPILLAY ROCKS.**

1. Whereas a recent survey of the **SANTAPILLAY ROCKS** under the direction of Lieutenant Fell, I. N., and a further inspection thereof, by the Master Attendant, on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark has hitherto been notified for the purpose of indicating their locality, and warning Commanders of Ships and Vessels of their near approach to those Rocks, it is therefore expedient to publish the following remarks for the guidance of all Mariners who may navigate the Coast of Orissa, and the Bay of Bengal.

2. The Santapillay Rocks are in

Latitude 17° 59' 25" N.
Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found 10½ feet on the shoalest part; on the Eastern side 7 and 10 fathoms; and on the Western limit 10½ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast-head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. by N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 45 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E. to S. 57° E. and Santapillay Peak was bearing N. 43° W., the "Hugh Lindsay" was anchored in 9½ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast 3½ miles—Latitude by an indifferent observation 18° 1' N.

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings from the Steamer of 9, and 9½ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found 10½ and 10½ fathoms rocky bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and 9½ fathoms within ¼ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

(Signed) CHRIS. BIDEN,
Master Attendant.

Master Attendant's Office,
September 21st, 1846.

By order of the Marine Board,

JOHN J. FRANKLIN, Secretary.

Resolution.—The President in Council resolves that the following Amended Draft, on the subject, be published for general information :

ACT No. — OF 1849.

An Act for the encouragement of Merchant Seamen.

For the encouragement and protection of Merchant Seamen, It is enacted as follows :

I. The Master of any Vessel, navigated from any port of Registry within the territories under the Government of the East India Company, and registered as a British Vessel under any Statute of Parliament, or Act of the Governor General of India in Council, in force for the time being, for the Registry of British Vessels, shall not put to Sea on any day after the () day of () next, until an agreement, executed as hereinafter provided, shall have been made by him with such of his Crew as are shipped at any port within the said territories, specifying what wages each Seaman is to receive, and the quantity and quality of provisions he is to receive, the capacity in which each is to act, or serve, and the voyage in which the Vessel is to be employed, or the length of time that each is to serve.

II. Every such agreement shall be in the form set forth in Schedule (A) annexed to this Act, or such other form as shall be, from time to time, approved by the Governor General of India in Council, and shall be properly dated, and shall be signed by the Master and the greater number of Seamen shipped at any port in the said territories, of each kind of rating belonging to the Vessel, on behalf of the Crew, respectively, in the presence of the Registrar of Seamen, or by some one appointed by him for that purpose, who, after hearing the agreement read over and explained to each Seaman by whom it is to be signed, in a language understood by him, shall, if the Seaman assent, cause him to put his signature or mark thereunto, and shall attest the same by his own signature, and shall keep recorded in his office a duplicate of such agreement executed and attested as aforesaid. Every Seaman shipped on board such Vessel, and not being an apprentice, shall be entitled to have the benefit of such agreement, according to his rating, as if it were executed by him.

III. Every copy of such an agreement, certified by the Registrar to be a true copy, shall, in all cases, be taken as evidence of the contents thereof on behalf of the Seamen, and no Seaman shall, in any case, be required to produce such agreement, or such copy as aforesaid, or to give notice for the production thereof; but, if the agreement shall not be produced and proved, he shall be at liberty to prove the contents or purport thereof, or to establish his claim by other evidences according to the nature of the case.

IV. No Seaman, shipped under this Act, shall, by reason of any agreement, forfeit his lien upon the Ship, or be deprived of any remedy for the recovery of his wages to which he would otherwise be entitled, against any person or persons whatever; and no agreement, contrary to, or inconsistent with this Act, nor any clause, contract or engagement, whereby any Seaman shall consent or promise to forego, or give up any right or claim to wages in the case of freight earned by a Ship afterwards lost, or any right or claim to salvage or reward for salvage services, or such share of salvage or reward for salvage services as may be due to him by decree or award, or otherwise, shall be binding on such Seaman.

V. The wages of any Seaman engaged to serve on any Vessel under this Act, shall be calculated by the calendar month.

VI. If any Seaman, serving under the provisions of this Act, shall, by a writing, according to a form set forth in Schedule (B.) annexed to this Act, or such other form as shall be, from time to time, approved by the Governor General of India in Council, attested by the signature of the Registrar or his Assistant, and by the signature of the Master of the Vessel on which he is engaged to serve, and in which writing the purpose shall be stated, authorise the said Registrar to receive monthly from the Owner of the said Vessel or his Agent, any part of his wages, not exceeding one-third thereof, for the time for which he shall not have received any advance, for the purpose of maintaining his family during his absence, the said Owner or his Agent shall, on demand of the said Registrar, pay such sum to him, to be applied as aforesaid, without requiring any proof from the said Registrar that the said Seaman is still on board the said Vessel.

VII. All such payments, whether by the Owner, his Agent or by the Registrar, shall cease from and after the production of a certificate from the Master of the Vessel, of the death, desertion or discharge of the said Seaman, or, on reasonable evidence, that the Vessel has been lost; but no payment, actually made by the Registrar to the party appointed by the said Seaman, shall be reclaimable by reason of his death, desertion, or discharge, or of the loss of the Vessel.

VIII. All such receipts and payments shall be entered in a book, and all entries in the said book shall be authenticated by the Registrar under his signature, or the signature of his Assistant, and the said book shall be, at all times, open to the inspection of the parties concerned.

IX. At the time of witnessing the execution of the agreement for service, the Registrar shall explain to the Seamen, parties thereunto, the conditions on which they can allot a part of their pay to their families during their service; and it shall be the duty of the Registrar to see that all Seamen leaving the port have the option of allotting part of their pay as aforesaid.

X. The Master of every such Vessel, before leaving any Port of Registry, shall deliver to the Registrar a list, signed by himself, of the name of every Seaman engaged by him in the territories under the Government of the East India Company, (including Apprentices), with their rating and the number of their Register Tickets, according to such form as shall be, from time to time, approved by the Governor General of India in Council; and, if he shall not have engaged any Seaman within

the said territories, the Master shall deliver to the Registrar a certificate of the fact signed by himself; and on receiving the said list or certificate, and on being satisfied of its truth, the Registrar shall give to the Master a certificate, under his hand, that the Master of such Vessel has complied with the regulations of the Registry Office. Every Master of any such Vessel, who shall leave a Port of Registry, without delivering such list or certificate as aforesaid, shall be liable to a penalty, not exceeding Two Hundred Rupees.

XI. For the purpose of preventing any Seaman from being shipped on board of any Vessel in any Port of Registry, contrary to the provisions of this Act, the Registrar of the Port, by himself, or his Agents, in a peaceable manner, may enter at any time on board of any such Vessel, and muster and examine the several Seamen employed therein; and any person, who shall obstruct the said Registrar or his Agents, in such duty, shall be liable to a penalty not exceeding One Hundred Rupees.

XII. In cases when the Registrar shall have reason to believe that any of the provisions of this Act has been evaded or neglected by the Master, Owner or Agent of any Ship about to go to Sea, the Registrar, by a writing under his hand, may stay the grant of a port-clearance by the Master Attendant; and every Master Attendant shall comply with the written requisition of the Registrar in this respect.

XIII. The Master of every such Vessel, on which any Seaman engaged under this Act, may be serving, shall, within seven days after the arrival of such Vessel at the port where the voyage ends, or after the end of the service, according to the agreement entered into, in accordance with this Act, pay or cause to be paid to such Seamen the wages remaining due to them for their services, taking a receipt from each man for the amount paid to him, either separately or on a general list, which receipt shall be certified by the Chief or Second Officer, or other credible witness, and otherwise shall be of no force or validity.

XIV. Every Master or Owner, who shall neglect or refuse to pay any Seaman's wages, within the time mentioned in the last Section, shall forfeit and pay to such Seaman the amount of two days' pay, to be recovered as wages, for each day, not exceeding ten days in the whole, during which such payment has been delayed without sufficient cause.

XV. If any Seaman, to whom any wages are due, die before the wages due have been paid, then the wages shall be paid to the Registrar of the Port of Registry at which the ship shall first touch after his death, and the Registrar shall pay the same to his legal representative, and failing such legal representative, after the expiration of twelve months from the First of January next following the day on which he shall have received the said balance, into the Treasury of the East India Company, after having given due notice of such unclaimed balance being in his possession, by advertisement in the *Gazette*, at least twice during such period.

XVI. Every Master of a Vessel, who shall be convicted before a Magistrate of having neglected to pay to the Registrar, within ten days of the Ship's arrival in the port as aforesaid, the wages due to deceased Seamen, shall forfeit three times the amount of wages so neglected to be paid;

and further shall be subject to such fine, not exceeding One Hundred Rupees, for each case of neglect, as to such Magistrate shall seem fit.

XVII. Whenever any Merchant Vessel, navigated and registered as is mentioned in Section I, and not having been wrecked or condemned, shall be sold or disposed of at any Port out of the territories under the Government of the East India Company, or whenever the service of any Seaman shall end at any such Port, the Master shall give to each Seaman a Certificate of discharge, and his Register Ticket, and also either provide for him fit employment on board some other such Vessel bound to some Port within the said territories, or provide for him a passage to the Port at which he was shipped, or such other Port as may be agreed on, either free of cost, or by depositing with the British Consul or Vice Consul, or if there be none such, with some resident Merchant, at the Port, not interested in the Vessel, such a sum of Money as shall be, by him, deemed reasonably enough to pay the expenses of his subsistence and passage, which money shall be paid over and above any wages which may be due to him.

XVIII. If the Master shall neglect or refuse to provide employment or the means of passage, for any of his crew as mentioned in the last Section, the expense of doing so, when defrayed, shall be a charge on the Owner of the Vessel so sold, unless in cases of barratry, wreck or condemnation, and may be recovered with full costs of suit from such Owner as so much money paid on his account, at the suit of the Consul or any other person defraying such expenses, or at the suit of the East India Company, in case the same has been paid or allowed out of any monies belonging to the East India Company, and if defrayed by the Seaman himself, may be recovered as wages due to him.

XIX. The obligations of the last two Sections shall not apply to such of the crew as shall consent, in writing, before the British Consul or Vice Consul, or if there be no British Consul or Vice Consul at the Port, before one or more resident Merchants not interested in the Vessel to be then and there discharged.

XX. In all cases of wreck or loss of the Ship, every Seaman then on board shall be entitled to his wages up to the time of the wreck or loss, whether or not the Ship has earned freight, provided he shall produce, from the Master or Chief Surviving Officer of the Ship, a Certificate that he did his best to save the Ship, Cargo and Stores.

XXI. Every Seaman shall be entitled to receive an increase of his wages for every day on which the allowance of provisions, which it was agreed he should receive, shall be reduced, at the rate of one anna daily, while the reduction is not more than one-third of the quantity, and two annas daily, while the reduction is more than one-third: and these pecuniary allowances shall be recoverable as his other wages are.

XXII. No assignment or sale of Seamen's wages, salvage or prize money, made before the accruing thereof, nor any Power of Attorney expressed to be irrevocable for the receipt of any Seaman's wages, salvage or prize money, shall be valid or binding on the party making the same; and any attachment, to be issued out of any Court,

shall not prevent the payment of any Seaman's wages, salvage or prize money to him.

XXIII. Every such Vessel shall have always on board a sufficient supply of medicines and appliances, suitable for diseases and accidents likely to happen on Sea voyages, according to such scale as shall be, from time to time, issued by the Superintendent of the Indian Navy, with the approval of the Governor General of India in Council, and published in the *Government Gazette* at Calcutta, Madras and Bombay; and, in default thereof, the Owner of the Vessel shall be liable to a penalty, not exceeding Two Hundred Rupees, and Five Rupees for every day during which such default shall wilfully continue.

XXIV. Whenever the Master, or any Officer or Seaman of any such Vessel shall receive any hurt or injury in the service of the Vessel, the expense of providing the necessary surgical and medical advice and attendance, with Medicines, and for his subsistence, until he shall be cured or shall be brought back to the port from which he was shipped, or other port agreed upon, shall be defrayed, with the cost of his conveyance to such port, by the Owner of the Vessel, without any deduction on that account from the wages of such Master, Officer or Seaman, and, if paid by himself, may be recovered as part of his wages, and, if paid or allowed out of any monies belonging to the East India Company, may be recovered with full costs of suit, as a debt due to the East India Company.

XXV. If any Vessel, on board of which there shall be any Seaman, who has received an advance under this Act, shall, before going on the voyage for which such advance shall have been paid, be destroyed or injured by fire, or other cause, so as to prevent her going on her then intended voyage, or if such voyage shall be discontinued at the beginning, the Master, Owner, or Agent of such Vessel, may demand from such Seaman, unless he shall pay back the amount so advanced to him, service to the full amount of the advance received by him, on board of any other Vessel; and such Seaman, until he has worked out such advance, shall not be entitled, without the consent of such Master, Owner, or Agent, to take service in any Vessel other than that on which he is so required to serve; and any such Seaman, who shall refuse to work out such advance on board such other Vessel, on summary conviction of his refusal before any Magistrate or Justice of the Peace, shall be liable to be imprisoned, with hard labour, for any term not exceeding six months.

XXVI. The Registrar of Seamen may grant, from time to time, to such persons as he may deem fit, a licence to act as broker for procuring Seamen for Vessels shipping men under this Act, and also may revoke and annul such licence on the misconduct of any such person: and every such licence shall be granted for such term, upon such conditions and upon such security given, as the said Registrar shall, from time to time, appoint.

XXVII. Every person, not licensed as aforesaid, and not being the Owner, part Owner, Master, or person in charge of the Vessel, on board of which the men are to serve, who shall hire or engage a Seaman, to be entered on board any Merchant Ship, at any Port of Registry, and every person, whether licensed or not, other than the Owner, part Owner, Master, or person

in charge of the Merchant Ship, on board of which the men are to serve, who shall demand or obtain the Register Ticket of any Seaman, for the purpose, or under the pretence of engaging him on board of any Merchant Ship, and every person, whether or not licensed as aforesaid, who shall ask or take, directly or indirectly, from any Seaman, any fee, reward or other valuable consideration for hiring or engaging or endeavouring to hire or engage him on board of any Merchant Ship, shall be liable to a penalty, not exceeding Five Hundred Rupees.

XXVIII. Every licensed broker, who shall engage any Seaman at any tavern or punch house, or who shall be directly or indirectly interested in any tavern or punch house, shall forfeit his license.

XXIX. Every person, who shall persuade or endeavour to persuade, or hinder any Seaman from complying with any of the provisions of this Act, or who shall counsel such Seaman to desert, or who shall conceal, or aid in concealing or maintaining any Seaman, who has deserted, shall be liable to a penalty, not exceeding Five Hundred Rupees.

XXX. If a Seaman, engaged under this Act shall at any time, whether before or during any voyage, neglect or refuse to join the Vessel, on board of which he shall have engaged to serve, or shall refuse to go to sea in such Vessel, or shall absent himself therefrom, without leave, or shall desert, any Justice of the Peace or Magistrate in the territories under the Government of the East India Company, at or near to the place, where such Vessel shall happen to be, or where such Seaman shall be found, upon complaint made upon oath, by the Master, Mate, or Owner, or his Agent, may issue his warrant, and cause such Seaman to be taken into custody, and brought before him; and, upon due proof of such neglect, refusal, or absence, without reasonable excuse, or of desertion, may commit such Seaman to prison, or to the House of Correction, there to be imprisoned, with or without hard labour, for a term, not exceeding thirty days; or, if he shall think fit, at the request of the Master, Mate, or Owner, or his Agent, instead of committing such Seaman, may cause him to be taken on board the said Vessel, or to be delivered to the Master, Mate or Owner, or his Agent, for the purpose of being so taken and going on the voyage; and also may award to the Master, or Owner, or his Agent, such costs incurred in the apprehension of the Seaman, as to such Justice or Magistrate shall seem reasonable, not exceeding, in any case, the sum of Twenty Rupees, which shall be chargeable against, and may be deducted from the wages of such Seaman.

XXXI. Every Seaman, engaged under this Act, who, during the term of his service, shall wilfully, and, without leave, absent himself from the Vessel, or otherwise from his duty, shall, (in all cases, not of desertion, or not treated as such by the Master), forfeit, out of his wages, the amount of two days' pay, and for every twenty-four hours of such absence the amount of six days' pay, or, at the option of the Master, the amount of such expenses as shall have been necessarily incurred in hiring a substitute; and every Seaman, who, while he shall belong to the Vessel, shall, without sufficient cause, neglect or refuse to perform his duty reasonably required of him by the Master, or other person in command of the Vessel, shall be

subject to a like forfeiture, in respect of every such offence, and of every twenty-four hours' continuance thereof; and every such Seaman, who, after the Vessel's arrival at her port of delivery, and during the term of his service, shall leave the Vessel without a discharge, or leave from the Master, shall forfeit one month's pay out of his wages: Provided always, that no such forfeiture shall be incurred, unless the fact of the Seaman's absence, neglect, or refusal shall be duly entered in the Log Book, the truth of which entry the Owner, Master or Agent, in all cases of dispute, shall be bound to substantiate, by the evidence of the Mate, or some other credible witness.

XXXII. Every Seaman engaged under this Act, who shall desert his Vessel, shall forfeit to the Owner all his clothes and effects which he may leave on board, and also all wages and emoluments to which he might otherwise be entitled; provided always, that every desertion be entered in the Log Book at the time, and certified by the signatures of the Master and the Mate, or the Master and one credible witness.

XXXIII. If any Seaman shall desert, during the term for which he has engaged to serve, in any place beyond the Port where he was engaged, and the Master of the Vessel shall engage a substitute at a higher rate of wages than that stipulated in the agreement to be paid to the Seaman so deserting, the Owner, Agent, or Master of the Vessel shall be entitled to recover from the Deserter, by summary proceeding in the same manner as penalties are by this Act made recoverable, (so far as the same can be applied), any excess of wages or portion thereof, which such Owner, Agent, or Master shall pay to such substitute, beyond the amount which would have been payable to the Deserter, if he had duly performed his service: Provided always, that no Seaman shall be imprisoned longer than three calendar months for non-payment of any such excess of wages.

XXXIV. The absence of a Seaman from his Vessel, for any time within twenty-four hours immediately before the sailing of a Vessel from any port, whether before or during any voyage, wilfully or knowingly, without leave; or the wilful absence of a Seaman from his Vessel, at, or for any time, without leave, and in such manner as to shew an intention to abandon his Vessel and not return thereto, shall be deemed desertion.

XXXV. Every person, who shall wilfully harbour or conceal any Seaman or Apprentice, who shall have deserted, knowing or having reason to believe such Seaman or Apprentice to be a deserter, shall, for every such Seaman or Apprentice so harboured or concealed, be liable to a penalty, not exceeding One Hundred Rupees.

XXXVI. No debt, exceeding in amount Three Rupees, incurred by any Seaman after he shall have engaged to serve under this Act, shall be recoverable until the service agreed for shall be ended; nor shall any keeper of a public house, or of a lodging house for Seamen be entitled to detain any chest, tools, or other property of any Seaman, for any debt alleged to have been contracted by him, and in case of such detention of the chest, tools, or other property of a Seaman, any Justice of the Peace or Magistrate at or near the place, upon complaint upon oath

to be made by such Seaman, or by any person on his behalf, may enquire into the matter upon oath in a summary way; and, by warrant under his hand and seal, may cause such property to be seized and delivered over to such Seaman; and the person so detaining the same shall be liable to a penalty, not exceeding One Hundred Rupees.

XXXVII. Any Justice of the Peace or Magistrate, within the territories subject to the East India Company, upon complaint made by any three or more of the crew of any such Vessel, shall survey and examine, or cause to be surveyed and examined, the provisions, water, and medicines, put or supplied on board of the Vessel for the use and consumption of the crew; and, if on such survey and examination, it shall be found that such provisions, water, or medicines, are of a bad quality or unfit for use, or not such as should be provided, or there shall not appear to be a sufficient quantity thereof, the Surveying Officer shall signify the same, in writing, to the Master of the Vessel; and, if such Master shall not thereupon provide other fit provisions, water or medicines, instead of any which may be signified by the said Surveying Officer to be of a bad quality or unfit, or if any such Master shall not thereupon procure the needful quantity of provisions, water and medicines, or shall use any provisions, water, and medicines, which shall have been signified by the Surveying Officer to be of a bad quality, or unfit, he shall, in each of such cases, be liable to a penalty, not exceeding Five Hundred Rupees.

XXXVIII. A place of shelter shall be provided below a well caulked and substantial deck, for the men engaged under this Act, large enough to allow four superficial feet for every man; and if the place allotted be under the Top-gallant Forecastle, such Forecastle deck shall be not less than four feet six inches above the one below it, and in default thereof every man who is unprovided with such adequate shelter shall be entitled to have an increase of his wages, at the rate of four annas daily, while he is so unprovided, which shall be recoverable as his other wages are.

XXXIX. All penalties, directed by this Act, may be imposed on summary conviction before a Magistrate or Justice of the Peace, and may be recovered, with costs, as if they were imposed by a Magistrate under Act II., 1839.

XL. All claims for wages or forfeitures due and incurred under the agreements entered into under this Act, may be heard and determined by any Justice of the Peace or Magistrate, and the amount, with costs, awarded by such Justice or Magistrate, shall be recovered from the party against whom the award is made, in the same manner as fines levied under the provisions of Act II., 1839.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information:

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee.

H. B. RIDDELL,

Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dak, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty-five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expense or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in

the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

Post Master General, N. W. P.

The 23rd November, 1849. }

Madras Marine Board Office, 22nd October 1849.

Notice is hereby given, that on the 15th of November next, a fixed Light will be exhibited from a Sandy Hill abreast of the Santapillay Rocks, about 150 feet above the level of the Sea. In ordinary weather it will be visible from the deck of a Ship about 12 or 13 miles.

Bearings from the Rock.

Santapillay Lighthouse, ... N. 60° W.
Santapillay Village with the highest dis- }
tant Peak, a little open to the North, } N. 55° W.
Next Sandy Hill to North, ... N. 40° W.

The following information is furnished by Captain Biden, Master Attendant at Madras, who surveyed the Rocks in 1846.

NOTICE TO MARINERS.

SAILING INSTRUCTIONS as a guide when Ships or Vessels are on the Coast of Orixa, or off the SANTA-PILLAY ROCKS.

1. Whereas a recent survey of the SANTAPILLAY ROCKS under the direction of Lieutenant Fell, I. N., and a further inspection thereof, by the Master Attendant, on the 6th instant, clearly prove that those Rocks comprise one of the most dangerous shoals in the Indian Seas, and as no well defined land-mark has hitherto been notified for the purpose of indicating their locality, and warning Commanders of Ships and Vessels of their near approach to those Rocks, it is therefore expedient to publish the following remarks for the guidance of all Mariners who may navigate the Coast of Orixa, and the Bay of Bengal.

2. The Santapillay Rocks are in —

Latitude 17° 59' 25" N.
Longitude 83° 47' 37" E.

and are distant from the Coast between 5 and 6 miles. They are about ten feet under water, steep too on all sides, and their extent is not beyond 200 yards in length. When there is but little wind and a smooth sea, this Shoal presents no indication by broken or discolored water, as Lieutenant Fell, when in search of it during very fine weather, brought the Surveying Brig "Kristna" to anchor within 100 yards of the Rocks before he could observe the slightest appearance of a Shoal. He then proceeded in one of that Vessel's boats over the Rocks, and found 10½ feet on the shoalest part; on the Eastern side 7 and 10 fathoms; and on the Western limit 10½ fathoms rocky bottom.

3. The Master Attendant surveyed the Santapillay Rocks in the H. C.'s Steam Vessel "Hugh Lindsay," on the 6th instant, during fine weather; and with a moderate breeze from S. W. and a ground swell, the breakers were clearly discerned from the mast head at the distance of 6 or 7 miles bearing due South, and Santapillay Peak bearing W. b. N. in 7 fathoms, off shore about 2 miles. The breakers were soon after seen from the deck; and at 11 h. 35 m. A. M. when the Reef, which broke with considerable force, bore from S. 56° E. to S. 57° E. and Santapillay Peak was bearing N. 43° W., the "Hugh Lindsay" was anchored in 9½ fathoms, coarse sand and shells, distant from the reef 2 miles; and from the Coast 3½ miles—Latitude by an indifferent observation 18° 1' N.

4. Two boats were sent under Captain Crawford, to examine the reef, and they carried regular soundings from the Steamer of 9, and 9½ fathoms, until within a quarter of a mile, and in less than 100 yards of the breakers, where they found 10½ and 10¼ fathoms rocky bottom. The breakers were too high to admit of the boats crossing over the reef; but Captain Crawford pulled round it, and gave as his opinion that the Shoal, which lies N. N. W. and S. S. E. is in circumference about a quarter of mile, with 10 fathoms all round, very close to the rocks. From the "Hugh Lindsay" the breakers seemed to extend the length of 200 yards.

5. The inner channel is safe for Ships and Vessels of every class, as soundings of 5 fathoms within a mile of the Coast, and 9½ fathoms within ¼ of a mile of the Rocks, afford a clear space of nearly four miles in breadth.

6. In fair weather and when the Peak of Santapillay is visible, that lofty and remarkable land-mark affords an infallible guide to the true position of the Santapillay Rocks. This Peak is at least 2,000 feet above the level of the Sea, and presents a striking contrast to all the hills in its vicinity. It bears N. 50° W. from the Rocks, and the base of the mountain is not more than 7 or 8 miles from the Coast.

7. But in thick weather when no well defined land-mark is discernible, then it becomes absolutely necessary to approach the Coast between Ganjam and Vizagapatam, with great care and caution. Change of current, and the absence of all means, by night or day, of obtaining a single observation may, without strict and unremitting attention to soundings, place a Ship or Vessel in imminent peril close to, or upon the Santapillay Rocks, which should not be approached from the Eastward, by day or night, under 17 fathoms.

(Signed) CHRIS. BIDEN,
Master Attendant.

*Fort William, Home Department, Legislative,
the 21st December, 1849.*

The following Draft of a proposed Act was read in Council for the first time on the 21st of December 1849.

Act No. — of 1849.

An Act to allow Counsel to all persons on trial for offences.

Whereas an Act of Parliament was passed in the seventh year of the reign of His late Majesty for enabling persons indicted of felony to make their defence by Counsel or Attorney, the provisions of which Act were enlarged and extended to Her Majesty's Courts of Justice in the territories under the Government of the East India Company by Act XXII. 1839, and whereas it is just and reasonable that the like privilege be given to all persons on trial for offences against the law, It is enacted as follows:

1. The provisions of Act XXII. 1839, shall be extended and apply to all Courts and Magistrates, sitting for the trial or conviction, of prisoners, under the authority of the East India Company, wherever established or exercising jurisdiction throughout the said Territories, and to all persons on trial before them.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 21st day of March 1850.

FRED. JAS. HALLIDAY,

Secy. to the Govt. of India.

In all other respects the existing terms and conditions of advances to be made by the Governments of Bengal, Madras and Bombay, will remain as at present in force.

*Fort William, Financial Department,
the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{1}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of $1s\ 10\frac{1}{4}d$ per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

NOTICE.—The following revised Rules, for the Management of Staging Bungalows, having been approved of by Government, are published for general information:

The public will observe, that under the New Rules priority of arrival gives no exclusive right of occupancy, and also that every Individual above the age of 14 years, taking shelter in a Staging Bungalow, must pay the Fee of one Rupee:

H. B. RIDDELL,

Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management of Staging Bungalows are generally under the Post Masters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post Office Station, are under the Executive Officers of the Division. The number of persons attached to each building is determined by the locality, and greater or lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to have charge of a Book with Columns in it, of which the heading indicates where Travellers are to write down the sums which they pay, and the dates of their arrival and departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by Dak, whether a Native or European, can claim shelter for 24 hours in a Staging Bungalow on paying a Fee of One Rupee. Two Rupees become due for twenty-five, three Rupees for forty-nine hours' occupancy, and so on. No charge will be made for Children under 14 years of age.

In conformity with the orders of the Right Honorable the Governor General, Post Masters are required to obtain payment from every person, who may take shelter in a Staging Bungalow, whether travelling at the Public expense, or not.

Officers commanding Troops, or other Gentlemen marching, who do not wish to enter a Bungalow, are requested not to pitch Tents in the enclosure, since by doing so, they may incommode occupants, or prevent Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the Servants to work for him, or gets provisions cooked in the kitchen, must pay as if he occupied one of the rooms.

The Book-keeper is to be provided with two Books, he will send one of them with the amount of collections for the month preceding on the first of every month, using the other at the Bungalow.

This person, who must be able to write, is besides to keep a Journal of his own, noting the hour of every Traveller's arrival and departure, and the sum he pays, which the Post Master is to compare with the entries in the Book.

In Bungalows on the standard plan, that is in which there are two rooms, two dressing and two bathing rooms; one room, one dressing, and one bathing room are allotted to Ladies, the other rooms and a bath-room to male Travellers.

In Bungalows in which there is a centre common room, the private rooms will be allotted according to priority of arrival, one-half the accommodation being reserved, if necessary, for Ladies. Travellers arriving after all the private rooms are occupied will have the use of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will cook any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.

Post Master General, N. W. P.

Second Charge.—For having on the Twenty-first day of October, One Thousand Eight Hundred and Forty-nine, whilst in Pilotage charge of the above named ship in the River Hooghly, repeated the offence set forth in the first charge, or so much of it

Third Charge.—Carelessness, negligence or unskilfulness in the performance of his duty whilst in Pilotage charge of the said ship "Tadge," in the River Hooghly, in having, on the Twenty-first day of October, One Thousand Eight Hundred and Forty-nine, suffered the said ship to take the ground in Sangarall Reach, whereby she sprung a leak, and was obliged in consequence to return to town the same day, and ultimately became in the evening a complete wreck off Calcutta.

RECOMMENDATION OF THE COURT.

The Court having performed the painful duty imposed on it is unanimously desirous with all due respect, to recommend Mr. Medley very strongly to the merciful consideration of Government for a mitigation of the heavy penalty it has felt bound to award in accordance with the wording of the Rule conveyed in the order of the Marine Board, dated the Fifteenth of December, One Thousand Eight Hundred and Thirty, and with the opinion of the Advocate General, under date the Twenty-eighth of December, One Thousand Eight Hundred and Forty-eight, that whenever a specific punishment is, by the Penal Code in question, prescribed for a particular breach of duty, the Court is incompetent to award any other punishment, than the one so prescribed.

The grounds of this recommendation are what appears to the Court to be the somewhat ambiguous state of the law, and the very unsatisfactory state of the practice at the present time, with respect to the remuneration that may be expected by Pilots for taking duty out of their turn, or piloting ships, which exceed a certain draught of water. They refer especially to the

dispatch of the Hon'ble Court of Directors' letter, No. 9 of 1846, forwarded to the Superintendent of Marine on the 18th of May 1846.

The Court is unanimously of opinion that for the future, the orders on this point should be more clear and distinct, prohibiting the seeking of a gratuity, but allowing of its being accepted, if voluntarily tendered; and that a printed copy of such orders should be furnished to every Pilot in the service, and to those who hereafter may enter it, inasmuch as it appears to the Court that the respectability of the Pilot service has generally suffered in public estimation from the practice which now obtains.

*Fort William, Master Attendant's Office, }
the 19th of November, 1849.*

The Proceedings having been submitted to Government, His Honor the Deputy Governor of Bengal has been pleased to communicate his decision on the case, in the following letter:

No. 848.

*From the Secretary to the Government of Bengal,
To the Superintendent of Marine,*

Dated Fort William, the 14th Dec. 1849.

SIR,

The Deputy Governor has had before him your letter of the 22nd ultimo, giving cover to the Proceedings in the trial of Mr. Medley, a Mate Pilot, and he directs me to communicate to you the following orders thereon.

2. Mr. Medley, who was tried upon three Charges, has been acquitted by the Court on the second and third of those charges, and the Deputy Governor approves and confirms that acquittal.

3. Mr. Medley has been found guilty upon the first Charge, which is for disobedience of the orders that prohibit a Pilot from seeking from the Owner or Commander of a vessel any donation on any account, on pain of dismissal, in having sought from the Owner or Agent of the ship "Tadge," and from the Commander of the said ship, a donation or gratuity of about two hundred Rupees, and the Court sentence Mr. Medley to dismissal accordingly. But the Court very strongly recommend Mr. Medley to the merciful consideration of Government, in order to a mitigation of this extreme penalty. The Deputy Governor approves of this Finding and Sentence, but taking the Court's recommendation into consideration, he is pleased to commute the Sentence of dismissal into a Sentence of loss of twenty steps of rank.

4. Mr. Medley pleads that he never saw the order of the Marine Board which has been put in proof against him. But no such excuse is admissible. It was his duty to make himself acquainted with the general Rules of the Service, and though he may not actually have seen the order, it is impossible to believe that a Pilot of his standing was really ignorant of the fact, that seeking and bargaining about a gratuity was a breach of duty, by which on discovery, he would incur the severe displeasure of Government. Every Pilot taking charge of a vessel at the Sandheads puts a paper into the hands of the Commander of the vessel he takes charge of, in which this prohibition is made known.

5. The Deputy Governor requests that you will take this opportunity of informing the Pilot Service, that seeking a gratuity, directly or indirectly, is a

breach of duty, which the Government never will pass over in any case brought to its notice without inflicting most severe punishment. And His Honor requests that you will take every opportunity of making it known to the Owners, Agents and Commanders of vessels, that the Government hopes to obtain information of every instance of misconduct, in this particular, on the part of Pilots. However anxious the Government may be to protect the shipping interest from abuses of this sort, it is powerless in the matter, if those directly interested will not afford information whereon the Government can act.

6. The Court recommend that the acceptance of a gratuity, when freely offered, should be distinctly allowed. The Deputy Governor is not aware that any Rule exists prohibiting such acceptance, and he is not prepared to prohibit it. Although he fears that this practice has grown into abuse, he believes that under the present system, even if it were practicable to put a stop to it completely, it might not be for the interests of the Merchants and Ship Owners to do so. But it should be understood that the Government considers that a Pilot's pay is full remuneration for a Pilot's duty; and that the slightest discussion about a gratuity for Piloting a vessel, between a party concerned in the vessel and a Pilot, whether before the Pilot takes charge, or whilst he is in charge, or after he has made over charge, is strictly prohibited, and will render the Pilot liable to dismissal. It should be understood also that the Government will treat as an indirect seeking of a gratuity, or of an enhancement of a gratuity, any expression of dissatisfaction on the part of a Pilot because of not receiving a gratuity, or because of the amount of a gratuity received or offered. This, His Honor hopes, will meet the recommendation of the Court for making clear and distinct the prohibition against seeking a gratuity.

7. The Court remarks on the somewhat ambiguous state of the law, and the very unsatisfactory state of the practice at present with respect to the remuneration that may be expected by Pilots for taking duty out of their turn, or Piloting Ships which exceed a certain draught of water. The law, that is to say, the Rule of the Service, His Honor observes, is that no gratuity in these or any other cases, must be sought directly or indirectly. A Pilot should simply refuse to take charge of a vessel drawing more than the prescribed draught, till she is lightened, and His Honor apprehends that the Master Attendant will not force a Pilot, who formally expresses his wish to take no more than his turn of duty to pilot a vessel out of his turn, unless there may be some special necessity for such a step. The dispatch of the Hon'ble the Court of Directors, to which reference has been made, conveys no sanction to the seeking of gratuities in any case.

8. The Shipping Interests will now understand, that this matter of gratuities to Pilots is a matter entirely in their own hands, either to restrict the practice in respect to frequency or amount, or wholly to abolish it, if it seems good to them to do so.

9. You are requested, as suggested by the Court, to furnish every Pilot with a printed copy of the order prohibiting the seeking of a gratuity, and the opportunity may be taken of printing and circulating amongst the Pilots, a copy of every other General Order affecting them that may be now in force, which is not to be found in the printed Code, with which they are now furnished.

10. The Deputy Governor requests that you will convey to the gentlemen, who composed this Court, his acknowledgments for the useful remarks they have appended to their Finding.

11. The Deputy Governor has observed an omission in Mr. Medley's first Report of the return and loss of the "Tadge," which is most discreditable to him, so much so, His Honor thinks, that it might have formed an article of charge against him. The vessel struck against some hard substance twice; the first time so as to induce the Pilot to make enquiry whether she had touched the ground; and so as to cause the lead to be hove over the stern, though there were more than seven fathoms at the main chains, and so as to cause the well to be sounded immediately. On sounding the well it was found that the vessel had sprung a leak, in consequence, no one doubted, of that striking; and it was that leak which obliged the vessel to put back in a sinking state, and eventually caused her loss that same day. But in his report to the Bankshall, the Pilot made no mention of the striking. Inasmuch as every such Report purports to be a true and sufficient Report of the material circumstances of the case, and as the Pilot's report in this case would have led to the inference that the ship was forced to put back, because of her general leaky condition at starting, that Report was a false Report.

12. You are requested to communicate to Mr. Medley the Deputy Governor's most severe censure for this part of his conduct.

I have the honor to be,

Sir,

Your most obedient Servant,

(Sd.) J. P. GRANT,

Secy. to the Govt. of Bengal.

In conformity with the above decision, the Master Attendant has been directed to reduce Mr. Acting Master Pilot George Frederick Medley twenty steps in the list of Pilots, to place his name between those of Messrs. First Mate Pilots Vincent and Scott, and to convey to him the severe censure of the Government for a most discreditable omission in his report of the return and loss of the "Tadge." He is to be released from arrest and allowed to return to his duty.

NOTIFICATION.—The President in Council is pleased to attach Mr. A. O. Hume, of the Civil Service, reported qualified for the Public Service, to the North Western Provinces.

FRED. JAS. HALLIDAY,

Secy. to the Govt. of India.

Fort William, Home Department, Legislative, the 21st December, 1849.

The following Draft of a proposed Act was read in Council for the first time on the 21st of December 1849.

ACT No. — OF 1849.

An Act to allow Counsel to all persons on trial for offences.

Whereas an Act of Parliament was passed in the seventh year of the reign of His late Majesty for enabling persons indicted of felony to make their defence by Counsel or Attorney, the provisions of which Act were enlarged and extended to Her Majesty's Courts of Justice in the territories under the Government of the East India Company by Act XXII. 1839, and whereas it is just and

reasonable that the like privilege be given to all persons on trial for offences against the law, It is enacted as follows:

I. The provisions of Act XXII. 1839, shall be extended and apply to all Courts and Magistrates, sitting for the trial or conviction, of prisoners, under the authority of the East India Company, wherever established or exercising jurisdiction throughout the said Territories, and to all persons on trial before them.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 21st day of March 1850.

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

*Fort William, Financial Department,
the 28th December, 1849.*

NOTIFICATION.—Notice is hereby given, that the rate of Exchange at which Bills secured by the Hypothecation of Goods, are to be drawn in favor of the Hon'ble the East India Company, will be 1s. 11d. per Company's Rupee, until further orders. In all other respects the existing terms and conditions of advances to be made by the Governments of Bengal, Madras and Bombay, will remain as at present in force.

By order of the Hon'ble the President in Council,

J. A. DORIN, *Secy. to the Govt. of India.*

No. 7.

*Fort William, Financial Department,
the 31st March, 1849.*

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of $\frac{3}{4}$ ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s. 10d. per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to insure, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India

Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

 approved of by Government, are published for
 general information:

The public will observe, that under the New
 Rules priority of arrival gives no exclusive right
 of occupancy, and also that every Individual above
 the age of 14 years, taking shelter in a Staging
 Bungalow, must pay the Fee of one Rupee.

H. B. RIDDELL,

Post Master General, N. W. P.

STAGING BUNGALOW RULES.

1. The Establishment Furniture and management
 of Staging Bungalows are generally under the Post Mas-
 ters, who reside nearest them.

Those on the Grand Trunk Road, and not at a Post
 Office Station, are under the Executive Officers of the
 Division. The number of persons attached to each
 building is determined by the locality, and greater or
 lesser resort of Travellers to it.

The most trustworthy Servant at each Bungalow is to
 have charge of a Book with Columns in it, of which the
 heading indicates where Travellers are to write down the
 sums which they pay, and the dates of their arrival and
 departure.

Name of Traveller.	Date of Arrival.	Date of Departure.	Amount Paid.	Remarks.

2. Every European Traveller and every Traveller by
 Dāk, whether a Native or European, can claim shelter
 for 24 hours in a Staging Bungalow on paying a Fee of
 One Rupee. Two Rupees become due for twenty-five,
 three Rupees for forty-nine hours' occupancy, and so on.
 No charge will be made for Children under 14 years of
 age.

In conformity with the orders of the Right Hon-
 orable the Governor General, Post Masters are required
 to obtain payment from every person, who may take
 shelter in a Staging Bungalow, whether travelling at the
 Public expence or not.

Officers commanding Troops, or other Gentlemen
 marching, who do not wish to enter a Bungalow, are
 requested not to pitch Tents in the enclosure, since by
 doing so they may incommode occupants, or prevent
 Travellers from availing themselves of the building.

Whoever declines to use a Bungalow, but causes the
 Servants to work for him, or gets provisions cooked in
 the kitchen, must pay as if he occupied one of the
 rooms.

The Book-keeper is to be provided with two Books,
 he will send one of them with the amount of collections
 for the month preceding on the first of every month,
 using the other at the Bungalow.

This person, who must be able to write, is besides to
 keep a Journal of his own, noting the hour of every
 Traveller's arrival and departure, and the sum he pays,
 which the Post Master is to compare with the entries in
 the Book.

In Bungalows on the standard plan, that is in which
 there are two rooms, two dressing and two bathing
 rooms; one room, one dressing, and one bathing room
 are allotted to Ladies, the other rooms and a bath-room
 to male Travellers.

In Bungalows in which there is a centre common
 room, the private rooms will be allotted according to
 priority of arrival, one-half the accommodation being re-
 served, if necessary, for Ladies. Travellers arriving
 after all the private rooms are occupied will have the use
 of the common room and a bathing room.

No person can claim shelter in a Staging Bungalow for more than 24 hours; after the expiration of that period, he is bound to remove, if called on to do so, by another Traveller.

The Khidmutgar at each Bungalow will book any provision furnished by Travellers, but those who employ him to supply eatables must submit to his terms.

Travellers are expected to bring their own Table Linen, when they do not, the Khidmutgar is directed to spread a Napkin about 2 feet square before each person: the Napkin is not to be used a second time until it has been washed and ironed. The Post Master will punish the servants whenever he discovers that they neglect to keep every thing in the Bungalow, and connected with it, perfectly clean.

Whoever breaks or injures any thing will pay for the same. The Servants are immediately to report when an article becomes unserviceable, and get it replaced.

Tatties are provided during the hot-winds, but an establishment to water them being entertained only when wanted; the Traveller who chooses to order it must defray the expence in addition to other charges.

The buildings as such are kept in order by the Executive Officers, the Post Masters reporting to them whenever repairs are necessary.
